Gordon's News... In a Flash

If you missed the October Annual Meeting, it was a FUN packed event. We started out with the announcement that the Z Car Club of Colorado won the bid for ZCON 2021. Then we all watched the exhilarating video that put us over the top in the competition. If you haven't seen it yet, go to YouTube.com and search on ZCON 2021. It's a 3 minute and 23 second video entitled "ZCON 2021 – Colorado". See if you can identify which member's cars are highlighted in the video. Enjoy!

Next at the Annual Meeting, each Active Member name was called along with their associated points. Interesting that in past years, there were lots of Active Members with just 15 or 16 or 17 points. This year's Active Members were more active than ever. Active Memberships this year started out with 20 points. Amazing! And it went all the way up to our Most Active Member, Travis Scott, with 35 points.

Also we announced the almost 20% membership growth we have had in the past year. WOW!!!

Your 2019-2020 Board was recognized along with a special recognition to Patty Troxell and Tiffany Gordon for all the work they did this year to help me in my first term as President. Nate Derman was the recipient of this year's President's Award for all his hard work renewing the Vendor Discount program and working with me to replace our outgoing sponsor with 3 Larry H. Miller dealerships.

We also welcomed your new 2020-2021 Board including new Board members Gail Mund as VP, Cheryle Derman as Odometer Editor and Travis Scott moving from VP to Inter-Club Liaison.
Another big thank you to Tom Ziegelbauer for empowering our Board members and Appointed Positions with the tools they need to update our website. Tom also created training videos for them to use and to pass along to their successors in future years. Also a big thanks to Tiffany Gordon who did something similar by creating training videos for the VP on how to enter member points into the spreadsheet.

Members recognized Constitutional changes are needed to address our new virtual world. You will see proposed amendments in this Odometer and we will get member input and ask for your vote starting at the November 4th General Meeting.

Don't miss our Wings Over the Rockies event later in November and more holiday events planned in December.

Lastly, my hat is off to the ZCON 2021 committee headed up by Travis Scott, Diana Inberg and Alex Millward. They have already had 2 committee meetings. We sure have an impressive member volunteer list. If you want to get involved, please let them know. It's going to be a great event next August in Colorado Springs!!!

Regardz, Don Gordon - President

Proposed Amendments to the Constitution

As stated at the annual meeting in October, we plan on proposing amendments to the ZCCC Constitution, a few every month. According to our Constitution, members attending the General Meeting will get to discuss and vote on each proposed amendment. Below are the first series of proposed amendments to be discussed and voted on at the November 4th General Meeting.

2. Make reports to such organizations with which ZCCC may be affiliated as required
3. Submit the minutes of each regular monthly meeting to be published in the monthly newsletter, the Odometer in a timely manner.
4. Backup Club and Board meeting minutes on a portable electronic device.

6. Upon retiring from this position, the Secretary shall deliver to their successor, or the President, all storage device(s) containing meeting notes, past Board special and general meeting minutes and all other records in their position

Here are the current duties of the Election Director under STANDING RULES, Section I – Appointed Positions

The Election Director will be responsible for providing members with physical paper ballots and/or electronic ballots as deemed necessary, will be responsible for tallying all the votes ,and reporting the outcome to the General Membership and/or the Board as deemed necessary. The Election Director will appoint one or more assistants as needed.

The Proposed Amendment is to add “Performs the duties of the Election Director” to the duties of the Secretary. This would become the new #5 for the duties of the Secretary.

Proposed Amendments to the Constitution

#2)
Under ARTICLE II – Officers and Elections, Section 4 – Election of Officers it currently states:

Section 4 - Election of Officers

The election of officers, each of whom must receive a majority of votes cast, shall be held at the general meeting in September. If the nominated slate of officers presented at the general meeting in September is un-opposed, the Board as nominated may be elected by general acclimation.
Absentee ballots may be requested in writing from the Secretary and returned to same by mail prior to the election. Absentee ballots shall not be opened until the election meeting. The Secretary will assure that any member who has sent in a marked absentee ballot is not permitted to vote in person at the September meeting. All newly elected officers of ZCCC will be installed at the Annual Meeting and Banquet in October.

