## Boulder Nissan is ZCCC New Sponsor

I am very happy to announce to the Z Car Club of Colorado that Boulder Nissan, located at 2285 28th St in Boulder, Colorado, (303) 443-8110, has agreed to be the new exclusive sponsor of the ZCCC. Boulder Nissan is offering us a 20% discount on parts and labor. ## President's Corner

May 2012

It looks like winter won't end, doesn't it? Freezing rain here as I write this, but I am sure summer will come... eventually. (Didn't Punxsutawney Phil promise us an early spring on Ground Hog Day? – Obviously he's just a rodent, not a meteorologist)

Well, we have a number of great events planned for when summer does come. On tap for the near future is the Sky Sox Baseball Picnic Party scheduled for May 26<sup>th</sup>, (tickets still available! Sign up ASAP so we can get a good head count), The C.P Concours D'Elegance June 9<sup>th</sup>, Claws for a Cause June 15<sup>th</sup>, The Z-Car Club Fun-Run Event June 22, and at the end of June, the Poker Run, and more being planned I'm sure. Apologies if I left anything out. There's still plenty of room on the schedule, so if you have any great ideas, even if you can't be a sponsor for it, let Judy know about them!

This next meeting, May 1<sup>st</sup>, will be a very important one, so please plan to attend if at all possible. Remember, it's being hosted by, and at Larry Miller Nissan in Highlands Ranch. If you show up at our normal watering hole, you'll be a bit lonely. We will be voting on the acceptance of the newly revised Club By-Laws. All of you should have received a notice and copy from a Google Blast about this already. PLEASE read them over and remember to submit your comments as soon as possible before the meeting. You can send them to me or any Board member and we will see that they get reviewed. So far, we have had a few great comments and have added a couple of changes which we will discuss at the meeting before the vote. We have a limited amount of discussion time allocated for this at the meeting, so it is important that you get your questions or comments to us now. We plan on only reviewing the pre-submitted comments and any changes. So that we can keep the meeting time under control, we won't have a lot of time to take new comments from the floor.

I understand we will also be visited by 'Don Juan Gordon' celebrating Cinco de Mayo. That should be a treat! (There will be NO siestas allowed! Probably the first time we can say: "No ZZZZZ's at this meeting!")

See you on May 1<sup>st</sup> at Larry Miller Nissan.

Scott

## Z-Car Club FUN RUN EVENT

June 22, 2013  
a.k.a. Track Day  
*Darrel Hoffman*

The time is getting closer for the ZCCC track/fun run/driver school. This is again sponsored by Boulder Nissan. Thanks to Jason Purdum and Boulder Nissan the drivers won't need to work corners and will leave us all with more track time.

Jason Purdum is a great car enthusiast and drives a very well prepared "Nissan GTR." You should check out this GTR!! There will be a lunch hour and still have more time on the track than previous events. This is a winning situation as far as I can tell and Jason is excited. So, if you have ever thought about coming to the track this is the one to attend.

Like last year there will be overnight parking Friday night. So if you want to take in an open lapping day on Friday you can spend the night and be at the track bright and early Saturday morning.

Tech sessions and locations to be announced.

Let's get our cars tech'd prior to track day as it will save you and I a lot of time the morning of the event. It is an hour and fifteen minutes from my house to the track. Take my word for it you will like having tech done early. Besides it is a long way to the parts store to correct some minor problem.

If you have any questions, please contact Darrel Hoffman (720-273-4385, [dlh2460@aol.com](mailto:dlh2460@aol.com)) or Brian Baumbach ([bdbaumbach@hotmail.com](mailto:bdbaumbach@hotmail.com)).

## Poker Run

*Nate Derman*

June 29, 2013. This terrific driving event is back. There will be prizes, live music, BBQ lunch and wine tasting. Watch the Odometer for details as they unfold.

## ATTENTION ALL ZCCC MEMBERS:::

May 31<sup>st</sup> thru June 2nd 2013

*Diana Inberg*

The Nebraska Z Car Club has issued a challenge. The challenge is to see how many more members from Nebraska or Colorado will be attending the Branson Z Fest this year. So all you Colorado Z car lovers, plan on attending. We don't want the Nebraska "Z sters" to win. We must. I'm sure there will be some sort of awesome prize involved. ????

The Branson Z Fest is of course in Branson, Missouri, May 31<sup>st</sup> thru June 2nd 2013. Their web site is not up yet to register, but I am on their e-mail list to keep me informed on when registration can begin. You can also go to Face book to see some of the past Z Fests videos etc. search for "Branson Z Fest".

As of right now, I know of 2 from Colorado going. This will not do. Come on everyone, commit to a wonderful time driving to Missouri and enjoy a 3 day party. I have been to several Z fest but not the Branson Z Fest. All of them have been great fun and the people you meet are wonderful.

So once again ZCCC members now is the time to plan for this event. We don't want to be out numbered by the Nebraska Z Car Club, we can win this challenge.

I will keep the club informed about registration, hotels, the drive out there and back.

Get ready to roll!

Thanks for listening,  
Diana Inberg

## C.P. Concours D'Elegance

June 9, 2012

*Fred Minister*

June 9th is getting closer and the time to register your car is drawing to a close. This is the 30th year of the show and looks to be even bigger than last year. Please go on the CP web site for the information that you need.

We are in need of volunteers for various jobs on the day before the show and on the day of the show, please if you can sign up to help a very worthy cause.

We will also need some people that would be willing to act as judges for the cars in our club that are being judged. We will be judging only our own cars.

There is going to be a new way of entering the show, we will enter from the North side of the campus at the light, this will free up the problem of backing up traffic on So. Santa Fe Dr.

I will have a map and written directions in the June Odometer to make sure that I have the latest information on the show. If you know of anyone who would like to become a sponsor, or place an ad for their business I have the form for that purpose.

Again please register your car and join the party we always seem to have a good time and enjoy some great cars.

### "What does a flywheel do? Why buy a flywheel?"

A flywheel is a component of your clutch assembly, and can make a huge difference in how your car responds when you press the gas pedal. Lightened flywheels are made out of aluminum which reduces the rotating mass by dramatically trimming weight as compared to your heavy factory OEM flywheel. Because the lighter flywheel has less inertia, the engine doesn't need that much torque (power) to spin the flywheel to reach the certain rpm. The result is your car's rpm will increase faster. Additionally, the reduced weight alone will give you a bump in power."

I've seen just the clutch for anywhere from \$475 to \$670 and the flywheel for \$425 to \$530. Original price for the pair: \$900. Sacrifice at **\$550** or make a reasonable offer. Ira Sanders - 303 278 7172/ zroadrunner14@gmail.com 5/2013
