Final Second Creek Event By Gary Bracken

For more than a dozen years, the Z Car Club of Colorado has hosted track events at Second Creek Raceway, a terrific 1.7-mile road course near Denver International Airport. Saturday, **September 10th, 2005** will be our final visit to this venue.

Those of you have hot-lapped your Z on this course know what a stimulating, 9-turn drive it is, and I'm certain you will want to be there for this last hurrah. If you've not yet had the pleasure of driving at Second Creek, please take advantage of this – your last – opportunity. I guarantee you will not regret it.

As usual, we will have 4 run groups: Novice, Intermediate, Advanced and Expert. This arrangement allows everyone to be on the track with others driving at similar speeds. And, believe me, you'll have plenty of time on the track. Those who run with their group all day will have an hour and 20 minutes on the course. That's a LOT of track time, and I'm betting you'll treasure every moment of it!

To assure that your Z is trackworthy -- and for your convenience -- we will have technical safety inspection on Sunday, August 28th (1 to 5 p.m.) and again on **Wednesday, September 7th**. For information on the tech inspection, please contact Roy Davis (303-445-3055; co300zxt@hotmail.com) or me (303-969-9964; gbracken2487@comcast.net). (Continued on page 9).

John Bilodeau's Prez's Letter

With the short window to meet July's deadline I failed to learn of the final Concours d'Elegance Car Show judging results. I did mention that Roy Davis earned an award but failed to mention that Carlos Tamayo was awarded first place and Roy Davis was awarded second place in the 1990 to 1993 Z-Class. Also, I failed to mention that Ben Millspaugh won first place and Dick Spear second place in the 1994 to 2005 Z-Class competition. Congratulations to these four individuals for their hard work preparing for the show. Please excuse the unintentional blunder on my part. Next year I better wait until all the awards are announced before I leave the show, otherwise I will have egg on my face again.

Thanks to Mike Goddard for coordinating our Bandimere go-cart event. The good news is that the Z-Club defeated the Tynan's folk and THEY and not us will be flipping burgers at this year's Shine and Show at Tynan's on September 17. We changed the rules this year to make the judging more equitable to both teams. The top 3 times from each team were averaged and used to determine the overall winner. If my memory serves me correctly, the Z-Club won by almost a full second. Congratulations Z-Club go-carters on a resounding victory. Now we can enjoy the Shine and Show more because the cooking chores are not ours this year. Remember to stop by and remind Jay Kettering of Tynan's to keep a dutiful eye on all the cooking activities this year. I also want to impress upon all members that a great turnout is needed for this year's Shine and Show. Tynan's goes to great lengths to make this a fun day for the Club and we need to reciprocate by having plenty of Z's on their lot for their efforts. They always provide great door prizes, food, and genuine hospitality to the Club so please plan on attending this year's event. Remember your car does not have to be perfect, just wash and clean it up like you do any other time and come on out. It does not have to be spotless. The important point is just to participate. The more Z-Cars there are the more "street traffic" will be attracted to Tynan's and that is what it is all about. Lets support Tynan's our Club sponsor the best we can on September 17.

I want to give Gary Bracken and his entire team a big thank you for coordinating an especially fun 2nd Creek track event. We even got Ron Gardner to man the tower for the event and he did a superb job. Also, thanks Pam Bracken, Marilyn Slayton, Mike Goddard, Dick Spear and the other track committee members for hosting a great event. Do not forget the Club also has a second track day at 2nd Creek on September 10. This is the last time the Z-Club will have an event at 2nd Creek due to its demise at the end of October.

At our July general meeting we had some concerns related to our Sears Discount. I want to emphasize that this discount is very beneficial but let's remember that we need to give the Sears personnel the correct data in order for them to look

Z Car Club of Colorado

up the Club's discount. Confusion seems to occur when members call and ask for pricing details over the phone and the Sears employee can not seem to find the Club's name on their commercial account data base. I would recommend that instead of phone calls, drive over to your nearest Sears store and talk to their Staff in person. This way you can present them with your Z-Club membership card and you can tell them that the discount is under "Z Car Club of Colorado". We all know that computerized data bases are great, but sometimes if you do not give them the information exactly as it is on their data base you will get a "can not find" message. I think this is what some of our members are experiencing over the phone. If there are future "in-person" problems let me know and I will touch base with Dan Turner of Sears. He is very accommodating but we need to give accurate information to Sears in order for them to give us proper service.

