TOM AND LYNNE BRUNJAK

By Lynne Brunjak

Tom has always been a fan of Nissan cars. His first car was a Nissan F10 that he received upon graduation from high school. He then went to work for Clifton/Landrum Nissan in Pueblo. There he saw the car of his dreams...Nissan 280Z. He bought that car and shortly after bought a house with a two car garage to put his car in. He sold the car because he was getting married and needed a reliable car. Years go by and his dream is always alive of owning another Z car. The kids are gone and we are retiring and it is the perfect time to own a Z car. He finds one in Chicago....one owner....low miles....it is time. He buys a 1983 280 Z car. The rest is history..we find a club...join...and we are having a blast.

Tom and Lynne live in Pueblo, Colorado. Tom is a native of Colorado and Lynne is from the East. They have been married for 36 years. Their first date involved a Zcar and racing on I25. That car could go fast. They have really enjoyed getting to know all of the people involved in the ZCar club. It is a dream come true for Tom. Lynne is retired from 34 years teaching/principal. She is enjoying hanging out, reading, exercising, and spending time with the moms. Tom is still working as a Mortgage Loan Officer. He loves what he does.

Tom attended ZCON and entered his car in the Judged Car Show. He took second place in the Stock 280ZX division.

What a great afternoon/evening for a "Spooktacular" event! Jacob Rogers and the staff at Empire Nissan put on a fun event complete with Halloween music, a food truck, prizes and trick or treat candy. Twenty members, three guests and two pawticipants attended. Several of our members were in costume and decorated their Zs as well. Special guests were a witch, Dracula and his bride, a bride and groom and some criminals. It didn't work out so well for the criminals..

Thank you so much for all the effort put forth for decorating your cars, wearing creative costumes, handing out treats and supporting our sponsor, Empire Nissan. We will definitely host this again next year. Thanks from Nate, Cheryle and Chloe. Also, thanks Tiffany for the photos.

Z-licious Cornbread Casserole Recap

By Host: Tiffany Gordon

November 13, 2021

Many of our Z enthusiasts are also great cooks. It was wonderful to see such a great group of people combine these two passions. We had 12 members and 3 puppies attend this virtual z-licious cooking event. Some people came with their aprons ready to cook and others were spectators. We even had Ms. Kathy join us from New York. Everyone's cornbread casserole looked delicious. Thank you to everyone who came. I hope you enjoyed it.

HAVE YOU SEEN THIS 260 2+2?

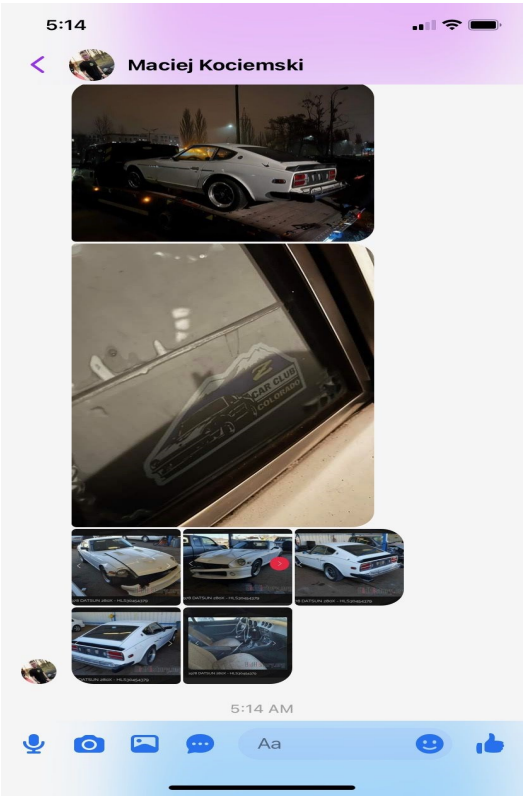

I am looking to find out if our 260 2+2 still exists and might possibly be for sale. My wife purchased it new in Denver. After our first child was born in 1979 we sold it to purchase a car big enough to hold a car seat. Several years later I purchased it back for her, had new front fenders installed and it repainted the original gold color. We then sold it again when transferred to Germany in 1989. I saw it on the road in Denver in about 1993. It was still wearing the American Racing wheels and a rear window louvered shade. It has an after market sun roof. I have not yet located the vin. If anyone has any information I can be contacted at dangaddy@msn.com.

FACEBOOK MYSTERY 280 Z IN POLAND

By Tiffany Gordon

We got a message on our Facebook page from someone who recently purchased a 280 Z in Poland. He said that his vehicle has a Z Car Club of Colorado sticker on it and was hoping to reach out to the original owner. Does anyone have any idea who this vehicle might have belonged to? I'm not sure why he wants to reach out to the new owner, maybe for nostalgia? Any ideas? It is Certainly amazing that a 280z went from Colorado to Poland. It definitely was in some kind of accident. Please see the screenshots with his message and the pictures. If you know someone that may have an idea, please forward this information to them as well... Thank you, Tiffany Gordon
