MEET YOUR MEMBER

MARIO BUSNARDO

Hi everyone. This Mario Busnardo and I hope you find this interesting how I came to own my one and only Datsun 240Z.

In the very early 70's, I was driving from Yosemite National Park to San Francisco on back roads. They are very narrow and windy. To say the least, it takes forever to get to anywhere on those roads. I was driving a 1970 Volkswagen 411 square back with a 914 Porsche engine. On one of the few straightaways, I came upon an old Volkswagen bus crawling along and this neat red sport car behind him. The road was long enough for me to pass them both. A little further down the road, my rear-view mirror saw a red sport car coming up behind rather quickly to say the least. Now the road was definitely windy and really nowhere to legally pass me. So, I decided to get away from this pest behind me and we had quite a ride on this road, but I could not get away from him and eventually, he passed me on a blind curve and got away with it. I decided to return the favor and push him to see if he could get away from me. Well, guess what, he did with ease. I thought, wow, I really liked that car and it sure looked sharp.

Two years later, I went to Central Datsun in east Denver and bought one. Same color, same model. I have a thing about red. The first few years I owned the car, it was a regular driver, sun, rain, snow. I did my best to keep the rust away, but still had some issues. About five years ago, my youngest son said, "Dad, if you're going to keep that car, let's restore it." So, we got airplane stripper, paint brushes in hand, and plastic scrapers to strip the car down to bare metal. Of course, all the bumpers, windows, lights, etc. had to come off. Everything came off except the engine compartment, which still had the original paint. We then had a body shop do the rust work and paint the car. What you see today is the result of that work.

It has been a joy owning this vehicle, and one day that son of mine wants the car when I am done. After all, he did most of the work. I joined the club while the car was being restored. I too was looking for others who might own one of these cars, and exchange information. I most enjoy the rides and outdoor activities. It has also been my pleasure to be a small part of the Z Club and meet some of the best people I know. Thank you all for making me feel welcome and to be part of our club. Hope we can continue to make memories.

"CROCK" Pot Luck

RECAP

Saturday, March 26, 2022

By: Nate Derman

What a nice evening it turned out to be for our (maybe first annual) "Crock Pot Luck" event. Before the event the winds were very strong around the neighborhood but calmed down in time for the party.

I knew, after past parties, that we were going to have some interesting offerings. Everyone out-did my expectations. The most interesting, I thought, was Carlsons' Reuben soup. We actually had 10 crock pots, all with something different and delicious. The appetizers were also plentiful, and it wouldn't be a party without Kathy's deviled eggs. The desserts were also very tasty. I know I went back for seconds on the peach cobbler AND the cherry cobbler as well. 26 of Chloe's favorite Z family turned out to make this a really fun event.

On behalf of Cheryle, Chloe and myself, thanks to all that attended and for your crock pot recipes and desserts. Nate

2022 ZCCC Bike Ride

Join us on Saturday, May 21st, for the 11th annual ZCCC Bike Ride. We'll meet at 9:30 AM in the parking lot of the Denver Mattress/Furniture Row store located at the intersection of Parker Road and Quincy Avenue in Aurora. The lot is located on north east corner of the intersection across from the Sinclair gas station. We'll ride along the South Cherry Creek Trail 13 miles to Parker and back. We'll have lunch in Parker at the Hickory House restaurant. If 13 miles is a little too far, you can begin the ride at the Cherry Creek Trail Head located on the south side of Arapahoe Road just east of Jordan Road in Centennial which will just about cut the length of the ride in half. The trail is relatively flat all the way to Parker so this will be an easy ride. We've moved the date back a couple of weeks so hopefully, it won't be as hot as it was last year. Note: E-bikes are welcome (unless you want to get some real exercise). Please contact Andy Mortenson if you have any questions.

JUNKYARD JENNY'S QUALITY USED PARTS TOUR

WHEN: June 18, 2022

WHERE: Junkyard Jenny's Meet at Wendy's. See address below.

TIME: 10:00 AM

HOST: Patty Troxell

Meet-up time and location: 10am at the Wendy's Restaurant located at the SE corner of Interstate 25 at the 58th Avenue exit. There is a large Wendy's sign visible from the interstate. Please park on the south side of the restaurant. We will leave for Junkyard Jenny's at 10:15. The trip time is approximately 35 minutes.

Route: we will travel North on Interstate 25, take the Firestone exit (#240), go east for approximately 5 miles, and then go south on County Road 19. Jenny is located at the second house on the left. Roads are paved except for Jenny's driveway which is dirt and about 30 yards in length. For those who live close to Ft. Lupton, we will meet you at Junkyard Jenny's.

Are you restoring a S30 but having difficulty finding parts? Need advice? Jenny Boyd of Junkyard Jenny's Quality Discount Parts can help. The parts she sells are cleaned and inspected before offering it for sale. Most parts are ready for you to install. Do you have an installation question? Ask Jenny. Have you ever wanted to race at Bandimere Speedway? Talk to Jenny. Find out what it is really like to do this type of racing. She is a veteran race car driver. Hopefully she will have her race car there.