I also want to express the Club's condolences to Patty Troxell on the death of her mother back in Minnesota. I know since our June picnic that Patty's Mom was not doing well and her declining health was of great concern to Patty. But even with all this on her mind, Patty performed her Club duties very diligently, and we appreciate all of her efforts. When you see Patty at the next Club event, give her a few words of encouragement. I know she will appreciate them.

Please refer to the Odometer for all the activities planned for the summer. Patty Troxell has scheduled a tremendous slate of activities. There are a number of events planned so check out the event's calendar for places, dates and times. Remember to contact Patty Troxell about scheduling any upcoming events. Finally, just a reminder to Board Members, the June's Board meeting will be at **6:15 pm at Brooklyn's just prior to our 7:10 pm General Meeting on Wednesday, August 3, 2005.**

Minutes of General Club Meeting for July 6, 2005 by Ira Sanders

New Members attending the meeting:

Dave Longblock, 1971 240Z; John and Bonnie Valentine; Nick Bucheff, 1985 300ZX Turbo, 1982

280 ZX, and a 1991 300ZX Turbo; Bud Richie, 1994 300ZX Convertible; John, 1985 300ZX w/ 276,000 miles; and Susan Gormall, 2005 350Z Convertible. **Treasurer's report:** \$11,720 in checking and YTD we are -\$1334 for income. **Membership:** Approximately 200 members. **Secretary:** Minutes for June were adopted. **Interclub Liaison:** Joanne wants to set up a car multiclub car show. **Vice-president:** Upcoming events – July 23, track day at the State Patrol track in Golden; The Ft. Laramie trip has been postponed and the Bishops Castle trip has been moved to August 27; August 21, is the Budweiser Tour; September 17 is the Shine and Show at Tynan's and we need a real big turnout for this event, to show our appreciation of their sponsorship of the ZCCC. There will not be any judging of cars this year; September 24 weekend is the Palisade Wine Tour; and October 8, is the banquet. Public Relations: There have been 3 problems using the Sears discount. Make sure you tell them this is a commercial account for ZCCC. Any problems, contact John Bilodeau, president. At the Go-Cart event, ZCCC beat Tynan's by 1 second. Our ringer beat their ringer. The Got Z get together sounded like a huge success with 22 persons from out of state. The Denver Grand Prix is August 13. David Muramoto was the featured speaker. He detailed his present project of building a 350Z race car. He brought the car to the meeting though he couldn't get it off the trailer in the parking lot. The 50/50 had \$117. \$58 was the prize.

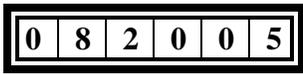

Thanks!

I would like to thank the club for the beautiful plant arrangement sent to me in memory of my mother who passed away July 7, 2005. Your thoughtfulness is greatly appreciated. *Patty Troxell*

Active Member Award Point Check By Patty Troxell

The year is coming to a close and it's time to do a "point" check. Points are awarded to club members throughout the year. At the Annual Banquet, members with 15 or more points are given the Active Member award and the member with the most points will receive the Most Active Member award. One point is given when you attend the general meeting or an event. Four points are given if one person chairs an event and two points per person if you co-chair an event. The following members have 9 points or more through 7-16-05 with the exception of the Second Creek Track Event. I am in the process of obtaining the sign-in sheet for that event **Bilodeau, John 24; Bilodeau, RoseAnn 14; Brandum, Mary 13; Brooks, Donna 10; Brooks, Larry 11; Carlson, Debbie 15; Cressman, Ken 11; Daniels, Dave 14; Davis, Roy 12; Eaton, Lois 13; Eaton, Steve 16; Gardner, Ron 30; Goddard, Mike 16; Givens, Bobby 14; Givens, Cher 20; Goldsmith, Susan 12; Hargrave, Nolan 12; Hoffman, Darrel 13; Leuthauser, Henry 18; McHugh, Ed 20; O'Connor, Tim 13; Paprocki, Stan 10; Rodriguez, Kisha 9; Rodriguez, Lee 9; Sanders,**

Ira 17; Sanders, Tammy 23; Slayton, Marilyn 16; Spear, Dick 33; Tamayo, Carlos 13; Taylor, Phil 14; Troxell, Larry 28; Troxell, Patty 30; Williams, Craig 18; Williams, Linda 14.

AUGUST'S BIRTHDAYS - John Arnold, Charlie Bernstein, Debbie Carlson, James Crosby, Margo Crosby, Ronald Flowers, Robbie Kemp, Jeremy McCreary, Kathy McCreary, Darin Mullen, Bob Nixon, Jennifer Olivas, Kevin O'Shea, Bruce Over, Robyn Owens, Stan Paprocki, James Smith, Michael Weichel, Dex Welden, Sherry Woodard

Slate of Officer Candidates, 2005/2006

Anyone interested in running for one of these positions can do so by being nominated at the general meeting in August. Open nominations from the floor will be accepted at that meeting only. **The election of officers will be held at the general meeting in September.**

Dyno Day at Redline Motorsports

By Dick Spear

On July 9 seven cars from ZCCC appeared at Redline Motorsports in Fort Collins to see how much horsepower they were really putting out at the rear wheels. Some people were happy and some sad. They shall remain nameless.

