## MLK Snow Sports Day

January 17, 2011

*Dave Daniels*

The 11<sup>th</sup> Annual Martin Luther King Snow Sports Day will happen Monday, January 17<sup>th</sup> at the Loveland Ski Area. As many of you know, the 2010-2011 season has been characterized by plenty of snow and that trend should continue for January.

As we have done other years, plan to meet in the cafeteria area on the second floor of the Lodge before 9:00 am. Loveland serves an excellent breakfast for those planning to eat after arriving at Loveland. Schedule your time so that you can have your meal or snack and still be ready to ski or board when we head for the slopes around 9:15 am. We should be skiing by 9:30. Plan for lunch in the cafeteria around 11:30 am if you miss our first meeting.

We usually break into two or more groups based on our preferences for slope difficulty. Many of us prefer the less difficult, groomed variety with only occasional, small moguls. But there are several excellent skiers among club members that try to make it to our outings and they will be looking for steeper, more challenging runs. Fresh snow is always a possibility at Loveland for those interested in skiing powder. Whatever your ability, I am certain that you will fit in and have a fun day. We have found that the slopes will not be over crowded and everyone should get plenty of skiing for the day. Quitting a little early can help avoid heavy traffic on the way home.
