## PRESIDENT'S CORNER

The first weekend in May is always free comic day across the country. We presented at 2 different locations this year. The weather turned from cold and windy to cold and rainy. This was again one of the few events during the year I could actually wear the full Batsuit for the entire event because it was so cold for everyone else.

We also were called upon to visit a school's carnival in north Denver. As most of these thing go they are super excited for the Batmobile to show up and just as disorganized. I ended up parking next to the gym exit on the sidewalk. This didn't stop someone from walking to the back of the car and snapping off part of the afterburner. Talk about being brave. Can you imagine the kid who tracked me down in the hallway to tell me? In the end, I made it home and went back to the drawing board to create a version 3 afterburner. It actually works much better now and if someone hits it again they'd have to be doing major damage to the back which their insurance can pay for.

Lastly, we were invited to stay overnight (paid for) in Cheyenne, WY for their first ever comic con with over 12k in attendance. The rooms and the hotel were amazing, by the way. The weather was rainy and cold again so we sat inside for most of it. As we checked on the cars I saw one of the front turrets and rocket had been run into/tripped over and part of it 6 feet away under Stacey's car. What is &\*)(&^% wrong with people?!!! They didn't have the decency to even pick up the pieces? Another lesson learned, the stanchions we brought went up and seemed to do the trick the remainder of the weekend.

# PRESIDENT'S CORNER (continued)

I finished having to cut the affixed pieces off and and remounted new ones. I also trimmed some of the length of the tubes so they don't stick out as far.

June is officially the 9th month of our club's fiscal year, and with that starts the process of election season. Many changes are due to happen, especially this year. I'm wrapping up my 2nd full and almost 3rd term, and Don is wrapping up his 2nd full term. The President and Vice President can not serve more than two consecutive terms in the same position. So the President and VP positions will be without an incumbent running this year. I have a feeling that some others will be stepping down or moving around as I think everyone on the board, has in some capacity, served multiple years. We'll be starting to form the nominating committee in June. Each position is considered open for running and we will be accepting nominations at the August meeting. Voting for the new board will be at the September general meeting.

TO THE BATMOBILE!

Where: Centennial Park to Platte River Bar & Grill  
Host: Andy Mortenson (303-359-0216)

Saturday June 11<sup>th</sup> is time for the ZCCC annual bike ride. Last year's ride proved to be so popular that we're going to do it again.

We'll meet at 9:30 AM at Centennial Park, which is located on the north side of Union Avenue about a quarter mile west of Santa Fe Drive just beyond the Platte River. We'll ride out Big Dry Creek Trail to the Highline Canal and then South to the C-470 trail.

We'll head west along C-470 trail to the Platte River Trail and then North to the Platte River Bar & Grill for lunch. The Platte River Bar & Grill is located across the street from Arapahoe Community College.

After lunch, it's a short ride up the Platte back to Centennial Park. This ride covers about 21 miles, but there are no significant hills to climb so it'll be fun. Please call Andy Mortenson if you have any questions.

### Z Car Club Fun Run Event at High Plains Raceway

When: Saturday, June 25, 2016 from 6:45 a.m. to 5:15 p.m.  
Where: High Plains Raceway, 93301 U.S. 36, Deer Trail, CO 80105  
Host: Darrel Hoffman (720-273-4385, dlh2460@aol.com)

Thanks again to Boulder Nissan and Jason Purdum for sponsoring the track day. Corners workers will be provided. There will also be a night guard for Friday night in case you would like to camp out the night before.

Get your car ready for our first fun run of the year. If you haven't been to our track events you are missing out on a lot of fun! You can still take your car out on the track for our parade laps during the lunch break. Don't miss out on the fun!

This is not a racing or timed event, no wheel to wheel racing, limited instruction. Get your car out there and see what it can do, or just go around at your own pace. There will be 4 different run groups.

Send in your registrations and please make one of our scheduled tech sessions.

We will have two pre-tech sessions scheduled at the home of Gary Bracken (2487 S. Dover Way, Lakewood, CO 80227, 303-969-9964) as follows:

1st tech session – Saturday, June 18, 2016, from 10 a.m. until 2 p.m.  
2nd tech session - Wednesday, June 22, 2016, from 4 p.m. until 7 p.m.

Let's get our cars tech'd prior to track day as it will save you and I a lot of time that morning of the event. It is an hour and fifteen minutes from my house to the track. Take my word for it you will like having tech done early. Besides it is a long way to the parts store to correct some minor problem. We charge an **EXTRA \$10.00** to tech your car at the track.

If you have any questions, please contact Darrel Hoffman (720-273-4385, dlh2460@aol.com )

**MUCH MORE INFORMATION** can be found on this event's Eventbrite page.
