## New meeting location beginning November 3, 2004 at Brooklyn's Saloon and Steak House By John Bilodeau

**Attention:** We are moving again! Here is an update concerning our new general meeting location beginning with our November 3, 2004 meeting. As stated in the Odometer and on our web site (ZCCC.org) since August, we have been holding our general meetings at the Moose Hill Cantina at 955 S. Kipling Parkway in Lakewood.

Effective with our November 3, 2004 meeting, the Club will be moving to the Brooklyn's Saloon and Steakhouse located at 2644 W. Colfax Avenue in Denver. Although the address says Colfax, it really is off W. Howard Place. Brooklyn's is centrally located and is easily accessible from I-25, or the 6<sup>th</sup> Street Freeway. The restaurant is located just south of Mile High Stadium. We will be meeting on the 2<sup>nd</sup> Floor in one of their two upstairs meeting rooms. Brooklyn's is a well known long-time restaurant located close to Mile High Stadium, the Pepsi Center, and Coors Field. They have an extensive menu and it should be a fun place to hold our monthly meetings. Continued on page #6.

## Z-Club Christmas bash By John Bilodeau

Can you believe the Holidays are almost upon us! With that in mind, please note on your Z-Club calendar that it is time to find the old crock-pot and get ready for the Z-Club's annual Christmas Party. Mike and Janet Goddard have opened up their home for this annual holiday event. (Thanks Mike, did you ask Janet?) With all the approvals in place, we will be celebrating the holidays at the Goddard's home on **Saturday December 11, 2004** beginning at 6pm. The gala will continue as long as the food and drinks last. Continued on page#6.

**Aurora, CO**

thanks are Bobby and Cher Givens for their duties of Membership Coordinator and Secretary, respectively. Often times these positions seem to be overshadowed by others, however, the Club could not have functioned without the work of these two dedicated members. Thanks also to Larry Brooks for paying the bills and keeping the Club a-float financially. Thanks Joann Sainz-Dean for being our Inter-Club liaison, Larry Troxell for his work as Public Relations Director, and to Chris Abrue for coordinating the monthly *The Odometer*. Chris does not have an opportunity to make many monthly meetings due to living in Colorado Springs, but his efforts are greatly appreciated.

I guess I could honestly say I am a little nervous about being elected Club President for 2005. I have only been a Club member since September 2002 but I know that the Club is composed of a lot of great members to assist me in my duties. Other new Board Members for 2005 include Patty Troxell as Vice President, Ira Sanders as Secretary, and Donna Brooks is assuming the Membership Coordinator position. Continuing Board Members include Larry Brooks as Treasurer, Joann Sainz-Dean as Inter-Club Liaison, and Larry Troxell as Public Relations Director. Chris Abrue will continue to publish the Odometer for the Club. Thanks also to Walt Caron and Carlos Tamayo for their work on revamping and updating the Club's website. I look forward to working with these board members as well as working and meeting with as many of the other club members as possible during 2005.

Also, a great big thanks to Joann Sainz-Dean for coordinating a wonderful 2004 Annual Banquet at the Green Gables Country Club. The setting was beautiful, the food was great, and all had a good time.

Just a reminder that beginning with our **November 3, 2004** meeting, our new location for our monthly meetings will be the Brooklyn's Saloon and Steak House, located at 2644 W. Colfax Avenue, just south of Invesco Field at Mile High. (Can we just say Mile High Stadium??) The November Odometer will have more information and a map to help navigate to the new meeting site.

