**Have a great
February**

March 4th, Monthly Meeting

will be held at Tynan's Nissan,

780 S. Havana, Aurora, CO

Tynan's Nissan has generously offered to host our March meeting at their Havana Street location in their showroom. They will be serving fried chicken and beverages. Hopefully, there will be at least two 370Z's to show off. This will be an excellent opportunity to look at the 2009 Nissan automobiles, and smell and feel the new 370Z.

President's Corner

*Seventy-six Nissan Z's led the big parade
With a hundred or more VW Beetles close at hand.
They were followed by rows and rows
of Vette's and Volvo's,
the cream of ev'ry famous brand.
Plagiarized from the Music Man, with apologies*

On March 14, 2009, ZCCC is going to participate in the Denver St. Patrick's Day Parade. I'm told that the club used to do this years ago, and now the tradition is being revived. I'll be taking my car out for the occasion and I hope a lot of you do too. Maybe we won't get 76 Z's, but I bet we can make a very good showing. Of course, good weather is required unless someone in the club can put a snow blade on the front of their car and keep us rolling. Kathy Minister will be at the February 4 meeting at NYDN taking registrations for the event. The registration for driving in the parade is only \$10 and if you just want to walk with us in the parade, it's free.

Elsewhere in the Odometer, you will find an article and announcements that our March 4, 2009 meeting will be held at Tynan's Nissan on south Havana. *Put it on your calendar.* Daryl Shuck, the new general manager, has asked us to hold a meeting there and is offering to have the meeting in his showroom. This will give him the opportunity to show off the 370 Z's he plans to have on hand and perhaps the 2008 Nismo Z he talked about at the last meeting as well. Daryl is providing chicken and beverages for dinner that night. I hope to see all of you there.

Tom Boyle, an expert in automotive lubricants and how to keep your fuel system clean and efficient, will be the speaker at the February 4 meeting. Those of you who have heard Tom in the past know about his vast

knowledge in these subjects, and if any of you haven't heard Tom, you are in for a treat. Tom works for Kenz and Leslie, a distributor of BG products, and Tom will have those products available for sale after the meeting. Tom gives the club great deals on these high quality products.

Those of you who have read my column in the past can tell there isn't anything that's really got me going this month. There's not much to say about the economy except that's still in the toilet and amazingly, gas prices are way down from where they were just a few months ago. I hope all our members have been able to hold on to their jobs, and everyone is able to weather this lousy

Ski Day at Loveland Basin

February 27 (Friday)

Patty Troxell

Let's tune up and wax our skis or snowboards for a day of fantastic skiing at Loveland Basin on Friday, February 27. Whether Mother Nature will provide us with sunny skies and fresh powder or not, a good time is on the horizon. We will meet in the cafeteria at 9am and head out for a great day of skiing at 9:30. Lunch will be at approximately 11:45 at the Loveland Basin cafeteria. Discount lift tickets can be purchased in Denver and the metro area at Safeway, King Soopers and Albertsons grocery stores. Adult walk-up day lift tickets can be purchased at the Loveland ticket window for \$56. Senior (age 60 and plus) lift tickets can be purchased at the Loveland ticket window for \$42. Whether it's sunny or snowing, let's get out there. If you have any questions, please see me at the January and February meetings or email me at rtcats@juno.com

situation. As you all know, the economic downturn, or more accurately, the economy that's in the crapper, has had its affect on the club. The Board is looking at making some major changes to how the Odometer is published and distributed to save the club as much as we can. We are encouraging everyone to get the Odometer by email so the club can save postage, and possibly save some printing costs. I want to thank all of you for your continued support of the club and I look forward to seeing all of you at the meetings and upcoming events.

St. Patrick's Day Parade

March 14, 2009 at 10:00 A.M.

Kathy Minister, 303-750-4845

The parade theme this year honors and highlights all things "Colorado". The parade starts at 27th and Blake, winding around to Coors Field Parking Lots. The cost is \$10 per car and no cost to walkers. We hope to make a great "ZCCC" showing this year.

More details about where to check in will be provided to us at a later date. What you need to do is to let us know if your car will be in the parade. Get your registration fee to us as soon as possible.

More to come about lunch and drinks after the parade.

SPONSORSHIP 2009

Mike Goddard

I'm sure most of you have heard by now that our sponsor, Tynan's Nissan is unable to continue their financial contribution per our past sponsorship agreement. This did come as a bit of a surprise, but not a shock.

So where do we go from here? During this time of economic turmoil, it would be very unlikely that anyone would pick up the sponsorship package that we have enjoyed with Tynan's. We have approached other dealerships after getting the news from Tynan's, but no one wants to sponsor us at this time. During the last seven years, we were actually wooed by other dealerships to change sponsors -- but we stood resolute by Tynan's. The whole sponsorship package was a win-win situation for ZCCC and Tynan's. We enjoyed a much-needed financial boost to cover the ever-growing expense of the Odometer, as well as gifts, door prizes and an ongoing camaraderie such as our annual go cart races and dealer appreciation BBQ. Most important are the relationships that have developed over the years, like that between our club and the dealership. Many of us have developed personal friendships with people at Tynan's. I also feel that our club has flourished due, in part, to our partnership with Tynan's.