It was a great day, we finished by one o'clock and we didn't have to spend lots of money thanks to Scott of Redline.

One sad note; Scott is selling Redline and it will probably be shut down by the end of August. Our thanks go out to him for giving us the opportunity over the last three years to use his facility.

Thanks and good luck in the future.

August-Inter-Club Shine 'n Show at Better Bodies Fitness Center by JoAnn Sainz-Dean

Come one, come all. It's time to clean up the cars & show them off. Daily drivers welcome! It's all in the fun & admiration we share in our love for our automobiles. So, come out on Saturday, **August 20th, 10 am - 3 pm**. Location: Better Bodies Fitness Centers, 7777 W. Jewell Ave., Lakewood, CO (West of Wadsworth & North side of Jewell Ave.). Park nose front to Jewell Ave. in the parking lot between Arby's & Wendy's. If you have any questions, please call me, JoAnn, Inter-Club Liaison, Cell 303-550-9594.

THIS BUD IS FOR YOU

By Ron Gardner (Continued from page 12)

Weather permitting, their outdoor patio will be available. After the group has their first sample, there will be three drawings for gift cards that can be use in the gift shop. You must be present to win.

There is a self-guided tour of the Budweiser Clydesdales. The Fort Collins location is now a training facility for these magnificent horses. Since it is a Sunday, "training" will not be going on but you'll still have an opportunity to see them up close and personal.

Following the sampling and drawing(s), you are on your own. No group return drive to Denver has been planned. There are lots to see and do in Fort Collins and there are some wonderful restaurants for those that might like to stay for dinner and avoid the I-25 traffic usually experienced on a Sunday afternoon.

See you on the 21st.

Bishop's Castle (Pueblo area) day trip by Cheryle Derman

Here is the ride information. The castle is constructed with 60,000 tons of rock, iron and concrete with cathedral ceilings, stained glass and walkways between two towers and even a dragon. Breathtaking views and a beautiful drive await all.

We will meet at **8:00 a.m., August 27**, at King Soopers in Ragatta Plaza 3190 S. Parker Road (225 and Parker Road). They have a Starbucks. We will leave at approximately 8:30 or when everyone has arrived. We will proceed South on 225 to South

on I25 to Colorado Springs where we will go to Starbucks at 7650 S. Academy Blvd. Exit South on Academy Blvd., past 3 lights. Meet us there around 9:30 if you are coming from the South. A lunch location will be provided on the day of the ride. We will then proceed to Bishops Castle Highway 165.

The scenic route is from Canon City Hwy 115 South to Florence right on Hwy 67, right on 96 in Wetmore at the next Junction turn left onto Hwy 165. It is 12 miles down the road. For more information call 719-485-3040 and visit the web site

www.royalgorgecountry.com/bishops_castle.html.

This is approximately 3-1/2 hours with stops.

Wear climbing shoes and prepare for some heights if you dare. This is all outdoors and is free. It will be a self-guided tour and you may stay as long as you wish. If we decide to go to lunch, we will pick a spot in Pueblo after the castle. For more questions, call Cheryle Derman 303-695-1099.

Second Creek Raceway Replacement By Dick Spear

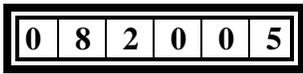

Here is a news release from Colorado Amateur Motorsports Associates, LLC (CAMA) of which Z Car Club of Colorado is a member, about the completion and signing of a Memorandum of Understanding for a new track that will replace Second Creek Raceway.

With everything falling into place, and no glitches, the best case time estimate would probably have the track ready for driving Spring of 2007.

Subject: News Release to CAMA Members, July 15, 2005

We are very pleased to announce the completion of a Memorandum of Understanding (MOU) that lays the foundation for a new 'home track' for amateur road racing in the Denver metro area. Colorado Amateur Motorsports Associates, LLC (CAMA) has signed an MOU which will enable Sutton International Motorsports, LLC, an affiliate of Centrix Financial, LLC, to build and own the new track project we undertook two years ago. Sutton Motorsports has expressed a genuine interest in the health and growth of amateur road racing in the area, and it's their intention to build a facility that will surpass our wildest dreams. They have contracted CAMA to be their 'anchor tenant' in the project and will be designating portions of the facility that will serve as our 'home track'.

