## Banjo Billy Ghost Haunting Private Tour

Sunday, October 26<sup>th</sup>, 2014 4:00-8:00PM

*Tammy Sanders*

ZCCC and Mile-High Society Mercedes-Benz Club of America (MHS-MBCA) are doing a joint club event. We will explore Capitol Hill's History and resident Ghosts like the three friendly spirits at Denver fire station number one. Have you experienced cold spots at Cheeseman Park? Find out why when we take a 1 ½ to 2 hour ride with the eloquent historians and legend-keepers of Banjo Billy's Bus Tours as they share stories of the paranormal and macabre. We will hear local ghost stories about haunted mansions and unexplained sights and sounds. What a fun way to enjoy the Sunday before Halloween.

ZCCC and MHS-MBCA members will meet up at Bubba Gump Shrimp Co. for 4:00 Dinner. We will make our way to the convention center in front of the Blue Bear at 5:45 where the Banjo Billy Bus will meet us. The tour begins at 6pm. If we need a second bus it will be coming from Boulder, so it will get rolling shortly after 6:00pm. The sooner I know the level of attendance the sooner I can plan for the 2<sup>nd</sup> bus.

I will put together a small packet of information; times, location, dinner, meeting buses etc. I will be sending this packet out as soon as possible. Last year we had a very large group and a lot of fun. Wear your club name tags or apparel and introduce yourselves. HAVE FUN!!

## President's Corner

October 2014

In true Z Car fashion we are sprinting to the end of the club's fiscal year and the annual banquet is upon us. The club is financially very healthy and our membership is growing. Our board meeting agendas have been packed to the hilt. A special thanks to the rest of the board for putting up with my 'get everything done and approved' agendas. Your faith and trust in me has been greatly appreciated. It's been a pleasure and privilege to work with you all.

I had no idea that volunteering to help password protect our website would morph into revamping the entire website and taking over a presidency, a new webhost, new design, new membership system, events system, payment systems, and the list goes on. It's been a whirlwind term with lots of growth and changes. It's my hope to get everything clay barred (to clean up the little bugs and overspray), waxed (to protect what we've built), and polished (making the President's position shiny enough to attract several people running for it next year).

It's hard to believe that it's only been a year since Stacey and I joined the club. We've more than recouped our membership fee with our discounts on service, the picnic, the banquet, and our active member gifts. The friendships, fun and laughs that we've made along the way have been well worth it. A big thanks to all of you that have welcomed us with open arms and hearts.

TO THE BATMOBILE!

Tom (aka *Batman*) Ziegelbauer

### Letter from the Editor:

With the start of each new fiscal year comes the possibility of changes.

With mixed sadness and joy, this is my last issue of the Odometer, and I wanted to say Thank You to everyone for all the support you have given me the past 4 years. I have received many praises from you. It has been a privilege and a pleasure doing this job for you.

I want to wish Stacey Ziegelbauer the best as she takes on this project for you. I hope you will afford her the same respect and admiration you gave to me.

THANK YOU Tammy Sanders

## For Sale: Repair Panel

I just had some rust repaired on my Datsun using some repair panels. I didn't need to use one of these panels so it is for sale. The panel is designed to repair rust damage in the right front fender of a 240Z, 260Z or 280Z. I'm asking \$30.00 for the panel.

## New Vendors and Discount List Updates

*Ira Sanders*

There are two additions to our discount list:

H2HYPOD is located in Colorado Springs. They have created a water injection system that will increase mileage (they give a figure of 30%), horsepower and torque in your car or truck. This is a hydrogen conversion kit that requires no modifications to the motor. They are offering a discount to our club. The standard model is normally \$1100.00 and our club members can get it for \$855.00. The performance model is normally \$1,800.00 and members can get it for \$1,500.00. What they ask in return is to put a decal in your window. See <http://www.h2hypod.com> for details and test results as well as a rundown on the models available. There is an email contact form on their website or you can contact Ken Kerry at <mailto:KennethKerry@h2hypod.com>.

The other is Eurowraps located at: 12876 E Adam Aircraft Cir, Englewood, CO 80112. Chris Lee is the contact and he is offering a discount on a full wrap of \$250 or 15%, whichever is greater, to our members. There is also a discount on accent packages. Their website is: <http://www.euowraps.com> and the contact person is Chris Lee at 888-254-3876 for complete details.

I am also working on adding other Car Toy facilities to our list.

Please visit <http://www.zccc.org/business-directory-2/> for list of vendors working with ZCCC members to provide the best services. Don't forget to tell your contact you are a ZCCC Member, and have your membership number ready before ordering Please tell them "thanks for being a ZCCC supporter".