At our last general meeting, Daryl Shuck, General Manager for Tynan's, spoke of the automotive hard times that may continue to loom over the automotive industry for the next year or longer. Everyday on the nightly news we hear about this or that company going under. Car sales are at an all

time low, and my personal favorite: corporate bailouts. It's not very pretty out there for any automotive dealership. In a conversation with Daryl before Christmas, I was informed two more dealerships on Havana had to close their doors.

Daryl also spoke of the excellent relationship that Tynan's has enjoyed with ZCCC. It was stated that Tynan's wishes to continue this relationship with ZCCC. Tynan's proposed the following: the sponsorship package will stay in place as is, except for the \$200.00 monthly contribution. To try and make up for the lost \$200/month, Tynan's has offered an opportunity to make more each month by referring customers to Tynan's and receiving a referral fee of \$200 for any automobile sold to the customers we send them.

As the sponsor liaison for ZCCC, my charge was to acquire and maintain a sponsor for ZCCC. Is this as good as our last contract? Probably not. Do we cut and run? Where to? At this time there are very few, if any, options available to us. I personally think that staying the course with Tynan's for the upcoming year, with a gentleman's agreement, is our best option. As sponsor liaison, for me, this is an easy call.

Daryl and I have worked out the details and agreed to revisit this in December 2009. To be honest, I have developed personal friendships with members of Tynan's team. In all fairness, and not to project my bias on the issue, I feel this matter should be put to a discussion and referendum vote by the membership at our next meeting.

SUCCESSFUL MLK SNOW SPORTS DAY

Ron Gardner

It was a beautiful day with sun and good snow conditions at Loveland Ski Basin. A combined total of 6 members and 3 guests enjoyed a near perfect day of skiing in celebration of Dr. King's birthday.

This year marked the 10th Anniversary for this Club event. Hopefully there will be many more in the future.

3rd Annual Poker Run

Nate Derman

Poker Run is on the calendar for May 16th, 2009. Although the stops have not been set yet, please mark your calendar for the fun event. We will start out at Tynan's Nissan at 9 A.M., will visit some of our vendors, and return to Tynan's Nissan for the final draw and a pot luck lunch. It is a fundraiser for the club, and will include another 1st place, 2nd place and last place cash payout. More details will be forthcoming in the Odometer.

CP Concours d'Elegance

Larry Brooks

The 26th Annual Exotic Sports Car Show & Concours d'Elegance is Sunday, June 14, 2009, and will be held on the front lawn of Arapahoe Community College.

For two and half decades, we have participated, volunteered and attended this event to help Cerebral Palsy of Colorado provide scholarships for early education, speech and language, and occupational therapies to low income families with disabled children. Last year this event raised \$95,000 for CP of Colorado.

Please plan to participate in this gala event by showing your Z car or attending. There will be over 350 sports, classic, collector cars and this year a special collection of classic motorcycles will be shown. We had 23 Z cars last year on display at this event which is attended by over 6,000 spectators. Remember, your Z does not need to be a show car nor must it be judged to participate. Plan now to come out and enjoy a wonderful day of camaraderie with other car enthusiasts.

Advance registration fee before May 18th is set at \$30 per car and late registration after May 18th will be \$50. Entrance contribution for spectators is \$10 with children under 12 admitted free. A \$1 off admission coupon will be available. Registration forms will be mailed to past participants around March 1st, and registration will also be available on-line.

For additional information please contact Larry Brooks (landbrooks@msn.com) or 303-773-1904 and watch the Odometer for monthly updates about this event.

*Please note individual and corporate donations qualify for the Colorado Child Care Tax Credit. This tax credit allows for a 50% credit toward your State of Colorado income tax liability up to \$100,000 annually. Please call CP at 303-691-9339

for more information. Also, we advise consulting your tax advisor.

President Ira Sanders called the meeting to order, welcomed members and guests. **Patrick and Stave Martins**, driving a 1990 240sx, and **Aaron Goddard**, who did not reveal his conveyance, for fear of maiming.

Officers

Vice President Cheryle Derman made announcements in regards to upcoming events:

- February 27th Ski Day at Loveland.
- March 14th ZCCC will participate in the Denver St. Patrick's Day Parade; Kathy Minister will chair the event.
- March 21st Tynan's Nissan will host our club for the Annual Chili Cook-Off.
- May 23rd will be our club's first chance to take a crack at the High Plains Raceway.
- September 10th-13th Midwest Z Fest hosted by the ZCCC here in Denver.

Andy Mortenson announced four renewals and no new members.

