Poker Run: May 19, 2007

Nate and Cheryle Derman

This will be, hopefully, our First Annual Poker Run. It will be a fund raiser for the club. If you have been to one of these before, you probably ride a motorcycle. It is exactly the same, but no beers or bikers!

We will be meeting at Tynan's Nissan on May 19, 2007 at 9:00 a.m. for donuts and coffee and our first poker draw. We will continue on as a group at approximately 9:30 a.m. to 3 or 4 more ZCCC discount participants to draw another card. Our last card to complete the winning poker hand will be drawn back at Tynan's. The winning hand, second place hand and worst hand will win a prize. We will also have a potluck lunch. A map will be provided at the beginning of the ride, but we will keep together in a group. So remember to bring your two-way radios.

The cost to participate will be \$10.00 for your first card, (the second card is \$5.00). If there are additional passengers in a vehicle they will pay the same to participate. There will be 3 cash prizes (1st, 2nd, and worst hand).

There will be a sign up sheet at both the April and May meetings. If you cannot attend a meeting, you can call either Nate at 720-937-6283 or Cheryle at 720-937-2437 to sign up as well.

This should be a great event. We hope to see you there.

President's Corner

The activities for ZCCC are accelerating.....much like most of us in our Z car! The month of April had two weekend events, in addition to our regular General Meeting.

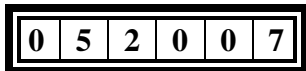

Tom Boyle, of Kenz and Leslie Distributors, talked to the club on April 4th. He described

the various additives that are available, and made suggestions on what to add to increase performance and keep our Zs running efficiently. I know many people stocked up on his products after the meeting to get ready for the summer activities.

Nate (see, I put you first) and Cheryle Derman hosted the Chili Cook-Off at Tynan's on Saturday, April 7th. As usual, our Colorado weather went from sunny and warm, to cold and snowy, for this event. It was a perfect evening to sample chili, eat cornbread and test some desserts. Congratulations to the winners, whose names and recipes are shown elsewhere in this newsletter. Also, thanks to Jay Kettering and Tynan's for allowing us to use their facilities (AGAIN).

That same Colorado weather caused some concern for our Second Annual Tax Day Drive on April 14th. We were supposed to get between 12"-18" of snow on the Thursday and Friday preceding the drive. Since weathercasters are the only people in the world who can be 50% right and still get raises, the storm did not materialize. Thirteen people, on the day after Friday the 13th, drove to Canon City to sample the wines of the Winery at Holy Cross Abbey. Thanks to Larry Oddo, CEO for his tour and hospitality. Afterwards, we had

The Odometer

lunch at Merlino's Belvedere restaurant and sampled some Italian cuisine.

Upcoming ZCCC events include: The First Ever ZCCC Poker Run on May 19th; Detailer's Paradise Interior Tech Session on May 26th; CSP Track Day on June 16th. And the Annual ZCCC Picnic on June 23rd. Please be sure to check the Club Calendar at www.zccc.org.

Some national Z events coming up are:

Branson Z Fest-May 10th-13th, Branson, MS.

ZCCA National Meeting-First week of October 2007, Daytona Beach, FL. Contact Mike Goddard for more details.

I would also like to take this opportunity to address a couple of "housekeeping" issues with the Membership.

We have had a couple of requests to try and find a meeting place that is a little more accessible and "user-friendly". I would welcome your comments and suggestions on this. Please talk with me at one of the events, or send me an e-mail through our web-site. If you have a concern, please also try to have a suggestion for solving it.

Secondly, I would like to request that we show a little more courtesy and respect to each other, and to our speakers, at the General Meeting. Not every speaker will be of interest to every Member, and that's OK. We all have a wide range of interests. If you are not that interested in the topic, please refrain from talking to other Members who may be. In addition, it is perfectly all right to move to the back and engage in QUIET conversation.

Most of our speakers are not "professional" and we need to give them our un-divided attention, and try to make it as easy as possible on them. This will allow us to be able

to continue to get speakers to come to our meetings and talk to us. Thanks in advance for your cooperation.

Professional Interior Detail Tech Session

May 26th

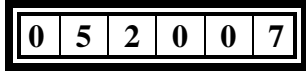

Carlos Tamayo

Hello everyone. Well it seems like spring is here again with grass turning green and the spring flowers starting to bloom. It is time we got those stored cars up and running, and to let the daily drivers get some TLC -- especially after the rough and crazy winter we had in Colorado. I have worked out an Interior Tech session with Nick Martinez at Detailers Paradise to help find out what works best to clean the leather, rubber, plastic, vinyl etc. and on what suffers the most (besides us) in the cold and dry environment we have here in this part of the country.

Nick Martinez will put information together, and we will actually be working on someones car to see how it works. Now remember, there are some things that cannot be cleaned or repaired, but it would be nice to see what will help with a quicker and better solution to what we use now. So come join me and other car club friends to get dirty and try some new chemicals and cleaning agents to help your car look its best on the inside this time.

Z Car Club of Colorado

The Odometer

We will meet on May 26th at 10:30 in the parking lot of Detailers Paradise on 1745 S. Broadway, Denver, CO 80210 (phone 303-722-5107). There is a large parking lot on the North side of the business, so pull in and park. After our tech session we will have lunch at a nearby restaurant for those who want to join in. If you have any questions please feel free to call me at 303-564-9011.