Jenny will have a large selection of parts for sale. As a club vendor, she offers members a 15% discount. She accepts cash, PayPal, most major credit cards, cash app, and Venmo.

This will be a BYOL (bring your own lunch) event. Bottled water will be furnished. Feel free to bring a folding chair and sit outside for lunch. If the weather is inclement, Jenny has a large garage where we can have lunch.

Pets are welcome. However, we will be in a rural setting without a fenced yard. There may be large raptors nearby.

Masks are optional.

Come one, come all. Everyone is welcome. Jenny is excited to meet you.

AUTOCROSS – SATURDAY, JUNE 25TH

WHERE: 23600 East 128th Avenue, Commerce City

TIME: 8:00 AM to Noon

COST: \$20 members—\$25 non members

HOST: Andy Mortenson

For those of you who are unfamiliar with it, autocross is a timed competition held on flat, paved surfaces with few obstructions such as parking lots or airport tarmacs in which drivers navigate one at a time through a defined course marked by traffic cones. Autocross courses place the demands on car handling and driver skill rather than on engine power and outright speed. It emphasizes safe competition and active participation. Since rubber traffic cones define the course, the hazards are low. The speeds are typically not as great as those encountered in legal highway driving, but the combination of concentration and precision maneuvering gives drivers an experience similar to that of a full road course race. Some of you will remember the autocross event we held at the Adams County Sheriff's Department Training Center in Commerce City last summer and how much fun it was. A few may have even participated in the autocross down at ZCON. Well, we've scheduled another autocross for the morning of Saturday, June 25th. The event will again be held at the Adams County Sheriff's Department Training Center in Commerce City. The facility is located at 23600 East 128th Avenue which is about 5 miles east of Barr Lake. We'll be using their nice smooth 3 ¼ acre skill pad for our autocross. We have rented the pad for four hours, from 8:00 AM until Noon. We're going to limit participation to the first 25 cars to register because we'd like to guarantee each car a minimum of three timed runs through the course during that time. There will be a charge of \$20.00 for each member and \$25.00 for non-members. Please bring cash or a check payable to ZCCC because credit cards can't be accepted. Helmets will be required and the Training Center requires that a release form be signed by each participant. The center is in a treeless area and there is no shade so bring sun protection and drinking water. There are bathroom facilities within easy walking distance. So save the date and come on out and watch the fun even if you don't plan to participate. If there's insufficient participation from ZCCC members, the autocross will be open to the public to help defray costs. Please advise Andy Mortenson if you're interested in participating in this event or if you have any questions.

National Museum of World War II Aviation Visit

775 AVIATION WAY COLORADO SPRINGS, CO 80916

<https://www.worldwariiaviation.org/>

WHEN: July 16, 2022

TIME: 9:00 A.M.

WHERE: Cabelas Sporting Goods Lone Tree

Cost: \$17.00 Adults, \$15.00 Seniors

Host: Andy Mortenson

The National Museum of World War II Aviation in Colorado Springs documents the role that military aviation played in the emergence of our nation as a world power during the Second World War. Through a combination of its aircraft collection and other exhibits, the museum tells the story of our nation's tremendous technological advancements during the war that were essential to the success of the Allied war effort.

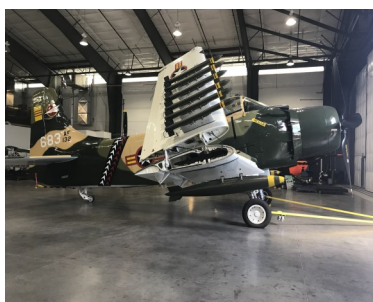

The museum displays a wide array of fully restored aircraft that represent all aspects of America's involvement in World War II. Most of the aircraft are meticulously restored to flying condition, and many are flown at air shows. (For those who shared our visit to the museum back in 2019, the new hangar has since been completed and many aircraft that were in storage are now on display.) The visit also includes the WestPac Restorations facility which is adjacent to the museum.

WestPac Restorations is a premier World War II aircraft restoration and maintenance facility. WestPac is a highly specialized FAA-certified repair station that includes paint facilities, a prop shop, and a full service metal forming shop. WestPac has been closely affiliated with the museum since its inception, and allows public access to its facility through the museum's docent-led tour program.

We plan to take the 10:30 AM tour which includes WestPac Restorations. We'll meet at Cabela's sporting goods located on the southwest side of the intersection of I-25 and Ridgeway Parkway in Lone Tree. We'll leave at 9:00 AM and convoy down to the museum which is located on the south side of Colorado Springs. Please note that there is an admission fee of \$17.00 for adults and \$15.00 for seniors. The guided tour costs an additional \$5.00. While the tour isn't required, it's highly recommended.

As an optional extension to the museum visit for us aviation junkies, lunch will be available at "The Airplane" restaurant adjacent to the Radisson Hotel which is near the museum. The restaurant is built in and around a 1950's era Air Force KC-97 Stratotanker airplane like the one flown by ZCCC member Steve Robertson.