Unlike most motorsport facilities where individual clubs have to compete for dates, the Sutton Motorsports

facility will be available to CAMA with long term guarantees which will allow CAMA to control scheduling, rental fees and types of use, so long as we collectively meet our annual lease commitments. Sutton Motorsports is involved in auto racing ventures on a variety of levels, and hopes to provide opportunity for more people to realize the race experience. It has long been Sutton Motorsports' dream to build a first-class road race facility, not for professional spectator events, but rather for the entertainment of their customers, for professional motor sport testing and amateur use. They are genuinely enthused about this usage model and we feel it presents an opportunity to market Colorado road racing on a national level and build the memberships of our amateur clubs.

In 1998, five area groups joined together to purchase the lease of Second Creek Raceway (SCR). These five were:

- Rocky Mountain Vintage Racing, Ltd. (RMVR)
- Motorcycle Roadracing Association inc. (MRA)
- Rocky Mountain Region Porsche Club of America, Inc (PCA)
- Colorado Region Sports Car Club of America, Inc. (SCCA)
- Multi-Car Club Alliance inc. (MCCA)

(The MCCA consists of eight clubs, including: Alfa Club of Colorado; Audi Club North America-Rocky Mountain Chapter; BMW Car Club of America – Rock Mountain Chapter; Shelby American Automobile Club – Colorado Regional Chapter; Lotus Colorado; Mercedes Benz Club of America-Mile-High Section; Viper Club – Colorado Region; and Z Car Club of Colorado.)

These five “charter member” groups provided an initial investment of \$20,000 each and a commitment to improve and utilize the SCR facility. A committee of representatives of each of the five clubs was formed to provide the oversight and management of the track. The track was resurfaced and the facilities expanded over the next few years, and our Motorsports community has enjoyed the use of a vastly improved Second Creek Raceway from 1999 through 2005. We all owe a great deal of appreciation to the people whose efforts made this possible: John Arnold and Jerry Schouten, CMC; Jim Christian, SCCA; Denny Burke, MRA; Chick Misura, PCA; John Obialero, RMVR; and Todd Eyster, MCCA.

When discussions to replace SCR began in early 2003, many options were presented. Ultimately, it was concluded that the new facility should be held by a separate entity and, in December 2003, CAMA was incorporated with the same five equal members (partners). CAMA made progress throughout 2004, cementing organizational structure and pursuing properties within our geographical goals. We lost a valuable motivator to our cause with the passing of Danny Collins who had served as the first official Manager of CAMA. In January of 2005, we were able to secure a contract for a 320-acre parcel, which we believe has the perfect zoning

environment for our facility. This land is near the Front Range Airport, surrounded by commercially zoned land and a short (25 minute) drive from the Mousetrap. (Please don't visit the site until we complete permitting, which could stretch into early 2006--it is still a working farm with residents, and any irritation could affect the permitting process.) The five member groups have made and will continue to invest funds into CAMA, primarily utilizing excess rents generated by SCR and returned to the clubs for the intention of growing motorsports in the Denver area. The future usage of these funds will be at the direction of the five clubs and is yet to be determined. Possibilities envisioned include marketing efforts to promote our sport; providing security to our lease commitments; and accommodating other amateur club needs at the new facility.

The agreements encompassing the “anchor tenant” program with CAMA will provide a continuation of the weekend scheduling so successful at SCR. This agreement also ensures that all clubs, large and small, have access to the facility. Further, the agreements give the CAMA clubs long-term security through financial or ownership changes. We even have first rights to buy the facility if such an opportunity were to develop down the road.

The CAMA management team and the Boards of all the member clubs are very excited about our new relationship with Sutton Motorsports. We are confident that we have found a relationship to provide our new ‘home’ for many years to come.

This release has been partially edited due to space limitations. If you desire the full text of the news release please email me at dicksnco@aol.com and I will email you a copy.

exclusively serviced at Tynan's, all original, located in Denver, \$12,500 OBO, contact Steve 917-744-5756 (days and evenings), 303-388-7864 (evenings only). (Last posted month **August**)

Above. These custom **Genelle Genoa's** will set your Z apart from all the rest. They look good, they feel good, and they attract lots of attention. By the way, isn't that why you bought the Z in the first place. The wheels are 19"x 9" accommodated with Nitto tires. The tires have only about 1500 miles on them, plenty of tread left. The size of the tires are 265-35 x 19" in the rear, and 225-35 x 19" in the front. If you haven't changed out your brake calipers and you still have the stock one's, they'll fit your ride. I have close to \$4000.00 invested in just the wheels, but you can buy the whole package for **\$2600.00**. That would include, wheels, tires, lugs, and locks. Be the first to **call Perry @ 720 641-5343**. (Last posted month August)