Daniel Bailin is waiting for insurance information from our national carrier in order to make a proposal to the Colorado Miata club (to help keep costs down at the new track).

Patty Troxell wanted everyone to know about the vender list we publish quarterly, and to encourage all members to support our vendors.

There were no other officer reports.

New Business

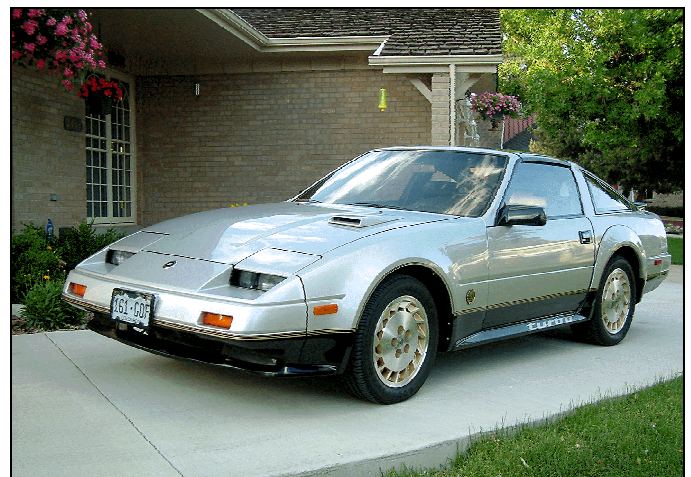

Daniel Bailin made the report regarding the Midwest Z Fest committee. The committee has set up a MZF website with links from our website zccc.org.

Darryl Shuck General Manger of Tynan's Nissan came to ensure the club that the suspension of Tynan's sponsorship was and is purely a financial decision. Mr. Shuck also wanted to express his continued support of the ZCCC, with a referral program. If any member is responsible for the sale of a vehicle at either the Nissan or Volkswagen dealerships, Darryl will issue a two hundred dollar check to the club for the referral. John Tynan will be the clubs contact at the dealership, so let's encourage anyone we know who is looking for a car to give Tynan's a try and let them know the ZCCC sent them.

The guest speaker was **Dawn Tollakson, a Senior Crime Analyst from the Aurora Police Department**. Dawn spoke about how a police department collects evidence and how to use that evidence in a logical way to catch criminals. Thanks to Dawn and all of those that put on a uniform to keep us safe.

Fred Minister won the 50\50 in the sum of \$58.00.

The next meeting will be held on February 4th, 2009, at New York Deli News, at 7:00 P.M.

VENDORS LIST (as of 2/1/09)

Don't forget to tell your contact you are a ZCCC member and have your membership number ready before ordering -- in case it is requested. Please tell them thanks for being a ZCCC supporter. Businesses and discounts are updated periodically.

---	---	---	---	---	---

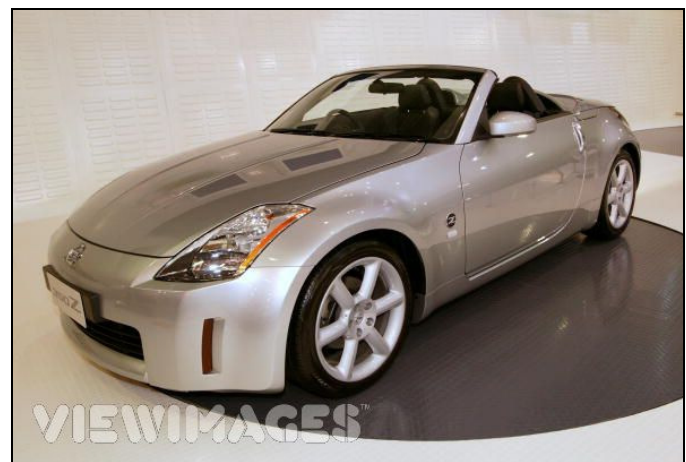

****1990 300ZX 2+2**** I bought this car from John Bright - a longtime friend of mine, and former member of ZCCC for many years -- in July of 2004. Only added 3,500 miles to the odometer since owning it. Normally aspirated, with 107,000 miles on it. Black, with tan leather interior and T-Tops. Garaged and covered since I've owned it. Excellent condition! No cracks in the interior vinyl, front leather seats are showing some drying and shrinking. I planned to try to restore them, but haven't had the time. Back seats are in good condition. Normal wear from highway driving. It has a bra.

The tires are decent, and I just recently invested \$2,500 in engine maintenance, including timing and tension belts, water pump, clutch master and slave cylinders, clutch plate, rear main seal, transmission service, front brakes, battery, and engine detail. All work was done at C&B Auto, Inc. - a small shop that specializes in Nissan products. For fun, I have the original titanium key, the sales brochure, a dust cover and maintenance records back to 2002.

I'd like to get \$6,500 for the car, but will take any reasonable offer that is close to that, to recoup some of my investment in the engine work. Call Don, 303-358-7159.
