Gordon's News...

In a Flash

Events, events and more events. Starting May 1st thru the first weekend in June, our members have hosted a string of six events one weekend after another. Most events have been in-person. Perhaps now that 60% of Americans have been vaccinated, more members are feeling comfortable participating in events. In fact, I saw a few members like Steve Eaton and Tom Jacobson at the Prima event. Some members obviously like meeting in person rather than virtually. I'm glad to see most members are still wearing masks.

A huge thanks to our sponsor Empire Nissan for giving us a tour of their Lakewood and Littleton facilities. Service manager, Jacob Rogers, introduced us to staff in sales, service, parts and management. As soon as we showed Jacob the new Empire-ZCCC sponsorship banner, he prominently hung it up in his service area. Remember, if you have any business transaction at Empire, you are eligible for one Active Member point. This relationship is such a win-win for Empire and our club. Oh yes, a thank you to service technician Adan Martin (a Z car specialist) for filling up my tire with air and advising me on my burned out bulb.

I must say I felt honored to have been selected to have my Lemans Sunset 350Z Roadster detailed by owner Jesse Vamvakas at Prima Car Care's new location. I was very nervous as it was the first time in about 10 years that I had my solid black bra removed from the front bumper. We didn't know what it would look like underneath. Jesse used so many of his exceptional products to wax the outside, clean the leather inside, bring a luster to my head lamps and just make my car shine. Please support our active vendor by visiting www.PrimaCarCare.com. You'll get a generous 25% discount on most items by using "Nissanz2021" when ordering. Jesse even hinted at participating at ZCON.

A milestone I have been talking about is that of reaching 150 members. With all these events and ZCON on the horizon, we are seeing a lot of interest in our club. Tiffany Gordon, our Social Media Director, has seen more activity on Facebook. In fact she has gotten a few people to join just by answering some of their questions. I look forward to hearing about our latest numbers from our Membership Chairman, Andy Mortenson, at the June General Meeting on Wednesday, June 2nd. Hope you can make it.

Also at the June meeting, I will be appointing a 3-person nominating committee to search for your next club President. If you are interested in any Board position, now is the time to let it be known. We welcome new members to our Board with new ideas.

Lastly, I am so glad to report that Judy Genoff is no longer at The [rehab] Center at Lowry. She has returned to Ed McHugh's home and is progressing fairly well. She is able to get around with the assistance of a walker. We hope to see her tuning in to our next Zoom meeting.

Regardz, Don Gordon - President

MY EXPERIENCE WITH EMPIRE LAKEWOOD NISSAN

As a result of a very poor job by a local auto glass shop's replacement of the windshield on my 2014 370Z convertible, the drivers side A pillar finisher trim was damaged beyond repair. I contacted Rick Leonard, Parts Manager, at EMPIRE LAKEWOOD NISSAN. The part was ordered on Friday, April 23rd. I then contacted Jacob Rogers, Service Manager, about getting it installed. He advised that it could be done quickly once the part was received and to call him when I was notified it was available. I received that call late in the day on Tuesday, April 27th. I followed up with Jacob on the morning of the 29th. His comment, "Bring the car in." I arrived a little after 1PM. The new finisher trim was installed and I was out the door by 1:40.

That is what I consider EXCELLENT SERVICE.

RON GARDNER

More customer satisfaction from Kathy Minister.

"I want to thank the service manager and Adan Martin at Empire Nissan in Littleton for helping with our "Z" and repairing the airbag problem. Everyone was so helpful and nice while they worked on the car. I appreciate all they did in Fred's name. Kathy."

DO BUSINESS WITH EMPIRE NISSAN AND GET AN ACTIVE MEMBER POINT!

Any time you get your vehicle serviced, buy parts or even purchase a new vehicle from either one of Empire Nissan's dealerships, one active member point will be awarded per transaction. You just need to send a copy of your documentation to our Vice President, Gail Mund. This is a great way to show your appreciation for our sponsor and keep your vehicle in tip top shape.

It's never too late to get your 15th point! Please send your Empire Nissan receipt to Gail if you haven't already done so.

EVENTS

2021 ZCCC Bike Ride

When: June 5, 2021

Time: 9:30 A.M.

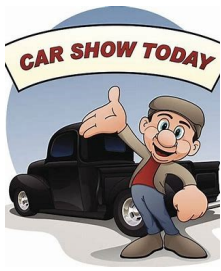

Where: Furniture Row2 Parking Lot—Parker and Quincy in Aurora

Host: Andy Mortenson

Join us on Saturday, June 5th, for the 10th annual ZCCC Bike Ride. We'll meet at 9:30 AM in the parking lot of the Denver Mattress/Furniture Row store located at the intersection of Parker Road and Quincy Ave in Aurora. The lot is located on north east corner of the intersection across from the Sinclair gas station. We'll ride along the South Cherry Creek Trail 13 miles to Parker and back. We'll have lunch in Parker at the Hickory House restaurant. If 13 miles is a little too far, you can begin the ride at the Cherry Creek Trail Head located on the south side of Arapahoe Road just east of Jordan Road in Centennial which will just about cut the length of the ride in half. The trail is relatively flat all the way to Parker so this will be an easy ride.

