Gordon's News...

In a Flash

Thanks to the generosity of our ZCCC Members in donating to the Random Acts Colorado Toy Drive. We brought a lot of holiday joy to families in need. Several of us met with our event host, Jacki Barton, to participate in the donation. Check out photos in this Odometer.

If you missed the Derman Holiday party, you missed a FUN event. Great turnout, great food, and plenty of surprises in the White Elephant style gift exchange. I went home with 4 different flavors of gourmet extra virgin olive oil. Thanks to Nate & Cheryle for putting on this great annual event!!!

Just 2 months ago we had so many openings on the board and appointed positions. Now all the positions are filled. Even the newest position, Constitution Analyst, has been filled by our latest volunteer who unbeknownst to me, used to be recognized as our Constitution expert. Thank you Patty Troxell for stepping up once again. And thank you Tammy Sanders for being the previous keeper and editor of our Constitution.

Talking about volunteers, thanks to Roy Davis for hosting the 2020 ZCON in September in Nashville.

And talking about ZCON, did you hear what our Inter-Club Liaison, Alex Millward, is exploring for 2021? He is going to see what it takes to bring ZCON to Colorado and ZCCC being the club host. How exciting!!!

I hope you all had a very Happy New Year and let's make this a fun Z year. Please think about hosting an event. It's easy and you can get 4 points or more. For example, are you planning on going to the Denver Auto Show anytime April 2-5th? Why not make it an event, you're going anyway. If you never have hosted something, please get with our VP, Travis Scott, for details.

See you at our first meeting of the calendar year...moved to January 8th at Overland. Please note for our February 5th meeting we will be at Mimi's Cafe – Lone Tree, providing a FUN change as Overland will be renovating. Then in March...back to Overland.
Regardz, Don Gordon, President

We miss you! Please come on back!!!

There are several current members who haven't been around lately. Active members are the ones who renew. If you look over the list below, you'll see many past members who we'd love to have back. If you know how to reach them...Call, Text, Email or Social media. Please reach out to them and just ask them to come on back. I asked Jacki to come back, and she did, and she hosted our Toy Drive. Two other people (Chris and Jose) who asked for help with their Z's were invited to the December meeting, and they showed up. Jose said he was definitely going to join. Thanks for your help on this!!!

Z Sponsor Update:

You may have noticed the Boulder Nissan banner is missing from the bottom of the front page of this Odometer as well as the advertisement for the Nissan Leaf. That is because Boulder Nissan has decided to pass the torch on to another dealership. Boulder Nissan had been our sponsor for many years and owner Jason Purdum was greatly appreciated for all that he and his dealership had done. One good thing, however, is that Boulder Nissan will continue to offer our members a 20% discount on parts and labor. See the full details in our Business Directory at www.zccc.org.

In the meantime, President Don Gordon and I have been reaching out to other dealerships to explore their interests. I hope to be able to announce our exciting new sponsor relationship(s) at our January meeting. Z you then.

LETTER

The club recently received the following letter looking for one of our members reflecting on the impact he had. *(Reproduced with permission from Larry Hutfles)*

“From your newsletters on your website I figure Larry is still around.

I live in UT a little ways north of SLC. Starting in 1990 we would go to Steamboat for the Labor Day RMVR road races, what a blast for the 10 years we went, until Steamboat shut the races down. That year we also went downtown for the concourse and I met Larry Hutfles and spent some time admiring his purple 240. Back in 73, I bought a 240 brand new. It was all I could afford so Utah road salt ended up causing the car to disintegrate. 1990 was the last year that 73 240 was on the road. After we got home from Steamboat in 1990 I was grouching to the wife about how I loved the car and she said... Maybe we can find you another one. Within a month we lucked out and found a fairly clean with minimal rust early '71' and bought it. The spring of 1991 some friends helped me with body and paint. Still enjoying the car very much! I've attached the picture I took of Larry's car in Steamboat in 1990 and a shot of my series 1 car taken this last summer. Just a long overdue quick note for you to pass along to Larry and thank him for motivating me to get another Z car some 29 years ago!