**Z Car Club of Colorado**

## **John Bilodeau's Prez's Letter**

Well 2004 is slipping away and 2005 is fast approaching. The Z Car Club of Colorado has had a successful and fun year. As the new President, I want to give the 2004 Board Members a sincere thank you for a job well done in coordinating the Club Events for the past year. A special thanks goes to our past president Dick Spear for presiding over the Club for not one but two years. It has been a pleasure working and learning from Dick this past year. I am sure his help will be needed in 2005. Other 2004 Board Members that receive special

## Patty Troxell, our VP, introduces herself!

Another year is upon us. Some of next summer's events are already being planned. As Vice-President, some of my duties include the coordination of club events and keeping track of member's points. At the Annual Banquet members who have acquired 15 points or more throughout the year receive an Active Member award. The person who has the most points will receive the Most Active Member award. You will get one point for attending the general meeting or an event. If you chair an event you will receive 4 points and co-chair an event, you will receive 2 points. If you are planning an event, please contact me first to be sure the date you want is available. Please keep in mind all events need to be published in the Odometer so plan ahead. Usually the 20th of each month is the cut-off date to get notes published in the Odometer. If you have any questions see me at the monthly meeting. My email address is [rtcats@juno.com](mailto:rtcats@juno.com) and phone number is 303 514-4301 or 303 579-3572.

**The 1984 NISSAN 300ZX 50th Anniversary Edition Contributed to the Z Car Home Page by: Ethan Snyder**

These Silver and Black 50th Anniversary Edition Z's have become one of the more Collectable Z Car Models. This summary is intended to give you general information about these special edition cars. For a more comprehensive coverage, please visit my [50th A/E Web Site](#) Or contact me, Ethan Snyder directly at: [ebnsnyder@eden.rutgers.edu](mailto:ebnsnyder@eden.rutgers.edu) (as of 20 Feb. 98). If you presently own one of these fine cars, you may register it at any time by clicking [here](#)

Introduction: To commemorate their 50th Anniversary (1934 to 1984), NISSAN MOTOR Corporation issued a Special Edition version of their new 300ZX Turbo. The "1984 300ZXT 50th Anniversary Edition" was produced in limited numbers. A continuation of the popular Z-Car line, the new first-generation 300ZX featured substantial technical advantages over its predecessors and continued the movement of the Z Car from its role as a Sports/GT toward a more modern and luxurious Grand Touring Car.

## The Odometer

It is estimated that today, only about 1,500 to 2,000 10th Anniversary Editions still exist in the United States.

While other Nissan models that year displayed the 50th Anniversary logo (shown below) only 5000 1984 300ZX's received the truly "significant" appearance and performance enhancements found in the 50th Anniversary Edition Option Package.

## SPECIFICATIONS

### BODY:

**Type:** 2 seater coupe, t-tops

## Let's do Breakfast by Tammy Sanders

Many of our cars will have been put up for a long winter's rest, but don't let that stop you from having some fun. Dig out your other horseless carriage and let's head to Historic Georgetown for breakfast and some pre-holiday shopping. **November 13<sup>th</sup>, 2004, Meet at the Park & Ride at 6<sup>th</sup> & Union (east end) at 7:30 am.** We will take a leisurely drive up to Georgetown, and head for the Happy Cooker Restaurant, across the street from a parking lot next to the Hotel de Paris Museum. The food looked and smelled good when I went in and made some inquiries. After breakfast we can check out the many Galleries, Gift, Jewelry and Antique stores in Georgetown or (just up the road) Silver Plume. Or perhaps you would like to continue up I-70 to go skiing with Larry. This would be a good opportunity to start your Holiday Shopping, or if you have already started, to finish it up.

I will have maps and a list of places to visit. Bring your two-way radios (set to 5.30). For more information, please contact Tammy Sanders.

## Editor note by Chris Abrue

I have been asked to print tech articles about Z cars. I copy and paste articles from the Internet when space is available. If you have an Internet site that features articles about the 350Z, please email me (see General Information within for my email address). For the most recent Z car tech articles, I recommend subscribing to the SportZ magazine, a quarterly publication.

Regarding pictures of cars for sale appear from 2 by 3 inches to larger pics. I vary the pictures sizes depending on the amount space available in *The Odometer*.

## Up Coming Events

- \* **November 3**, Wednesday, 7 pm, **Meeting** at Brooklyn's at Invesco Field.
