PRESIDENT'S CORNER

Huge update! I know many of you have asked and I'm glad to say the ticket from blue LED light has been dismissed completely! Thanks for all of your support and thoughts and prayers on this ridiculous ticket. Whew!

This month has been filled with many fixes and upgrades to the Batmobile. First was a loudspeaker hooked up directly behind the turbine. This thing is a blast! When I'm driving around and someone has their windows rolled down, that trumpet blast from the '66 show leaves them in stitches. Stacey and I did this month's Longmont cruise and playing the "To the batmobile!..." really gets the crowd's attention. It's so fun at car shows as well. I have it programmed to play a T-Rex sound, Autobots, Ghostbusters, Batman themes, etc. The possibilities and fun are endless. Unless you're annoying the Gordon's neighbors in Estes testing things out. Sorry neighbors.

About a year ago I installed a new radio (because the stock radio in 2005 was old for even ... 2005) in the Batmobile and it's never worked quite right. During my second project, I had to remove the whole center dash and center console. I figured while I was elbow deep in there anyway why not troubleshoot this thing. A couple of adjustments to 4 screws on the pre-amp and VOILA! Finally I have sound coming out of my front speakers, tweeters, and the bass now massages your back. I also figured out how to hook up the parking brake wire so I can now display DVDs and play my handheld Batman game through the stereo.

PRESIDENT'S CORNER (continued)

A final project was an afterburner. I constantly am told "Why doesn't it shoot flames out the back?" (it probably never will - paint and flames don't mix well) So I found a fog machine for \$10 with fog fluid at a garage sale (normally \$30 on sale after Halloween). The next day I went to a thrift store and found the basic components for the fabrication - \$6. 2 days of wiring and many attempts to get the power straight with multiple inverters and backup power supplies and finally I got things to work. This thing turned out even better than I had initially imagined - mainly due to Stacey sticking to her guns and telling me she didn't like my version 1.0. Now it fires up whenever I hit the brake (is totally legal) and really catches the people's eyes behind me. Plus, I added a switch that I can turn on in the center console, next to the heated seats, to fire it up at shows. Who else is preparing to wow at Boulder Nissan in August?!

Ok, onto the business stuff: The nominating committee chaired by Scott Guthrie will be presenting a slate of board nominations at the general meeting in July. Open nominations shall be accepted from the floor and will be accepted at the August meeting. A reminder that all board positions are considered open for the running and we have a complete vacancy for the Public Relations spot. The election of officers/new board will be held at the September meeting. New board members means new ideas!

TO THE BATMOBILE!

On August 12, 2015, O'Toole's Garden Center is hosting their annual Car and Flower Show. It is on a Wednesday, as usual, so I realize that only a limited number of ZCCC members can make it, but in the past, we have had as many as 10 cars there. The event starts at 4 p.m. and goes to 8 p.m. In the past, they have given away plants and have a raffle to give away other prizes. There has been food available on site as well as some vender's booths.

When: Sunday, August 23, 2015 from 7:00 a.m. to 1:00 p.m.
Where: Boulder Nissan at 2285 - 28th Street in Boulder
Host: Ira Sanders (303-278-7172, zroadrunner14@gmail.com)

On Sunday, August 23, 2015, ZCCC will be holding our annual Shine 'n Show at Boulder Nissan. As you all know, Boulder Nissan is our club sponsor and we need to have even a better showing of support for our sponsor than we did last year when we had only 30 cars on display. Please put this date on your calendar and plan to attend.

There will be awards in all classes of Z by People's Choice voting. Jason Purdum, owner of Boulder Nissan, will provide lunch for everyone and will be clearing out lots of space in front of Boulder Nissan for the show. Last year, T-shirts were given away through complimentary raffle tickets and Jason will have GT-R's on display.

As the ZCCC's sponsor, Jason Purdum supports us through his monthly contributions to the club, discounts he provides at Boulder Nissan and by providing the corner workers for our Fun Runs (track days) at High Plains Raceway.

We will start assembling at 7 a.m. and the show will go into the afternoon. Come on out and really show our support for Boulder Nissan in a **BIG** way. There will be sign-up sheets at the monthly meeting so we can have a count of the members planning on being there. If you have any questions or comments, please call/email me.

Where: 4385 Tutt Blvd, Colorado Springs, CO 80922

Hey all, it's the third annual 'Take me out to the Ball Game' time soon!

