19th Annual ZCCC Banquet October 4th! By Mike Goddard

You and your guest are cordially invited to the Annual ZCCC Banquet to be held **October 4th, 2003**. This year marks #19 of these annual celebrations. Each has been a very special occasion for socializing and celebrating our mutual interests in things Z. An integral part of the event is recognition of new members, and of members who have contributed substantially to the club's well being by planning and/or participating in events.

This year's event will be held at the **Gateway to the Rockies Conference and Event Center in Aurora**. Please see the registration form on **page 9** for details.

Please join us for this, our most special yearly event. I know we are all especially pleased that this year we can finally celebrate the return of the Z to showrooms (and garages) across America!

Your presence will enhance the occasion significantly!

Directions: Colfax Avenue to Potomac (just W. of I-225), N. on Potomac St., W. on E. 17th Place to 13659 E. 17th Place (from E. 17th Pl., turn right on Xanadu Street, then right into the parking lot.). If you get lost, call (303) 366-6600 for directions.

From the President's Pen....

In the last few months, you have heard me and John Arnold, President of CMC (Colorado Motorsports Council), saying how money is needed to build a new Front Range racetrack to replace Second Creek Raceway. As of August 12th, money donations are no longer required because a new racetrack is not in the foreseeable future. In the past three months, certain parties have worked against the racetrack development plan that John Arnold has worked on for the last year and a half. Their work has now paid off for themselves.

During those last three months I have attended four meetings that were to finalize plans to build a new racetrack for the Front Range. At each of these meetings very little was discussed about the new racetrack. They were meetings based on power, control, profit, character assassination, and the crucifixion of John Arnold. Those meetings worked for the parties working against a replacement racetrack. John Arnold was on the Board of Directors for Second Creek Raceway and President of CMC. Todd Eyster was the BMW Car Club representative to CMC and on the Second Creek Raceway Board of Directors. Both John Arnold and Todd Eyster now have both resigned their respective positions. In addition, the Treasurer of CMC, and representatives to the Second Creek Board of Directors from Rocky Mountain Vintage Racing, and Porsche Club of America are rumored to either be resigning or replaced in the near future.

CMC and the Second Creek Raceway Board of directors have run Second Creek without question and

lots of improvements in the last eight years. What happened in the last three months to kill the development of a new racetrack?

For some people to fill their needs for money, power and control the majority of car club members in the Front Range, well over 2000, have lost a 2005 replacement racetrack. Greater than the racetrack loss they have also lost people whom, through volunteer efforts, put in not only a lot of their own time and knowledge but, also their hearts. Those people will be very hard to replace.

What does all this mean to ZCCC? First, it appears that after November of 2004 we won't have a local racetrack to drive on. We will have the Colorado State Patrol track but that is not a racetrack. Secondly, results from all of the work that John Arnold has done on acquiring land, money, and county commissioners approval is now gone with the takeover of CMC and Second Creek Raceway. A new Front Range racetrack is not a reality for at least two years from now.

As President of ZCCC I, like most members, feel that the Front Range needs a replacement racetrack. Also, it is my feeling that in the future ZCCC will stand behind efforts to build a track that will be run much like Second Creek Raceway. However, ZCCC does not want for a profit racetrack corporation and ZCCC will not **donate** money to that corporation.

***Happy Trails,
Dick***

Returning Member: Steve Watson owns a 1971 240Z.

Officer's Reports:

Vice-President – Bob Bush

- Colorado State Patrol Track Event was fun, lots of high speed, but a low turnout for the event. Will advertise more next year.

Secretary – Cher Givens

- No report

Membership – Bobby Givens

- The Club has 12 new members; we lost 4 members and now have 197 active members in the Club.

Treasurer – Larry Brooks

- Not present
- We still have money in the account.

Odometer – Chris Abrue

- Not present

Inter Club Liaison – Joann Sainz-Dean

- No report

Public Relations – Rob Ellison

- Not present

Webmaster – Walt Caron

- He has a new 5.4-liter 280Z and has it in the parking lot for all to see.