Saturday, June 16, 2007, Track Day

IMPORTANT TRACK DAY INFO PLEASE READ

Just as I was putting the finishing touches on the article for the June 16th track event, I received a distressing E-mail from the Colorado State Patrol canceling our upcoming track event. So I was forced to rewrite the entire article.

In our dealings with CSP they reserve the right to pull a confirmed track date if necessary. This time there was a previous booking for our date unknown to us (and forgotten by them) at the time we confirmed the ZCCC date. The earlier confirmed date is for a Special Olympics type event. It had also been confirmed a couple of months ahead of our date. Due to the change in command at the driving center, the date was never properly recorded and we were about to be bumped with no other track dates available.

The track committee had already gone to a lot of work to set the upcoming event up with a special added attraction and we were about to lose our June 16th track date. Never fear! We have managed to salvage a significant portion of the day. Our option was this or nothing.

The Z Car Club would like to thank Ian Lawless, head of the Special Olympics event. Without his help, our track event would not have happened. Through a flurry of phone calls and E-mails we were able to set up the track event in the below listed manner. We apologize for any problems this will cause but this was the best schedule we could set up under the circumstances.

I would also like to thank Pam & Gary for allowing a rewrite and the necessary time to correct this problem. We received our notice from CSP on the April 23rd -- the

article cut off date. If your ODOMETER was late, blame me.

Please understand that all concerned with the track event will have to work together to make this event work. It is an amended schedule, but we will be able to have the track from about 1:00 PM till dark.

The most important thing: participants can help us – be sure to have your car Tech'd before the June 16th event.

We have set up the below indicated dates for tech at the Bracken's home at 2487 S Dover Way, Lakewood, CO, 80227. Home Phone: 303-969-9964

In an effort to compensate all drivers, due to the unfortunate schedule change, ZCCC will reduce our track fees to \$45.00 for members and \$55.00 for non-members. We will also have a never-ever- been-on-track-before-fee for Z Car Club members of \$20.00.

2 nd tech session	June 14 th , Thursday	4PM

driving.

Due to the schedule change, ZCCC will be hosting a BBQ with burgers and brats for those who wish to stay for the performance driving class.

CHILI COOK OFF RECAP

Cheryle Derman

We had a good turn out, lots of great food and stimulating conversation. The winners of Linens N Things gift certificates for the "Runny Nose" chili was John Over, and the fabulous "Pineapple Millionaire Pie" was Charlotte Robertson. Door prizes were provided by Tynan's. Thank you to everyone who attended and thank you for all your help with set up and clean up.

24th Annual Cerebral Palsy Concours d'Elegance Car Show, June 10th

Larry Brooks

Can you believe it? Thanks to the incredible cooperation and support from all of the Denver area car clubs including Z Car Club of Colorado, Cerebral Palsy of Colorado this year will celebrate the 24th Annual Exotic Sports Car Show and Concours d' Elegance. Over \$592,000 for Cerebral Palsy of Colorado's children's programs has been raised.

The show is made possible through the joint efforts of **Z Car Club of Colorado, The Porsche Club of America/Rocky Mountain Region, Rocky Mountain Jaguar Club, Ferrari Club of America-Rocky Mountain Region, Mercedes-Benz Club of America Mile-High Section, Looking Glass Corvette Association, Rocky Mountain 356 Porsche Club, NSX Club of America-Southwest Region, Z Car Club of Colorado, Rocky Mountain Chapter-BMW Car Club of America, Mile High Chapter of S2KCA, Classic Car Club of America-Colorado Region, Rocky Mountain Saab Club of Colorado, Audi Car Club North America Rocky Mountain Chapter and Mile High Rotary Club.**

This year's event is scheduled for Sunday, June 10, 2007 on the front lawn of Arapahoe Community College, located at 5900 South Santa Fe Drive, in Littleton, Colorado. The show is open to spectators from 9:00 a.m. – 3:00 p.m., and awards will be presented at 2:00 p.m. This gala affair will feature the best and the most beautiful sports, exotic and classic automobiles ranging from early classic and collector cars to vintage and rare current models. If you have participated in the past, you know what an outstanding show this is! Our goal this year is to have 350 cars on display and to raise \$100,000.

There are several ways our club can help to make this event an overwhelming success. Participate by entering your Z car; you do not have to have your car judged, you can enter your car for display only. Tell all of your friends and family to come to the event as spectators. You can get other car club members interested in exhibiting a car. And, you can volunteer to help set-up or clean up the day of the event.

All cars will be placed in the following divisions:

1) Judged All judging will be done above the chassis, no wheel wells or under carriage scoring. Judging will be structured to help first-time exhibitors learn about car preparation for concours events. Cars will be divided and grouped into various classes based on make and year. **Please note:** Your car must be pre-registered by May 23, 2007 to be judged. If you register late or on the morning of the event, your car will not be judged.

2) Display Display only; no judging will be performed.

Don't delay. Space is limited, so send in your entry form today. The cost to register your car is only \$30 per car if you register before May 23, 2007. After, May 23, 2007, the cost to register a car is \$50.00. You will receive two adult admissions with each registration.

Remember, your car does not need to be a garage queen show car to participate in this event. What could be better than to spend a Sunday displaying your Z with other club members and viewing an incredible assortment of cars? This is the kind of event which makes our passion for our cars so enjoyable.

An entry form is included in this month's newsletter.

Won't you help us reach or exceed our goal and make this 24th year the best one yet? For additional information contact Sandy Mariani at CP of Colorado at 303-691-9339 ext. 32 or **Larry Brooks, Z Car Club of Colorado at 720-488-0222.**