240 Z Parts

The following are original parts and came off of a 1971 240 Z except where noted. Most are in good to excellent shape except as noted. A means not available thru Z parts suppliers Most prices are about 3/4 of Z suppliers but I will take best offer. Shipping not included. call Jim at 303-564-5502. Please allow one week after purchase to receive a print due to printing time. These pencil drawings have been made prints through the process of *giclée*. The *giclée* printing process involves squirting microscopic dots of ink onto fine quality paper. The inks are actually absorbed slightly and blend to create fine art reproductions that are often indistinguishable from the originals. The artwork is printed on 250 gram, 100% cotton rag, acid-free, fine art paper that will hold it's true color and vibrancy for more than a lifetime. **Prints are 11x14 for framing and are \$35+\$5 for shipping=\$40 total.** (Last posted month October).

Email or mail the Ad/picture and Chris will hold the Ad pending receipt of the check.

Final Second Creek Event (continued from page 1)

The Track Registration Form elsewhere in this issue of the *Odometer specifies* clothing, helmet and other requirements for this event. We sincerely hope you will join us September 10th, not only to drive this revered racetrack, but also to celebrate the longest-running annual car event in ZCCC history.

Finally, my heartfelt thanks to the ZCCC members who have made this event a success over the years. I will name all of them (to the best of my memory) in the event report that will appear in the October edition of the Odometer. In the meantime, please know that you are appreciated by all of us!

(The banquet will replace the regular monthly meeting for October)

**Green Gables Country Club
6800 W. Jewell Ave.
Lakewood, CO 80232**

(303-985-4433, East of Wadsworth Blvd. on the South side of Jewell Ave.)

This is not just “another” car club event! This is our Annual Z Car Club of Colorado **“Recognition Awards Ceremony”**. We would love to see you & yours at this special event. After all...isn't it time for a night out to enjoy a wonderful dinner with music & friends! So, don't be shy & join us for a night of celebration.

As the evening begins at 6 p.m., everyone will be pleasantly surprised with the elegant surroundings, a warm fire in the fireplace, music & drinks. We will have a cash bar at 6 p.m. & dinner following at 7 p.m.

Dinner selection choices are: Prime Rib, Chicken with mushroom sauce, or Salmon with rosemary yogurt & black pepper crust, salad, chef choice of vegetables & potato. Coffee, tea & ice tea are included. Desert is an apple cobbler with vanilla ice cream & caramel sauce. **Price per person is \$35.00.** Make sure to register early!

Return the coupon below with your dinner selection(s) along with your check payable to ZCCC, c/o JoAnn Sainz-Dean, 1878C So. Ammons St., Lakewood, CO 80232, **NO LATER THAN September 28, 2005.** If you have any questions, please contact: JoAnn Sainz-Dean at 303-985-9296.

We look forward to seeing you & your guest for this special occasion. Remember to bring your ZCCC nametag if you have one.

THIS BUD IS FOR YOU by Ron Gardner

This familiar Budweiser ad seemed like a natural to catch your attention regarding the **Sunday, August 21st** drive to Fort Collins and brewery tour. For the details, read on--

We'll meet at the Starbucks located on the SWC of 73rd and Federal between 8 and 8:15am. For those of you that participated in the March Celestial Seasons event, you will already know this location. A participants meeting will be held at 8:15 and departure is scheduled for 8:30.

In addition to the brewery tour, this is also a driving a event. Total distance will be between 250 and 300 miles depending on where you live in the DenMet area. It is suggested that you arrive at the meeting location with a full tank of fuel. Expect some open road driving as a slightly different route to Fort Collins has been selected. Not to worry, there will be one rest stop along the way to allow you to jettison some of the Starbucks taken on at the meeting location.

Arrival in Fort Collins should be between 11:30 and 11:45. We'll lunch in a unique Fort Collins restaurant. You'll be able order off of the menu and separate checks has been arranged.

Following lunch, we'll proceed to the Budweiser Brewery where a private group tour (a minimum of 12 is required) has been arranged to start between 1 and 1:15. The tour will take between 1 and 1.5 hours to complete. It will cover about 1 mile of walking but there are no stairs involved. The last stop of the tour will find us in the taproom where you'll be able to sample some of Budweiser's finest (maximum of two samples allowed so choose wisely). (Continued on page 5)

Up Coming Events