Upcoming Events:

- Mike Goddard** cannot get Action Carting at Bandimere to return his calls, but he will keep trying. They have a new 1-mile track and it should be fun. He will try for a date in October when the weather is a little cooler for all the gear you have to wear when driving the carts.
- The Rocky Mountain Regional Meet has had some email activity as of late, but the enrollment is low. Numbers will not be tallied until later this week. The t-shirts have been ordered. August 27th will be the last meeting of the committee before the Regional Meet.
- Slot Car Event will be Saturday August 9th.

- The Annual Banquet will be October 4th at the Gateway to the Rockies Conference and Event Center in Aurora. Registration forms were passed out at the meeting and a form will be in the September Odometer.
- The Annual Barbeque will not be held this October.**
- Dyno-Testing at Red Line Motor Sports in Fort Collins on September 20th. The cost for less than 10 cars will be \$45 per car, which includes 3 runs. There will be a discount if there are more than 11 cars that participate. Directions will be in the September Odometer.
 - Wine Tour to Palisade/Grand Junction will be September 27th. Lunch will be in Kremmling. Read article in August or September Odometer for lodging information.
 - There is also going to be a day trip to Mountain Spirits Winery on October 18th.
 - There will be three ski trips planned this year: January to Loveland, February to Leadville, and April 10th to Aspen. So, be looking for upcoming articles on these events.
- The September Meeting date will be the 10th (second Wednesday).**

Old Business

- The floor was opened for nominations for the upcoming Board Elections. None were received and the nominations were closed.
- Dick Spear:** The club is going to have a fee that is being established at a meeting of the Motor Sports Organization this evening. Our fee will probably stand at \$15,000.

New Business

- Election of the New Board will be on September 10th at the General Meeting.
- Jeremiah Lancaster has **invited the ZCCC to the Echo Lake Lodge on Mount Evans for breakfast or lunch on September 13th**. More information will be in the September Odometer. It cost \$10 to go to the top of Mt. Evans.

Door Prizes

- 50/50 won by Carlos

Guest Speaker

- Dick Krause brought a DVD on the Ferrari drive through Paris at about 180 MPH. It was a remarkable run through roundabouts, narrow streets, pedestrians that did get out of the way (though you did wonder if they would), and trash truck encounters. Thanks for sharing this

DVD with us Dick. Thanks to Carlos for bringing his equipment so, we could enjoy this DVD. The DVD was called Cetaït un Rendezvous by Claude LeLouch.

ROCKY MOUNTAIN REGIONAL

MEET September 3-6th by Mike Goddard, Event Chairperson

Greetings from the Z Car Club of Colorado. I'm sure most of you have seen our ad in Sport Z Magazine (June issue 03 pg 50). We are hosting a regional meet in September. If you haven't registered yet, you need to do so soon as we have a limited number of track event spaces left. Check us out at zccc.org (regional meet).

We have arranged a fun filled weekend Sept 3rd thru the 6th 2003. Included in this package is The Renaissance Hotel at a unbelievable \$59.00 a night per couple. There will also be two scheduled car museum tours, a daylong mountain drive through the Rocky Mountains, Sponsor gifts, Shine & Show, and a brief look at the history of the Z Car by Ben Millspaugh (Ben is a contributing writer for Sport Z Magazine). A SCCA National Champion will provide useful track driving tips. A track event will round out

Z Car Club of Colorado

The Odometer

the weekend with a Cajun food cookout after the track event.

Believe it or not, we are going to do all of this in just 4 days. The best part is it won't cost you a lot. Come join us for what is sure to be a memorable, fun filled event.

DYNO DAY Testing by Dick Spear

Curious about how much horsepower your car is really putting out at the rear wheels? Well, **Saturday September 20, 2003 at 9:00 AM** is when you can find out the real deal. Redline Motorsports, a high end import and domestic performance shop in Fort Collins, has designated the 20th of Sept. as ZCCC's day on the dyno (dynamometer). The dyno shows how much horsepower you are getting at the rear wheels not at the flywheel where the factory rates horsepower.

