Gordon's News...

In a Flash

Wow, what an easy way to earn an Active Member point. That was the Virtual Shine-N-Show hosted by Andy Mortenson. Just send in one or two photos of your car and you got a point. It took a big effort from many to make this event a success. Scott Swiger had to display each entry on our website. Tiffany Gordon created an impressive slide show of all the cars and showed the winners, she orchestrated the Zoom meeting where winners were announced and she sent out the AutoZone e-gift cards to the winners. Then the Service Directors from our Sponsor Larry H Miller Nissan, Jodie Cordova, Chris Doerschlag, and Nick Yaw, enthusiastically participated in the car judging. Being a virtual show, we had entries from members who we don't usually see and we even got a new member to join. Well done, Andy!

Thank you to Cheryle Derman, Judy Gordon and Tiffany Gordon for volunteering to be on the Nominating Committee for club officers. In addition to Gail Mund wanting to be the club's next Vice President, they will announce those members wanting to be on the Board at the July 1st General Meeting. So contact one of them and let them know what position you are interested in.

The July 1st General Meeting will be via Zoom. Once again, if you are new to or uncomfortable using Zoom, please reach out to me prior to the meeting and I'll do a one-on-one session with you. Your Board will continue to review options that will eventually allow us to start meeting in person again. Overland Golf course, however, is thinking we may not be able to have a group our size again until at least September.

I can't believe how innovative our members have been keeping our events alive. We have many physical drives planned, a bike ride, a car museum tour, and if you're dying to learn how to make homemade tortillas, Tiffany Gordon will be doing a virtual cooking class on the 4th of July. A lot of FUN is planned.

Lastly, as I know how serious it can be, I was so alarmed to hear that Roy Davis had a massive heart attack. After almost a week in Intensive Care and lots of precision treatment by his doctors and love from his wife Stormi, Roy was sent to a regular room and then was released. Roy, we are wishing you a very quick recovery and can't wait to see you back on the road again!

Regardz, Don Gordon - President

Roy Davis

Roy suffered a massive heart attack in early June. He had a short stint in the ICU at Swedish. And had several stints put into blocked arteries. Roy is now home recovering since the 20th of June.

Our sincerest well wishes go out to Roy for a speedy recovery.

Bill Lohringel

Bill had surgery on his meniscus. Hoping surgery went well and you are recovering nicely.

Our sincerest well wishes go out to Bill for a speedy recovery.

Nissan – Aiming for the Path of Recovery – Nissan Next

Article by Alex Millward

Within the Nissan community, its common knowledge that the previous Chairman of Nissan Motor Co., Carlos Ghosn (charged with financial misconduct), did not put Nissan in a great position. As whole, Nissan is struggling on many fronts. There haven't been any exciting new model releases – R35 GTR (debuted in 2008) and the Nissan Frontier (which the current model is based on the 2005 design – not much has changed). Its been a stalemate for Nissan for many years as there have been many restructuring ideas or developments internally at Nissan Motor Company.

Nissan's chief operating officer, Ashwani Gupta said that Nissan will be shifting away from Ghosn's past "expansionist policy" and will be focused more on product development, delivery, and innovation – what Nissan is known for. The Nissan Next movement is part of this statement. Nissan has been preparing to release some exciting new models along with some changes on their line-up!

Nissan– Aiming for the Path of Recovery continued from pg. 3

The current global situation of the COVID19 pandemic is not making life easy for anyone or any business, world-wide! Gupta's determined stance with wanting to continue to repair and grow Nissan's situation has stated that he is amid to continue the Nissan product development despite what is happening with the infectious virus. He is determined to show that Nissan is a strong company and that their path is clear and strong.

In my opinion, we can all hope for the best with Nissan and you better believe it that the Nissan Motor Company will pull through, they always have! Remember those bailouts in the 2008 among many auto manufactures? Well, Nissan USA was not part of that. They survived that economic down-turn and no doubt they will do it again. While its frustrating to see that the R35 GTR, the 370z, and the Nissan Frontier is the current selection of the models (some 12-15 year old stretch), we'd all like new models to keep that production selection fresh. Be patient! Nissan will pull through and produce some amazing new vehicles for us all to be very excited about, I know I am!

How To Log-in to Zoom General Meeting Wednesday July 1st

Live far away? Not usually able to make our Monthly General meetings? Want to maintain social distance while still socializing with the great members of our club? Here's your chance!

Due to the COVID-19 pandemic, we are unable to meet in person for the July General meeting but we would still like to conduct our monthly meeting like we did last month.

Many of us have already used Zoom for some aspect of life during this pandemic. If you have not used it before, instructions are below.