How about a nice relaxing summer Saturday evening picnic at the ball park? Like the last two years, we are doing it again! This time, it will be an evening game with dinner included.

The Sky Sox team in Colorado Springs will be playing the New Orleans Zephyrs, on Saturday September 5th.

This year, we will be attending the annual Sky Fest game complete with a great fireworks show following the game. In addition, there will be some Batman (not ours) and Superman entertainment. Here is a teaser video posted on YouTube. <https://www.youtube.com/watch?v=rWrFrqeY4lE&feature=youtu.be>

Our one price includes a fully catered dinner (Hot dogs, Fried Chicken, Hamburgers, Pulled Pork Sandwiches, Potato Salad, Macaroni Salad, Cookies, Potato Chips, Drinks...) served buffet style, with tables and chairs (picnic tables) with room to move around. The Batman theme show, fireworks and parking is included in the package price. Oh yeah, for those interested, there will also be 9 innings of baseball going on!

Full package price is only \$26.00 per adult, and \$17.00 for those 12 and younger. (2yrs. and under are free)

SO, mark September 5th on your calendar. Sign-ups have already started, so let Scott know if you're interested in attending. Every year, this special event sells out, and we have 30 tickets reserved now. We may be able to get more, but don't wait.

Where else can you watch 'America's Pastime' with free parking, a fully catered dinner, a show and fireworks for \$26.00? Not anywhere in Denver I'll bet!

Oh yeah... We get our club name announced and put up on the scoreboard too!
Fun stuff! Scott Guthrie

Bicycle Ride

When: Saturday, June 27, 2015 @ 9:30 AM
Where: Centennial Park
Host: Andy Mortenson

Eight cyclists met at Centennial Park on Saturday, June 27th, for the fifth annual ZCCC Summer Bike Ride. Members John Inberg, Andy Mortenson, Don Gordon, Phil Taylor, Patty Troxel and Steve Robertson, along with guests Sara Sparks and Craig Williams, hit the trail at 9:45 a.m. The route took us east on Big Dry Creek trail to the Highline Canal where another guest, Joe Spencer, joined our group. We then rode south on the Highline to the C-470 trail, west along C-470 to the Platte River trail and then north to the Platte River Bar & Grill on south Santa Fe for a hearty lunch. After lunch, it was a short ride up the Platte back to Centennial Park. The weather was perfect and I think a good time was had by all. Thanks again to all those who participated.

Another successful event in the books! Thanks again to Boulder Nissan and Jason Purdum for sponsoring us again this year for both the track events and also the club in general.

I wanted to thank everyone who helped out, Roy Davis, Brian and Alice Baumbaugh, Steve Eaton, Daniel Bailin. And especially all of the z club members and non-members who came out to support our fun run/track days.

My towZ was in action when one casualty had to be towed in. Hopefully he will be back up and running by our next fun run Saturday September 26th. We combined run groups early and the track went cold at 4 p.m. due to tuckering everyone out!

Thank you to those that attended the wine tasting and pot luck at T.M. Winery last Saturday. We had 10 members in attendance and one guest, and 4 of the five cars were "roadsters" ..Awesome!!! (Bruce and Cheryl had 4 people and couldn't bring their Z).

We all got to taste 6 wines of our choice and then got a winery tour of the facility and a barrel tasting of a wine blend about to be bottled.

The food and the company was great and we all missed our event organizer, Cheryle (but spoke with her on the phone).

Thanks again to all that showed up! (Including a quick cameo by Wonder Woman herself). Nate

Larry Brooks Update

Dear Family & Friends,

Larry completed his 6th cycle of chemotherapy earlier this month. We met with Dr. McMahon., oncologist, on Tuesday. During the next two weeks Larry will have several tests and procedures done. Included will be labs, a PET scan, and a bone marrow biopsy. Results will be analyzed and compared to the same procedures done 6 months ago. Larry will also resume physical therapy and will meet with his neurologist. He continues to have difficulty because of the neuropathy in his arms and shoulders.

We are scheduled to meet with Dr. McMahon on Wednesday, August 12th. At that time we will discuss results, improvement, and prognosis. Hopefully we will also know the plan for future months.

We are so grateful for your love and support these past months. Your emails, cards, calls, kind words, and all forms of encouragement are appreciated. It is so comforting to know so many prayers are being said for Larry and me.

Love,
Donna