Note: At this time, the Hickory House is open for indoor dining at full capacity so we'll have lunch as planned.

Please contact Andy Mortenson if you have any questions.

Zcon planning is moving along and events are filling up! Registration is still up on the ZCON website and just being affiliated with the Z Car Club of Colorado still gets you a discount for being part of the Z association (ZCCA)

Please check out the ZCON website <http://zcon.org/conventions/2021/> or on the Facebook page www.facebook.com/zconvention/ for all the current information and updates with The 34th Annual Z Convention.

For those of you still unsure about registering or know you will not be able to participate every day of the week, I highly recommend registering at least for the weekend pass to participate in Friday's Motorsports and Saturday's Peoples Choice show. Nissan will have a special surprise for the events and is highly invested in making this an amazing convention. A large attendance would really show how much we all love the heritage of the Z car. The fact the Z convention is a week long can be helpful to you as a local member, so you can pick and choose what events interest you the most. If you enjoy the cruise group drives I would do full registration and participate in Tuesday's events. But at every event all Z's no matter what their condition is, get respect and admiration. There are 5 categories in the Judged and Peoples Choice divisions for every type of Z owner; Stock, Street Modified, Nissan Modified, Ultra Modified and Daily Driver. Four of these categories are based on the amount of visual upgrades to your Z. Daily driver entries have to have over 75,000 miles. The car show is designed so that it isn't just catered to fully restored show cars and that way almost every Z can be competitive in the show. The Z Car Club of Colorado hasn't had this huge opportunity since 1996. With ZCON coming to Colorado, so much has changed since 1996. I am excited for the success of the event. Volunteers are still needed. If you have time during that week to volunteer, here is the signup website if you are interested. <https://signup.com/go/PjSoAyP>.

Please feel free to reach out to Travis Scott at trascoaaa@yahoo.com with any questions.

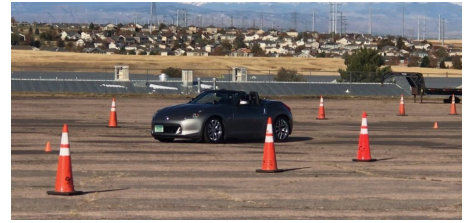

Watch the Odometer for ZCON monthly updates.

AUTOCROSS – SATURDAY, JULY 24TH

HOST ANDY MORTENSON

A few of you will remember the autocross we held in the parking lot of the Aurora horse race track back in October of 2019 and how much fun it was. Well, I've scheduled another autocross for the morning of Saturday, July 24th. The event will be held at the Flatrock - Adams County Sheriff's Department Training Center in Commerce City. We'll be using their nice smooth 3 ¼ acre skid pad. The facility is located on 128th Avenue about 5 miles east of Barr Lake. I'll have further details in the July Odometer, but save that date. I would like to get an idea of how many members are interested in running on the course. Please let me know at my Club email address:

EMPIRE LAKEWOOD NISSAN AND Z CAR CLUB OF COLORADO PRESENT

"Z GREATEST CAR SHOW OF ALL TIME"

When: Saturday, July 31, 2021

Time: 4:00 to 8:00 p.m.

Where: Empire Littleton Nissan

5067 S. Wadsworth Blvd., Littleton, CO 80123

Host: Cheryle Derman

Come one come all to the Z Greatest Car Show Of All Time! Empire Littleton Nissan and Z Car Club Of Colorado are joining forces to present one of the largest People's Choice Car Shows in a long time. There will be music, food and lots of spectators. This is one of the regularly scheduled car shows that Empire Nissan puts on the last Saturday of each month.

This show will be totally different. Members that wish to display their vehicles if they want to participate in the People's Choice voting will receive an entry sheet with an assigned number to be placed on the inside of the windshield with vehicle information on it so everyone attending may vote. Hopefully we will have a separate area to display these vehicles. All spectators and members may vote. The categories are: 240Z; 260Z; 280Z; 300ZX-300Z; 350Z; 370Z and Z Greatest in show. Only our Club may enter. This will be good practice for the ZCON car show. We need to have a count for the vehicles that are entering the contest, so we can hopefully reserve private parking spaces. If you want to enter, please let Cheryle know at odometer@zccc.org by July 26, 2021 so that Empire knows how many spaces to reserve.

Please come out to either enter your car, show your car without entering, or merely see what a great event this will be. Whatever your choice, we look forward to "Zeeing" you there.

MEET YOUR MEMBERS

DON, JUDY AND TIFFANY GORDON

Not many people buy a 2-seater convertible in the middle of the Colorado winter, but the Gordons did. In January of 2009, a gorgeous streak of orange caught our eye. After a sharp u-turn and a few signatures later, we became owners of a 2005 Lemans Sunset 350z Roadster.