Now you ask, how much is this going to cost. Well, pricing for three runs on a dyno in the Front Range is anywhere from \$65 to \$100 dollars. Redline has offered ZCCC a great deal. If we have 15 or less vehicles show up you'll be able to get three runs on Redline's dyno for \$45. If we have more than 15 vehicles show up the price drops to \$40 for 3 runs. These vehicles don't have to be Z cars. If you choose to take three runs between each run you can adjust timing, boost, and anything else you think will make you go faster. At the end of each run, you'll get a report graphically showing horsepower, torque and rpm. In addition, if you so choose, Redline will give you a report on the car's fuel/air ratio readings during each run.

Scott and/or Steve from Redline Motorsports will be guest speakers at our General Meeting on Sept. 10th to answer any questions that you may have about running your car on the dyno. In addition, they'll bring some goodies and a few dyno gift certificates that will be given away as door prizes at the meeting.

This is a great opportunity, especially for bragging rights; to find out how much horsepower your car is really putting out. It's also good for setting a baseline before making any performance improvements to your car. See you at the General Meeting on the 10th and at Redline Motorsports, Sept. 20th at 9:00 AM.

Directions:

I-25 North to Prospect Rd. exit. (next exit after Harmony Road exit)

West on Prospect for approximately 2 miles till you come to Timberline.

Left on Timberline Rd.

Go approximately ¼ mile South on Timberline till you come to 1925 Timberline. It will be on the right hand side of Timberline on the top of the hill. There is a Redline Motorsports sign on Timberline next to the entrance. Redline Motorsports is in Suite S4A.

ZCCC/ Tynan's Go Cart Challenge

& Pizza by Michael Goddard

It took awhile but we have finally set up a Go Cart event. Once again, it

will be held at Bandimere Speedway. There have been several modifications to the operation and to the track. The track has been lengthened to just over .6 mile and the operation is now headed up by a new organization.

The details are as follows: The date is set for **September 26th at 6:00 P.M.** The event will be held at Bandimere Speedway, enter at Gate B and follow the Action Karting signs to the north end of the Parking lot. The first heat is \$25.00 and each following heat is \$20.00. The additional \$5.00 is due to a up front insurance cost, but once you pay the initial insurance you are good to go for as many heats as you want at \$20.00.

This is a better bargain than the last go cart event because the laps have been increased from twelve to twenty laps and the track is longer, this equals more speed and more driving time.

The Bet, Top three times from Tynan's & ZCCC. Due to a full schedule this last summer we did not have a BBQ so the usual flipping burgers bet is out. The bet this year is who will serve desert at the Annual Banquet. I think Daryl & Jay will look good serving desert.

Safety is always an issue when you have motors, wheels and humans. We are required to wear helmets and driving suits. If you have your own helmet &

Z Car Club of Colorado

driving suit you can bring it, otherwise Action Karting will provide for safety equipment. If you display reckless driving habits, you will be removed from the track. **We are not racing each other; we are racing the clock.**

We have decided to add Pizza for all of the racers & guest. Please make a fair contribution to the pizza kitty. Moreover, remember the drivers who are out on the track when the Pizza arrives.

Most of all have fun & be safe!

Western Wine Tours by Patty Troxell

We're off to visit our favorite western slope wineries on **Saturday, Sept. 27th.**

Departing at 8:30 a.m. from the 6th and Simms Park-N-Ride we will cruise along I70 to Silverthorne for a brief stop at Burger King. Lunch will be in Glenwood Springs. After lunch, we will continue on Palisades to start the winery tours. We plan to visit 3-4 wineries.

Overnight accommodations will be in Grand Junction at the Ramada Inn. Eight non-smoking rooms (double queen beds) have been reserved for ZCCC members. Please call 1-970-243-5150 to book your room.

