Final Second Creek Opportunity! By Gary Bracken

Saturday, September 10th, 2005, will be our final visit to Second Creek Raceway, the venerable and beguiling 1.7-mile road course near Denver International Airport. If you've not yet had the pleasure of performance driving at Second Creek, please take advantage of this – your last – opportunity. I guarantee you will not regret it!

Novice, Intermediate, Advanced and Expert run groups will be available. This arrangement allows everyone to be on the track with others driving at similar speeds. You'll have plenty of time on the track. Those who run with their group all day will be on the course one hour and 20 minutes. That's a LOT of track time, and I'm betting you'll treasure every moment of it! (Continued on page 7).

PALISADES WINERY TOUR 2005

By Stan and Susan Paprocki

We will meet Saturday, **September 24** at the Cold Spring Park & Ride (6th Ave. & Union) for The Palisades Winery Tour. We will be **departing at 8:30am** heading West on I-70. There will be a rest stop and Lunch along the way. The first winery visit in Palisade should be early afternoon. We will visit 4 to 5 wineries, to include some previous "Best of Festival Winners".

The Annual Wine fest will be the weekend of Sept. 17 & 18, so we hope to visit the winner of the 2005 festival! (Continued on page 4).

John Bilodeau's Prez's Letter

First I want to thank Patty Troxell for taking my place at the August board and general meetings. Thanks to the rest of the Board for your help as well. I hated to miss the meeting but I was helping my daughter move from Denver back to Austin, Texas. So, while you were having your meeting I was rumbling down the road in a Budget truck pulling a U-Haul trailer. Great advertising for both don't you think? We drove from Denver to Abilene, Texas on that Wednesday.

Thanks to Gary Bracken and his "track team" for coordinating an exciting State Patrol Track event. I know it was a hot day, but none-the-less the participants seemed to enjoy the event. Thanks to all that participated. Next year with 2nd Creek no longer in operation, we need to try and schedule and communicate the State Patrol Track events as early as possible in order to increase participation by the other metro car clubs.

Without 2nd Creek, we should be able to attract more non-Z Club participants. I know that Gary has great contacts with the other area car club so the new Board can work on this early next year.

From what I hear, the Fairplay Burro Day drive was quite a success. I saw some of the pictures and it looked like everyone had a great time. Sure hated to miss this event this year. It would have been more fun than helping my daughter pack for a cross-country move. Thanks to Patty Troxell for hosting this event.

Thanks also to JoAnn Sainz-Dean for coordinating the Better Bodies Car Show on August 20 and to Ron Gardner for hosting the Budweiser tour the very next day. We had a lot of e-mails and discussions flying around to get the Better Bodies Car Show off and running so thanks a bunch JoAnn. I really enjoy going to the breweries not only because of the sampling room at the end but just to be reminded of all the technology needed to allow me to drink a frosty cold brew. It is just amazing how much time, effort, and money it takes to get that cold beer to my fridge. Also, a big "thank you" to the Dermans for hosting the Bishop Castle tour. I did not know of this attraction so it was a first time for me as well as for many of the others that attended. Plus, it was the Dermans first hosted event. Thanks Nate and Cheryle for coordinating an event. Please do so again!

Remember to check the Odometer's calendar for September and October's events. We have the Club's last 2nd Creek event on September 10; the Tynan's Shine and Show on September 17; the overnight trip to Palisades for the wine tour on September 24 and 25 and of course our annual banquet on October 8. So again, we have a full slate of events rounding out the 2004-2005 Club year. Thanks to everyone who hosted or participated in the various events during the year.

I know I mentioned this last month but I want to emphasize again the importance of having a good turnout for the Tynan's Shine and Show on September 17. Please make every effort to attend. Tynan's goes to great lengths to make this a fun day for the Club and we need to reciprocate by having plenty of Z's on display.

Just a reminder, the Annual Banquet will take the place of our normal October general meeting so the next general meeting at Brooklyn's will be Wednesday November 2, 2005. Remember to get your reservations in early for the banquet and save a few bucks as well due to the discount offered by the Club. JoAnn Sainz-Dean is again coordinating this event and it should be a fun evening for all.

Chili Dump by Debbie Carlson

Now that the brisk evenings are coming more frequently, we must admit that autumn is on its way, and with autumn, outdoor Z Club events tend to come to a halt. But picture this -- late on one of those perfect fall afternoons, gathering with friends and watching a spectacular sunset from the near-eastern plains. As the sun goes down and a harvest moon starts to rise, we gather around an outdoor fireplace, smelling the wood smoke mingling with the aroma of a bubbling cauldron of red chili.

The date is **October 22, 2005, starting around 4pm**. The location is the Carlson "ranch," 10 minutes southeast of Parker. Exact apparel will depend on the day, but be sure to have jeans and sweatshirts for when the sun goes down. We are normally 6 degrees cooler than in town. The house will be open to those averse to sitting outside or in case of inclement weather.

The concept of the chili dump is beautifully simple. It is precisely opposite of the chili cook-off, where each version is showcased individually. The chili dump, in true "stone soup" tradition, calls for each family unit to donate a two-to-four person portion of their favorite chili recipe to the pot. Some are sweeter, hotter, meatier, etc. but the result is usually pleasing to all. In addition, attendees will provide an assortment of appetizers, side dishes and desserts. Your hosts will provide the various condiments that accompany chili and the Club will provide soft drinks, cutlery and paper ware. As we wind up the evening, you know how much chili you brought, so take some home. (Continued on page 4).