About 1-1/2 years later while Judy, Tiffany and Don were enjoying a local food event on Havana Street in Aurora, we noticed a large gathering of Z cars and ventured over to Tynan's Nissan to see what was going on. We were approached by several members who told us that the Z Car Club of Colorado was doing a Shine N Show and then suggested we join. We immediately joined and have been members for over 11 years.

During our membership, we have supported the club by holding several leadership roles. Don started out buying gifts for the club's 50/50 drawing at monthly General Meetings for many years. Then, he was club VP for 2 years, followed by Judy holding the VP position for 2 years. Don was then elected as VP and served for another 2 years. Tiffany became the club's Social Media Director about 4 years ago and has been managing the club's Facebook page, private member's group, and Twitter page. About 18 months ago, Don was elected as the ZCCC President.

All 3 of us have hosted events over the years, perhaps the most memorable were the Fourth of July celebrations at our home in Estes Park.

Do the Gordons like cars? We have had many interesting cars over the years including a '77 Triumph TR7, '79 Lancia Beta HPE, '81 Renault Le Car, '86 Pontiac Fiero, '93 Pontiac Firebird and a pearl yellow '94 Mitsubishi 3000GT. About 6 months ago we added a new Z to the family... a Lincoln MKZ Black Label edition.

Since joining we have been Active Members and have enjoyed the fun times and the friends we have made in this awesome car club!

Something you may not know about each of us... Tiffany was born in Orlando and there she learned to play a red clarinet. While living in Florida, Judy worked for Sea World and was kissed by a sea lion. Don worked for Walt Disney World and got to go behind the scenes. He even got to be part of the character crew.

PRIMA CAR CARE RECAP

MAY 15, 2021

HOST PATTY TROXELL

Photos by Tiffany Gordon

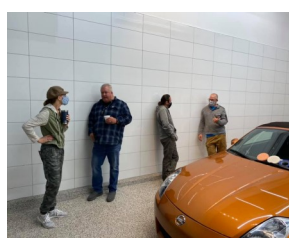

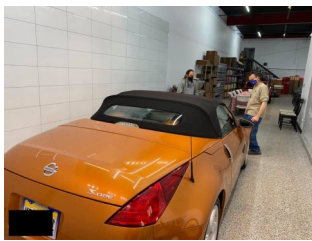

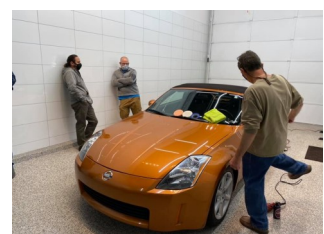

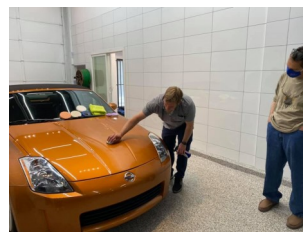

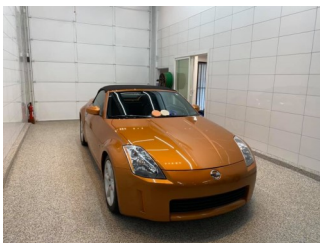

I would like to thank Jesse and Prima Car Care for having ZCCC members visit their new location and open house and Tiffany Gordon for taking pictures.

Thirteen club members attended the event. President Don dropped off his 350Z roadster a few days before the event for Jesse to prep and detail half of his car so attendees could see the "before and after" results. Jesse explained and demonstrated the products and process he used on Don's car. I learned I need to be more faithful in using my orbital buffer. After answering many questions, Jesse looked at member's cars, offering recommendations to address areas of concern.

There were several cars getting the "royal treatment" in Prima's new garage area including an early model 280Z and this rare Nissan GTR with right hand steering in a limited purple valued at about \$500,000. Both are pictured below.

Thank you to all members that attended the open house event—Patty.

SCENIC DRIVE AND PICNIC RECAP BY STEWART AND CHRISTINE GOLDITCH MAY 22, 2021

Our idea for a great Z drive came into fruition when 14 cars went through the In N Out Drive through line all together. 22 people and of course, our club mascot, enjoyed a delicious In N Out meal in the parking lot. We managed to create our own outdoor seating area next to our vehicles. We even had some non-members who joined us as well. It was a beautiful top down scenic ride and we hope all who joined in enjoyed this as much as we did. Thank you everyone who attended.

Christine and Stewart.

1978 Datsun 280Z - Black Pearl -- For Sale -- 70K original miles

This is my third Z. I previously owned a 1971 240Z and a 1974 260Z 2+2. It was purchased from a family outside of Baltimore, MD in 2011 It had been in that family for over ten years, "garage find" in Chicago where it had sat for years. I went off to Iraq shortly thereafter and the car went into storage . It has been driven less than 500 miles since the purchase. The car was professionally transported to Colorado in 2015. Boxes and boxes of OEM, used & rebuilt parts to include seals, spare gas tank, all four original steel wheels w/hub caps are included.
