PRESIDENT'S CORNER

The month of June has been a crazy busy race for us. As some of you know, DCC (Denver Comic Con) is a pinnacle event for both Stacey and I. I'm sure that the Batmobile or the Wonder Z have never been as showroom quality as what we've gotten them this time. Weeks of polishing, waxing, and detailing. Finally, Stacey's Wonder Z was chosen as 1 of 4 vehicles to be on display this year. Making it even more significant, is that the Colorado Movie Car display was limited from the 16 last year to only 4 this year. This is a huge honor as over the 3 days approximately 115,000 people attended this event. Be sure to congratulate her on this huge privilege when you see her.

I was asked to display my car Friday night at the Club Cosplay event that ran concurrently with DCC for approximately 3,000 attendees. I've also done a couple of charity events with the Heroes Alliance group and will be heading down to Fort Carson to help troops that won't be on leave to help them celebrate. At the end of the July, I've been asked to bring the Batmobile to

the T-Mobile campus for a mini comic con event for 1,200 of it's employees and their families. Maybe (fingers crossed) I might be picking up John Legere the CEO of T-Mobile for this huge event as he's a giant Batman fan. That would be an incredible opportunity!

We have (3) board positions without a candidate for the 2016-17 year. 1) President 2) Vice-President and 3) Each board position is considered open for running and we will be accepting nominations up until the end of the August meeting. Voting for the new board will be at the September general meeting.

TO THE BATMOBILE!

Oh, so what's with the Sky Fest / Fireworks? Here is what they told me:

The BIGGEST Fireworks show of the season is Sky Fest 2016. This night will feature a theme of Harry Potter with character appearances as well as a full story line between innings that leads into a fun post-game skit and culminates in our largest fireworks show of the summer!

YOU WILL NOT WANT TO MISS THIS EVENT. Just ask a fellow club member that was there last year!

ZCCC Bike Ride

Eight cyclists met at Centennial Park on a hot Saturday, June 11th, for the sixth annual ZCCC Summer Bike Ride. Members Dave Daniels, Andy Mortenson, Steve Robertson, Phil Taylor and Patty Troxell, along with guests Ann Rice-Johnson, Bruce Palmer and Joe Spencer, hit the trail at 9:45 AM while it was still cool. The route took us east on Big Dry Creek trail to the Highline Canal where there was plenty of shade. We then rode south on the Highline to the C-470 trail, west along C-470 to the Platte River trail and then north to the Platte River Bar & Grill on south Santa Fe for lunch. It had warmed up considerably by the time we finished lunch, but it was only a short ride up the Platte back to Centennial Park. I think a good time was had by all.

Thanks again to all those who participated.
