## Brook Forest Inn Tour

Sunday, September 29, 2013

*Andy Mortenson*

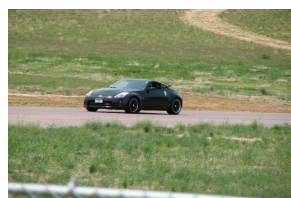

Please join us on September 29<sup>th</sup> for a "Zunday" drive up to the historic Brook Forest Inn in Evergreen for brunch. For those of you who are unfamiliar with the Brook Forest Inn, the property was homesteaded in 1909 and the original cabin was built by the first owners. In 1919, new owners renovated the old cabin which is now the main portion of the lounge and parlor rooms. They built some additional structures, planted crops and landscaped the grounds and they opened the original Brook Forest Inn. In 1925, they began the addition of the dining room annex with two stories above the main building. Today it is still an everyday country inn with a full-line, high quality restaurant and pub.

We'll meet at 9:30 AM at the Park-n-Ride lot on Ken Caryl Parkway located just east of C-470. From there, we'll take a leisurely cruise to the Brook Forest Inn via a circuitous, but scenic route provided to me by a friend in the MG Club. The drive covers 35 miles of paved country roads and should take about 1.5 hours to complete. Detailed route instructions will be provided at the Park-n-Ride prior to departure.

## President's Corner

September 2012

Hi and Welcome,

We have had a great summer of events, but I feel it is finally winding down a bit and I can feel the days getting shorter already. Labor Day weekend is my indicator that summer is about over, and Fall is just around the corner. But that's OK! Fall is also a great time of the year in Colorado. Every Season is!

During our September meeting, we will be electing next year's club officers. All officers will be installed at the annual banquet Saturday, October 5th at the Denver Marriott South. Please put the banquet on your event schedule if you haven't already. I'd love to see you all there.

Also coming up in September we have a Shine N Show, tour of Lemay Auto Museum, our September Fun Run at High Plains Raceway and a drive to Evergreen. Please coordinate your events with the Vice President and get them on the calendar.

See you at the September meeting!

Drive safe!  
Scott

## **Boulder Ghost Haunting Private Tour**

Saturday, October 26<sup>th</sup>, 2013 8:00PM

*Tammy Sanders*

ZCCC and Mile-High Society Mercedes-Benz Club of America (MHS-MBCA) are doing a joint club event. We will explore Boulder's History and resident Ghosts like ten-year old prankster Walter Montgomery who loves to cavort with guests in his home off Pearl Street Mall. We will take a 90 minute ride with eloquent historians and legend-keepers as they share stories of the paranormal and macabre. We will hear local ghost stories - from haunted mansions to unexplained sights and sounds - what a fun way for us to enjoy the Saturday before Halloween.

ZCCC and MHS-MBCA members will meet up at a variety of restaurants around Boulder. We will all come together at 7:45 at Arapahoe and 28th. The Banjo Billy Buses will pick us up here. The tour begins at 8pm. The second bus is coming from Denver, so it will get rolling between 8 and 8:30pm. Afterward, we will meet back up for some socializing over a couple of coffee, or your favorite night cap.

For more details about the tour go online <http://www.banjobilly.com/ghost-tours/>

We suggest starting the evening off about 5:00 - 5:30 pm for dinner. We have a very large group so look for Club event signs in the front windshield of vehicle windows and Orange and Black Ribbons on the drivers side window or mirror. Wear Club apparel and introduce yourselves to the Mercedes-Benz Club of America. Restaurant details and exact meeting location will be announced in October.

Please contact Tammy Sanders if interested at [amkestral@gmail.com](mailto:amkestral@gmail.com). Seating is limited at the time this was writing only 6 seats remain. Please pay for your seat to Tammy Sanders by close of meeting October 5th.

Ticket Prices are \$22 including taxes and a 10% gratuity for the historians giving the tour. If you wish to give more you can on the night of the tour

## Z-Car Club Fun Run Event

September 14th 2013  
a.k.a. Track Day

*Darrel Hoffman*

Don't miss out on the last fun run/track day of the year for the Z Club at High Plains Raceway!. This is again sponsored by Boulder Nissan. Thanks to Jason Purdum and Boulder Nissan the drivers won't need to work corners and will leave us all with more track time.

Like last year there will be overnight parking Friday night. So if you want to take in an open lapping day on Friday you can spend the night and be at the track bright and early Saturday morning.

Send in your registrations and please make one of our scheduled tech sessions.

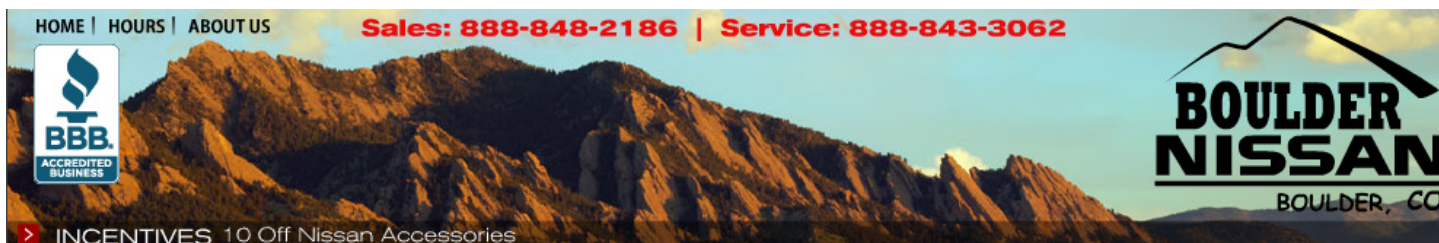

We have two pre-tech sessions scheduled at the home of Gary Bracken (2487 S. Dover Way, Lakewood, CO 80227, 303-969-9964) as follows:

1st tech session - Saturday, September 7th from 10am to 3pm

2nd tech session - Wednesday, September 11th from 4pm to 6pm

Let's get our cars tech'd prior to track day as it will save you and I a lot of time that morning of the event. It is an hour and fifteen minutes from my house to the track. Take my word for it you will like having tech done early. Besides it is a long way to the parts store to correct some minor problem.

If you have any questions, please contact Darrel Hoffman (720-273-4385, [dlh2460@aol.com](mailto:dlh2460@aol.com)) or Brian Baumbach ([bdbaumbach@hotmail.com](mailto:bdbaumbach@hotmail.com)).

## For Sale: 1972 240Z

103,000 original miles. Auto transmission. \$2750

A very original non-altered 240Z ready for restoration. I purchased the car from the 2nd owner and it has resided in my garage since the 1990's. I disassembled hood, fenders, suspension, drive train and some other parts from the car to begin the restoration. It is very straight with minimal rust requiring rear wheel arches and a few spots in the driver's floorboard / firewall area. Frame rails and body are solid. It has many brand new parts including Eibach springs, Tokico shocks, tie rods, ball joints, suspension bushings, brakes, and radiator. The original bumpers are in great condition and the body/frame is solid and straight. Black interior parts are original and in exceptional condition. If you are wanting an original 240Z to restore, this is the one for you. This car can easily be brought back to drivability for little expense and you could do the restoration a little at a time.