In the event of a tie, the ballots shall be recast with only those active members present at the meeting voting, until the nntie is broken.

To officially allow for electronic voting, the Proposed Amendment would add The highlighted statement below:

The election of officers, each of whom must receive a majority of votes cast, shall be held at the general meeting in September.
The meeting may be in-person or virtual and the ballots may be physical or virtual ballots. Unless an absentee ballot is previously requested, only those members in attendance at the September general meeting will be allowed to vote.

WRAP UP

FALL COLORS TOUR BY TRAVIS SCOTT SEPTEMBER 26

The Z club gathered on a beautiful Saturday morning to cruise up into the mountains for the fall leaf color change. A total of twenty people participated, 18 members and 2 guests. We started in Golden, headed up past Heritage Square and Red Rocks Amphitheater to cruise through Evergreen. After reaching Evergreen we took Squaw Pass which was especially beautiful, Quite a few Colorado natives stated they had never even been on the pass before and genuinely enjoyed the experience. Squaw Pass ended near Idaho Springs and we took the frontage road from there to Georgetown. We then went up and down Guanella Pass running into 50 + Audi's at the top of the mountain doing their fall cruise and ran into some traffic. The cruise ended with driving through Conifer and out Deer Creek Canyon, I personally had a amazing time. Thank you all who participated.

Andy's Frozen Custard
SINCE 1986

This event was extremely fun and successful for the Z club and myself, The day was colder than I hoped but still bearable and worth the wait. The sun did eventually come out and Andy's Frozen Custard was a perfect spot to host the event. Many guests which included past members and other clubs were in attendance, and not counting spectators the event ended up with 80 plus cars entered into the show with over ten imported righthand drive vehicles that showed up. The atmosphere was amazing with tons of respect for each other's cars, and custom elaborate builds. We created relationships with possible new members, vendors and ZCON sponsors just from people in attendance. Not surprisingly, I did not find one piece of trash or crumbled up voting card after the event and I have already have been contacted by multiple people that participated asking that it happen again
next year and offered suggestions to make it bigger and better. Overall, I think it was a positive event that going forward will be a yearly expectation for all Nissan enthusiasts.

Thank you all that Participated.

EXTRA

Welcome to our newest members…Don, Yun and David Wait.

Son David just completed a 240Z restomod with a RB25DET engine swap.

It has been a 3 year project for him and a great skills learning project! He is competing in the SEMA Young Guns BOTB competition and won a runner up position representing Colorado in the So Cal regional virtual judging.

He still has a chance to earn a spot in the SEMA 2021 competition with 15 other regional runner up cars.

[According to our Board member Travis Scott, SEMA is a huge car show specifically for custom elaborate car builds usually high horsepower, crazy suspension or custom new ideas never seen before. The young guns BOTB is an event specific for young adults 18-27, stands for “battle of the builds” and some of the judging is done in person at the actual event and then they rely on the public voting for the rest]

Z-LICIOUS

PUMPKIN LENTIL SOUP

From our friends at The Cleveland Clinic ...

The fall and winter brings cooler air, which often means warmer meals for dinner like soup or stew. This recipe is a great choice if you're look- ing for a delicious Meatless Monday dinner. The lentils provide slow di- gesting carbohydrate, protein, and are high in fiber, so this soup will keep you satis- fied for hours. The soluble fiber in lentils can help lower cholesterol, too.

Ingredients:

- 1 large onion, chopped (1 cup)
- 2-6 garlic cloves, diced
- 3 ribs celery, chopped (3/4 cup)
- 3 carrots, chopped
- 2 cups red lentils
- 7-8 cups vegetable broth or water
- 1 large can pumpkin (no sug- ar)
- ¼ teaspoon dried marjoram
- ¼ teaspoon dried thyme
- Lots of Tabasco

Instructions:

1. Combine onion, garlic, celery, carrots, lentils and broth or water in a soup pot. Bring to a boil.
2. Lower heat and simmer, cov- ered, 30 minutes or until vege- tables are soft and lentils have turned to much.
3. Add pumpkin and spices and simmer until all is blended.

Add Tabasco to taste.

Makes 8-10 Servings

Thank you to Don Gordoin for sharing this recipe.