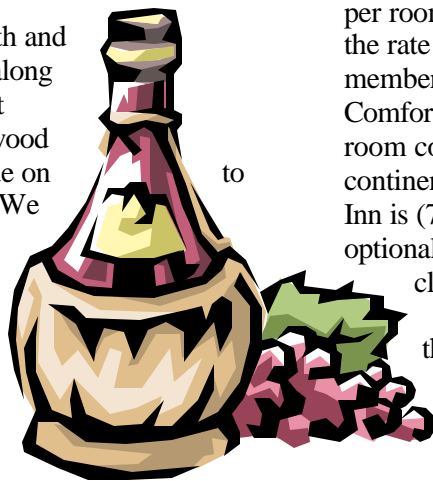

The room rate is \$71.25 per room per night plus tax. Be sure to mention you are with the ZCCC. **Rooms will be held until Sept. 24th.**

On-site restaurant is Starvin Arvin's. All rooms have cable TV and in-room coffee. There is an outdoor swimming pool and spa. Dinner will be in Grand Junction.

We will leave for Denver Sunday morning. The route back to Denver will take us on I70 to Wolcott, north to Toponas then heading east on the winding road to Kremmling where we will have lunch. After lunch we will continue on to Denver via Berthoud Pass, arriving in Denver around 3pm. Please see Larry or Patty Troxell at the August and September meetings for further information.

Salida Mountain Spirit Winery by Patty Troxell

To Z or not to Z, it is time for our annual trek to Salida to visit Mountain Spirit Winery. We will head 'em southwest on Saturday, **October 18th at 9am** from

the AVOCA Park-N-Ride which is at the southwest corner of Hampden and Wadsworth. Hwy 285 will be the road of choice. The Safeway store in Conifer will be a welcome stop for a cup of Starbuck's coffee and to meet up with those living in the area. Continuing on Hwy 285, we will cross Trout Creek Pass and stop at Johnson's Corner to have lunch around 11:30 at our favorite Mexican restaurant. We should arrive at Mountain Spirit Winery at approximately 1:30. Dinner and an overnight stay in Salida is optional. Dinner will be in Salida at the Laughing Ladies Restaurant. We ate there last year and the food is terrific. For those wishing to stay overnight

The Comfort Inn has rooms available for \$65 per room plus tax. For those who are 50 years and older the rate will be \$58.50 per room plus tax and for AAA members the rate is \$58.50 per room plus tax. The Comfort Inn has a large indoor pool with hot tub and in-room coffee makers. Rates include a free deluxe continental breakfast. The phone number to the Comfort Inn is (719) 539-5000. Since the overnight stay is optional, no rooms have been reserved on behalf of our club. Please call them to make your reservation.

If you have two-way radios, please bring them along and set the dial to 5.30. Please see Larry or Patty Troxell at the September and October general meetings for further information.

Etc., by Chris Abrue, editor

You may have noticed that there have been no technical articles in the Odometer, which are very popular. I give priority to the President's message, minutes, membership, calendar, events, registration forms, advertisements, discount list (every 4 months) and after the event articles, which quickly fill up the Odometer's maximum of 12 pages. Technical articles normally take up more than one page. In addition, *Sport Z* magazine is an excellent resource for technical articles. However, there may be future technical articles based on available space in the Fall and Winter.

If you send an article to me via email, I normally acknowledge it within 2-3 days. If the article is important to be published, please call me to check receipt. Do not be confident that I receive all emails, because there are email filters and other ISP problems that may cause no transmission or receipt. Always, say in you email that you desire the article to be published in

the Odometer, because of the spam (or junk mail). Very important to state in your article: Title, what is the event, when is the event (date, day, & time), departure location and time, and point of contact with phone number and/or email in Times New Roman, 12 pitch.

Finally, to be reasonable, send your article early, several days prior to the Odometer's cut-off of the 19th of the month. It is not recommended to send an article on the 19th. Thanks!
