*In a Flash*

Happy 2021! We made it!!!

Let me first thank Mike Rhyne for his willingness to step up to be the next Webmaster of The Z Car Club of Colorado. Congratulations for taking on this very important position. Mike and his wife Wendy joined ZCCC earlier this year and have been active members ever since.

As I promised, we were going to examine the Constitution and propose necessary changes a little bit at a time to give our members a chance to discuss and vote on them. So far our members have voted for and approved our first 2 proposed changes. We will discuss another proposed change at the January General Meeting. If there is something you would like to modify in the Constitution, please let me know.

Check out the new definition for a Member in Good Standing by logging onto our website and clicking on Members>>>ZCCC Constitution. You will find it on page 11 under Rules of Order/Article I – Membership/Section I – Members. Once other words or phrases are defined, we will consider adding a definition section as some members suggested.

All of the 50<sup>th</sup> Anniversary Nissan Z books have been sold and we only have 3 face masks remaining with the ZCCC logo. I'm so glad you really liked these items.

Since we are doing so much virtually, there really is no reason to have our normal slowdown of events through the winter months. Last year we had a virtual shine n show, virtual cooking demo, virtual Bingo, and most recently a virtual holiday party. So please think about something you'd like to do, get the date approved by our VP Gail, and send your event write-up to Gail, Tiffany and Cheryle.

The Odometer is available for viewing at [www.ZCCC.org](http://www.ZCCC.org) every month. Please put a reminder on your calendar for the first of every month to go to our website and click on **Download The PDF** to open the Odometer.

We continue to have good turnouts at our events and meetings and we continue to see an increase in our membership. Thanks to all for making our car club one of the best!

Regardz, Don Gordon - President

# CONSTITUTION

## Proposed change to the Constitution...

Some members don't like the word "Acceptance" in the Rules of Order - Membership section.

Currently it states, "Upon **acceptance** of the membership form and dues, the applicant becomes a member of ZCCC and is entitled to all the activities and benefits of ZCCC."

Here is the proposed change...

Upon **receipt by the Membership Chairman** of the **fully completed** membership form and **the annual dues in full for the desired membership type,** the applicant becomes a member of ZCCC and is entitled to all the activities and benefits of ZCCC.

## MEET YOUR MEMBERS

Hi, my name is Pat Baxter and I live in Frisco. I am a new/renewing member. I was a regular at the track events for a number of years, but my membership lapsed a few years ago as I got more active in the car scene closer to home.

I'm kind of an S30 fanatic. I have two and love working on them.

My parents are the original owners of my Racing Green '77 280z. They have kept it since new and gave it to me about 10 years ago. I've been restoring/modifying it since.

Modifications include:

Willwood 4-wheel disk brakes, triple Mikuni 44's, and a 3.2L stroker built by Jeff Winter at Rallye-Sport. I bought the Kilimanjaro White '72 240z last year. It sat in a farmer's field for a number of years and was in very rough shape. I'm nearing the end of a complete rotisserie restoration. I'll have it finished by spring and plan to show it at ZCON. Jeff rebuilt the engine for this car and Whitt's Rod Shop in Grand Junction did the body and paint work.

## WE WOULD LIKE TO FEATURE YOU AND YOUR VEHICLE

**DATE: DECEMBER 12, 2020**  
**TIME: 6:00 PM**  
**LOCATION: VIA ZOOM**  
**HOST: NATE DERMAN**

Thanks to all that attended our Pandemic holiday party via Zoom. We had 20 members in attendance and again Bruce McKenney had the brightest/ ugliest sweater of the evening. It was a great time to catch up with Z family members between the Thanksgiving and Chanukah/Christmas holidays. We will do this again in 2021, hopefully in person. A special thanks to Tiffany Gordon for moderating this event and assisting with "reindeer games". Thanks again for attending. Nate, Cheryle and Chloe.

# Holiday Lights Tour Recap

**December 19, 2020**

**Hosted by Bruce and Cheryl McKenney**

We met at 6 pm at the Sam's Club in Southlands Shopping Center. At Sam's Club members were able to get copies or emails of the route for our tour. They were also able to enjoy a festive treat of hot chocolate (with either peppermint Schnapps or Fireball whiskey to mix in) and cookies. From there we headed east and our first stop was at a home that had synchronized music and lights. From there we continued on to see brightly decorated cul de sacs and streets. Along the way there was a flock of penguins and a helicopter Santa. The tour also included a stop at our home to see the light display we put up each year. We even had a visit from the jolly old elf himself who passed out candy canes. The final stop was at a synchronized light show with talking trees, Santa and shooting stars. There were 14 members that attended the drive and 6 guests. Thanks to all for attending this festive event.

