The 31st Annual Exotic Sports Car Show & Concours d'Elegance, benefiting Ability Connection Colorado, formerly known as CP of Colorado, is Sunday, June 8, 2014 at Arapahoe Community College, in Littleton, Colorado.

Please join us for this fabulous, family friendly event. Help the children and get our club noticed by entering your car and by pairing with a trusted Colorado 501(c)(3) nonprofit. Every year 10,000+ enthusiasts join us to see our exceptional cars. We offer entertainment, food and fun for the whole family!

The Colorado Concours is a key fundraiser for Ability Connection Colorado's Creative Options for Early Education. Funds raised help four metro area centers provide early care, intervention, prevention, and support and education services to expectant mothers and to 646 infants, toddlers and pre-school children and their families annually with a wide variety of abilities. Last year, we served over 40,000 Coloradoans!

For more information on registering your car and or volunteering to help at the event, please click [here](#) or visit www.coloradoconcours.org!

Plan to meet at the Aspen Grove Shopping Center in the North parking lot between 7:15 and 7:30 am; we will caravan over to the school to be there by 8:00 am. We will have an hour to get the cars ready.

“Why this car is automatic It's systematic It's hydromatic” - *Greased Lightnin'* - John Travolta "Grease" Soundtrack

I heard it was a great time at the Cars Conquering Cancer event. Stacey and I had fantastic time at the Skysox game. Thanks Scott for setting it up! Next time I'll make to make sure I'm more aware of my surroundings and prepared to catch the fly ball that almost bounced off my head.

“I got no car and it's breaking my heart But I've found a driver and that's a start” - Beatles *Drive My Car*

This last month I had the opportunity to ‘almost’ touch one of my childhood dreams - The 1989 Batmobile. Stacey and I were given a private invite to visit Tebo's garage up in Longmont. Among the 385 cars in his collection I took about 100 photos of this dream car of mine. I found myself on my knees at several points snapping detailed shots on the concrete floor. Fingers crossed I hope to have the chance to babysit it at Denver Comic Con June 13-15th. This coming weekend Stacey and I are going to surprise a super Batman fan by showing up to her graduation and driving her in the Batmobile to her graduation party. You think she'll remember that forever? Next weekend the BumperDoc event and then a rocket blast up to Thornton for another celebrity appearance at a library grand opening.

“When I'm holding your wheel, All I hear is your gear, When I'm cruisin' in overdrive, Don't have to listen to no run of the mill talk jive” - Queen *I'm In Love With My Car*

Reminder: It's my duty to appoint at the general meeting in June, a nominating committee of three members to present a slate of nominations at the general meeting in July. I would prefer volunteers of course. Judy will be hitting the 2 year mark of service as VP so we have at least one unopposed opening on the board for sure. All positions are considered open for the running. We are open to help in all areas! Open nominations shall be accepted from the floor will be accepted at the August meeting and the election of officers/new board will be held at the September meeting.

June will be a busy month with many events. We have the Concours d'Elegance, Claws for Cause, Andy's bike ride, and the 1st of our track days . Please make sure you are registered and *paid* for these and future events way in advance. Spots may be limited. Other non ZCCC sponsored events will have all their details posted on the website.

TO THE BATMOBILE!

Z-Car Club FUN RUN EVENT

JUNE 28th 2014
a.k.a. Track Day

Darrel Hoffman

Don't miss out on the first fun run/track day of 2014 with the Z Club at High Plains Raceway! This is again sponsored by **Boulder Nissan**. Thanks to Jason Purdum and **Boulder Nissan** the drivers won't need to work corners and will leave us all with more track time.

Like last year there will be overnight parking Friday night. So if you want to take in an open lapping day on Friday you can spend the night and be at the track bright and early Saturday morning.

Send in your registrations and please make one of our scheduled tech sessions.

Thanks again to Pam and Gary Bracken for hosting our pre-tech days at their place.

We have two pre-tech sessions scheduled at the home of Gary Bracken (2487 S. Dover Way, Lakewood, CO 80227, 303-969-9964) as follows:

1st tech session - Saturday, June 21st from 10am to 3pm

2nd tech session - Wednesday, June 25th from 4pm to 7pm

Let's get our cars tech'd prior to track day as it will save you and I a lot of time that morning of the event. It is an hour and fifteen minutes from my house to the track. Take my word for it you will like having tech done early. Besides it is a long way to the parts store to correct some minor problem.

If you have any questions, please contact Darrel Hoffman (720-273-4385, dlh2460@aol.com) or Brian Baumbach (bdbaumbach@hotmail.com).

ZCCC BIKE RIDE

June 21, 2014
9:30am

Andy Mortenson

There are quite a few of us in the club who enjoy riding our bikes almost as much as we enjoy driving our Z cars. Now that it's finally warming up, it's time to get out your bikes and start enjoying our great weather and beautiful Colorado scenery.

As an added incentive, we've planned our third annual Z Car Club Bike Ride for the morning of Saturday, June 21st. We'll meet at the Emerald Isle restaurant at 4385 S. Parker Road in Aurora at 9:30 AM and plan to hit the trail by 10:00 AM. The restaurant is located adjacent to Cherry Creek State Park just south of Quincy Avenue. The ride will be of moderate difficulty covering approximately 20 miles in and around the park. We'll finish the ride back at the Emerald Isle around noon in time for lunch. Guests are welcome to join us. Please contact Andy Mortenson at (303) 359-0216 if you have any questions.

Z1 Motorsports Report

by Ira Sanders

I had some recent dealings with a well known purveyor of Nissan aftermarket parts that I believe the Club should know about.

In 2012 I put down a deposit on headlights at the price they had them at the time. It took over a year for them to get the headlights and then they refused to honor the price at which I had ordered the headlights. I expected better from a company I had done thousands of dollars worth of business with over the years. I won't be referring anyone else to them. I won't do business with them again.

I had mentioned this to another Club member and he told me he also had bad experiences with Z1 Motorsports.
