3rd Annual January Chili Cook-off by Tammy Ellsworth

It is time once again for the show down. The ZCCC chili chefs have had all year to perfect their special rip-roaring chili after last year's event. Last years 1st place winner was **Vivian Abrue** with her Black Bean Chile. Who will she pass the chili encrusted trophy spoon to in 2003? Join your fellow Z'ers and Tynan's for the "Z Chili King" title fight **January 25, 2003, 5 PM, Saturday**. Even if you are afraid of the kitchen, or just can't even boil water, come join the fun and judge this year's entries.

Entrants are asked to submit their creations in crock-pots if possible. You can submit entries in any or all categories. Judging will be by all chili-loving attendees. The club will provide all the fixings: including onion, jalapeno peppers, tortillas, cheese, crackers, tableware, accouterments, drinks, dessert, and of course, the Roloids. (Continued on page 7)

From the President's Pen...

The holidays are over and I hope everyone had a great time.

The holiday party at **Daryl and Sue Shucks** house was fantastic. Between ZCCC and Tynan's we had an overflow crowd. With drinks, appetizers, entrees, and deserts supplied by both ZCCC and the Shucks and every guest bringing something food was not scarce. Conversation flowed freely and was not restricted Z people to Z people and Tynan's people to Tynan's people. The only door prize was another great-framed Z car poster signed by Mr. K and donated by **Daryl Samantha Shuck** picked **Donna Brooks** as the lucky winner. Now Larry and Donna need a new Z to go with the poster. In addition to the door prize, drawing ZCCC gave the Shucks a holiday card and a gift certificate to Brooks Steak House. Thanks to the Shucks for donating their time, hospitality and a warm and friendly house. **Mike Goddard** will probably think again about using Daryl's garage to store his 10th Anniversary Z. "Please don't squeeze the Charmin" Mike. Thanks also go out to **Bobby and Cher Givens** for picking up food, drink, utensils, plates and napkins at Costco and to **Marilyn Slayton** for picking up the gift certificate at Brooks.

The December meeting saw proposed changes to the Constitution being passed with some minor wording changes. New copies of the Constitution will be printed and available soon. **Larry Brooks** was elected as our new Treasurer. Thanks to Larry for coming forward.

Mike Goddard and the Rocky Mountain Regional Event committee met and activities and events are getting finalized. It looks like all is going smoothly. Mike will fill you in on the details.

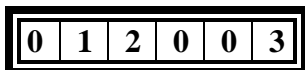

Roy Davis is working on getting ZCCC name badges available for everyone. These are great to wear, as they look great, help us remember members' names and show people we're proud to be a member of Z Car Club of Colorado. Roy has details on the badges and he'll be selling them at the January meeting.

Speaking of the **January meeting it will be held on the 2nd Wednesday in January 8th**. It was changed, as many people probably wouldn't be attending a meeting at Marie Calendars on New Years day.

Remember the Chili Cook off and the ski trip this month.

Thanks go out to **Ron Gardener** for delivering all the toys that people donated to the Marines Toys For Tots program.

Happy Holidays, *Dick*

"YOU KNOW YOU LIVE IN COLORADO WHEN...." BY JEFF FOXWORTHY ON COLORADO contributed by Roy Davis

The bike on your car is worth more than your car.

You're able to drive 65 miles per hour through 13 feet of snow during a raging blizzard without even flinching.

Z Car Club of Colorado

The Odometer

You can drive over a 12,000 foot pass in 4 feet of snow, but can't get to work if there are 4 inches of snow.

You think a red light means 3 more cars can go.

Driving is better in the winter cause the potholes are filled with snow.

You know what a 'fourteener' is. But you don't know what a 'turn signal' is.

You carry jumper cables in the car and your girlfriend knows how to use them.

You know all 4 seasons "almost winter, winter, still winter and construction.

You see someone riding a Harley in a downpour, and you look closer to see if it's anyone you know.

"Where we're going, we don't need roads!!"

April showers bring May blizzards.

Your golf bag has a 9-iron, a 3-wood and a lightning rod.

SPF 90 is not out of the question.

Thunder has set off your car alarm.

You have an \$800 stereo in a \$300 truck.

You think that sexy lingerie is tube sox and flannel Pjs.

You've used 'checking for ticks' as an excuse to get someone naked.

You've dressed in shorts, sandals, and a parka.

You've gone skiing in July. You've gone sunbathing in January. They were both in the same year.

And most important: You get a certain feeling of satisfaction from knowing that California and Texas are both downstream.