# ZCON AUGUST 16 — 21, 2021

By Travis Scott, Inter-Club Liaison

Photos provided by Diana Inberg

Fellow Datsun and Nissan Z car enthusiasts. It is an exciting year ahead of us! The Z car club of Colorado has the honor of hosting this coming year's 34th annual Z car convention held in Colorado Springs next August 16th-21st 2021. This annual week long event is filled with motorsports, car shows, driving events, special guest and regional activities from a new location every year.

The very first ZCON 33 years ago was in Aspen Colorado in 1988 and then again years later in Denver in 1996. Since that first ZCON, Datsuns and the Nissan Z car have seen 3 different model variants and a 4th is just around the corner.

This gathering gives you a chance to see hundreds of Z cars from all over the United States while also offering safe affordable venues to put your car on the race track. If you have never been to a ZCON, it is an amazing atmosphere for Z car enthusiasts and there will be excitement in every event. Driving 1000 miles or more is usually needed to attend and it's worth every mile.

Twenty five years later ZCON is finally coming home to Colorado again. I am pleased to announce the judged car show and social evening event will be held at the Flying W Ranch which has a huge history in Colorado. It offers beautiful scenery and has an amazing story. Our next big announcement is that January 1, 2021 registration will be open for the event and is a crucial part of ZCON planning. The more registrations we receive early on will help give the sponsors, venues and volunteers a better idea of the amount of attendees and enables them to move forward with ideas and merchandise. The Z Car Club Of Colorado will play an integral role in volunteering and making this event successful. Please reach out to any member on the committee if you would like to volunteer. I am excited to be a part of this event as a member of the Club and as a Z car owner for over 20 years. Please feel free to reach out to me if you have any questions about ZCON.

## Unsung custom build from SEMA 2020

Brandan Gillogly  
November 11, 2020

SEMA's annual Battle of the Builders pits some of the country's top car and truck builders against each other to see who can deliver the highest-quality custom work. Despite SEMA taking a break due to the pandemic, SEMA360 kept the show alive virtually for 2020, and that (naturally) included a Battle of the Builders competition.

This 1973 240Z by Eric Ritz is a standout from SEMA's Battle of the Builders Sport Compact category.

Lots of SEMA builds aim for flashy and bold, but this understated ride is as subtle as can be. Its white paint highlights the sanitary fabrication and layout throughout. Under the hood is a gorgeous LS V-8 and as much as we appreciate the easy power and great soundtrack, we'd have been just as happy with an L24 or RB if it looked this good.

# HAPPY NEW YEAR 2021

Subject: 2020 in a nutshell

1. The dumbest thing I ever bought was a 2020 calendar.
2. I was so bored I called Jake from State Farm just to talk to someone. He asked me what I was wearing.
3. 2019: Stay away from negative people. 2020: Stay away from positive people.
4. The world has turned upside down. Old folks are sneaking out of the house and their kids are yelling at them to stay indoors!
5. This morning I saw a neighbor talking to her dog. It was obvious she thought her dog understood her. I came into the house and told my cat. We laughed a lot.
6. Every few days try your jeans on just to make sure they fit. Pajamas will have you believe all is well in the kingdom.
7. Does anyone know if we can take showers yet or should we just keep washing our hands?
8. This virus has done what no woman has been able to do. Cancel sports, shut down all bars and keep men at home!
9. I never thought the comment, "I wouldn't touch him/her with a 6-foot pole" would become a national policy, but here we are!
10. I need to practice social-distancing from the refrigerator.
11. I hope the weather is good tomorrow for my trip to the backyard. I'm getting tired of the Living Room.
12. Appropriate analogy. "The curve is flattening so we can start lifting restrictions now" is like saying, "The parachute has slowed our rate of descent, so we can take it off now."
13. Never in a million years could I have imagined I would go up to a bank teller wearing a mask and asking for money.