Layton, UT”

Annual Holiday Party

To close out 2019, Cheryle, Chloe and I hosted the annual ZCCC holiday party at our home and it was another memorable evening. 23 Z members and 2 guests enjoyed great food, adult beverages, and camaraderie. We also had fun with the gift exchange again this year with a few steals, laughs, and disappointments. (Candied nipple tassels... Really?) Not sure why that wasn't stolen multiple times?

We loved opening our home to our Z family and hope you all had a good time, a very happy holiday season, and a happy, healthy, and prosperous New Year to all, and looking forward to more events next year!

Nate, Cheryle and Chloe

Z-LICIOUS

Many of our members that attended the ZCCC Holiday Party this year requested this delectable morsel of a recipe.

Pecan Snowball Cookies

By: Tiffany Gordon

Adjusted Recipe from: temeculablogs.com

Makes about 2 dozen Golf Ball Size Cookies

Ingredients:

- 3 Sticks of salted butter (softened)
- 1 Tbsp vanilla
- $\frac{1}{4}$ Tsp salt
- 3 Cups all-purpose flour
- 1 $\frac{1}{2}$ Cups semi-sweet chocolate chips
- 1 Cup crushed pecans
- $\frac{3}{4}$ Cup powdered sugar

Directions:

1. Preheat the oven to 375 degrees.
2. In a bowl, beat together the butter, sugar, vanilla, and salt until it is creamy. I used my Kitchen Aid stand mixer.
3. Slowly add in the flour until it is incorporated well. Then add in your ingredients of nuts and/or chocolate chips and gently mix. If not using a Kitchen Aid stand mixer, fold ingredients in by hand.
4. On a cookie sheet, line it with parchment paper or a silicone mat. Put golf ball sized amounts of dough (rolled into balls) on the cookie sheet. They don't spread out a lot, so you don't need a lot of room in between the cookies.
5. Bake for 10-12 minutes until they are set and light brown on the top.
6. Take out of the oven and while warm sift powdered sugar over them.
7. When cool, sprinkle more powdered sugar over them.

Enjoy!

EXTRA

This 1918 Pierce-Arrow is, literally, the sweetest car ever

by [Jeff Peek](#) // December 09, 2019

[Hagerty](#)

The sweetest car of all time is in Colorado Springs. Continuing a holiday tradition at The Broadmoor Resort that began in 1964, a team of 15 Broadmoor pastry chefs created a large gingerbread display for the holidays, and this year's project was a full-size replica of the 1918 Pierce Arrow Touring Car that competed in the Pikes Peak International Hill Climb eight times from 1924–32.

Continued.

EXTRA

1918 Pierce-Arrow Continued.

Broadmoor executive pastry chef Adam Thomas led the two-week project; you can watch a time-lapse video of the build above. What you don't see is what it took to bake enough gingerbread to make it all happen. According to the [Broadmoor blog](#), the Pierce Arrow display required:

375 pounds of all-purpose flour	47 pounds of molasses
6 pounds of "secret holiday spice"	482 pounds of sugar
412 pounds of butter	300 pounds of dark chocolate
425 whole eggs	700 egg whites
2 pounds of yeast	100 pounds of white chocolate
200 pounds of brown sugar	1 pound of baking soda
1.3 pounds of baking powder	100 pounds of honey
8 pounds of salt	1 pound of activated charcoal
10 pounds of joy	3 pounds of holiday cheer
15 whimsical pastry chefs	2 magical wood workers

The gingerbread display pays tribute to the 1918 Pierce Arrow Touring Car owned by Spencer Penrose, whose chauffeur (Harry McMillen) and master mechanic (Angelo Ciminip) transformed into *The Broadmoor Special* in 1922. The Special's top finishes in the Pikes Peak Hill Climb were fourth in 1926 and '30.

The car is on display at the [Penrose Heritage Museum](#), which is owned and operated by the El Pomar Foundation, a charitable organization established by Spencer and Julie Penrose in 1937. The museum is open Monday through Saturday from 9 a.m. –5 p.m. and Sunday from 1–5 p.m. Admission is free.

You'd have to agree that the Pierce Arrow is so sweet you can almost taste it. Just please don't indulge that suggestion.