We will start with a social check-in from 6:30 PM-7:00pm. Then our official meeting will begin at 7:00 pm. During the social check-in everyone can speak freely and nobody has to be on mute. During the meeting we will respectfully mute everyone and will monitor the chat if you have a question. We will also save time at the end for Q and A's. :-)

Cost: Ingredients and Materials

Sad that you're missing fireworks this year? Want something else fun to do while keeping your Z safe and sound in the garage? Come make tortillas with me live on Zoom using the information below. This is not like the Food Network where you just watch...no no. Roll up your sleeves, find your favorite apron (red, white and blue themed if you want), and throw some flour around with me. I will stop and give you plenty of time to ask questions and make these at your own pace. When you cross the finish line, you will be able to enjoy delicious homemade tortillas. Please start signing in to Zoom at 1:45 so we can start cooking at 2.

Items you will need: 3 cups of all-purpose flour, 2 tsps. baking powder (make sure the date is good), 1 tsp salt, 1/3 cup of Crisco or lard, 1 cup of hot water, a large bowl, a stand mixer (OPTIONAL), wax or parchment paper, aluminum foil, a dish towel, a non-stick skillet or griddle, and a rolling pin.

The phone call option will not be provided for this event since you need to be able to watch and do show and tell. If you have a computer with a camera and mic or a smart phone/tablet, you are ready for tortillaZ!

The 11th Annual Bad Does Good Car Show and Toy Drive has been postponed. The Corvette club is looking at and hoping to hold it in September. I don't think we should let that stop us! Wish list details: [Here](#) is the link to Children's Hospital Wish Lists if you are picking up some last minuet toys. We will be dropping our donations at the North Campus (see page 5).

From here we will head west to Boulder County and North to Laporte exploring the country roads for a ~2.5 hr. drive. At any time you feel you need to turn and head toward home there are lots of options by heading east to one of the following towns; Longmont, Berthoud, Loveland or Fort Collins.

Brighton to Laporte 77.4 miles, Laporte to Boulder 64.1 miles

The drive is less then a ½ day and social distancing guidelines in place, stopping for food may not be an option. Bathroom breaks will be impromptu when we find them. WRAP UP

ZCCC's Virtual Shine-n-Show

When we learned of the postponement of the Concourse d'Elegance Car Show due to the corona virus, we decided to have a virtual shine-n-show that weekend instead. The plan was for each member to produce a couple of quality digital photos that really show it off their car. Then email one or two of the best pictures to Andy Mortenson along with their name and the model and year of their car. Andy then forwarded them to Scott Swiger who posted them on our website. Only the model, year and an entry number was posted. As an incentive, each member who entered their car was awarded one active member point. This was a great opportunity for members who live outside the Denver metropolitan area to show off their cars to the rest of the club without leaving home.

Scott Swiger

We had 22 Z Cars of various models, plus Joe McVicker's 2017 GT-R, entered and posted on our website by the June 10th closing date.

Andy put the cars into five groups with the entry numbers of the cars in each group listed to help in the judging. The GT-R had already won because it was in a class by itself, both literally and figuratively. The cars were grouped as follows:

Group I (240Z/260Z/280ZX); Group II (300ZX-Z31); Group III (300ZX-Z32); Group IV (350Z); Group V (370Z); Group VI (Other).

The Service Managers at the three Larry Miller Nissan stores agreed to judge our cars, so on Thursday and Friday they chose their favorite cars from each group and sent their selections to Andy who tallied the results. (Special thanks to Jodie Cordova, Chris Doerschlag and Nick Yaw at LHM.)

On Saturday, June 13th, all the entrants were invited to participate in a Zoom conference where the winners were announced. The winners were as follows: Group I – Scott Swiger; Group II – Alex Millward; Group III – Travis Scott; Group IV – Diana Inberg; Group V - Robert Hofer; Group VI - Joe McVicker.

The winners were each awarded \$15.00 AutoZone electronic gift certificates. (Pictures of all the entries and the winners may be viewed at: <https://bit.ly/30GzZwS>).

Z Drive: Fathers Day Weekend!

Under partly cloudy skies, a cool temperature of 54 degrees and no precipitation, 11 cars with 19 people joined plenty of other vehicles on the road for a fantastic morning of cruising in the mountains. We maintained a good pace and no major issues to speak of. Overall it was a very good day for a drive. I do need to re-think the Bandimere speedway as a starting point.

Thank you to all who joined us on this fun drive and enjoy the photos from our members.

2020 ZCCC Bike Ride

Five ZCCC cyclists met on Saturday, June 27th at 9:30 AM in the parking lot of the Denver Mattress/Furniture Row store located at the intersection of Parker Road and Quincy Ave in Aurora. Our ride took us around the Heather Gardens community and into and around Cherry Creek State Park where we stopped for a picnic lunch by the lake midway through the ride. We were fortunate to find a picnic table that was in the shade since the park was quite crowded. The weather was great and it was a perfect day for a ride. I think everyone had a good time. The riders participating were: Don Gordon, Andy Mortenson, Steve Robertson, Patty Troxell and Craig Williams.
