*Gordon's News...*

*In a Flash*

So far this year, we had the largest General Meeting via Zoom in August. It looks like our members are getting used to this conference call technology. We even had a prior member, Karen Haldane, and a new member, Michael Nigro, join in.

Membership Chairman, Andy Mortenson, reported that we are experiencing unprecedented membership growth.

And the events just keep on coming...both in-person and virtual. There are many drives, a parade to honor the health of our long time member Roy Davis following his open heart surgery, some virtual Bingo and an frozen custard event where the host Travis Scott is getting other car clubs to join in. Some members are even driving to Nashville for this year's ZCON. It sure sounds like a lot of FUN!

To make sure our election process has the integrity in voting you would expect, I appointed our secretary Cheryl McKenney as our Election Director. Cheryl will oversee the entire election process. She is committed to making this election go smoothly.

For absentee ballot instructions, please see the article in this Odometer. Otherwise I hope you can attend the General Meeting via Zoom on September 2<sup>nd</sup> to participate in this year's election.

Lastly, I want to wish our Constitution Analyst, Patty Troxell, a speedy recovery from her bicycle accident. She was actually hit by a car. She is in a cast but she's already talking about her next bike ride. Now that's determination!

Regardz,

Don Gordon

President

ZCCC Members,

Please keep these members and their families in your thoughts, reach out to them and wish them well.

*Roy Davis*

*Kathy DelGrosso*

*Rick & Mary Mraz*

*Patty Troxell*

*Eldon Luers*

*Roy* continues to recover from heart surgery and kidney stones. We wish Roy and Stormi the very best. If you would like to send a Heart Healthy meal to Roy at home, please do. Stormi and Roy would greatly appreciate these meals to lessen the burden of having to prepare or think about dinner. If you would like to prepare a low fat, low salt, heart healthy meal for the family, please click here to sign-up: [Meals for Davis Family](#).

*Kathy* is recovering from successful open lung surgery at Univ. of CA, San Diego where they removed blood clots that were causing her pulmonary hypertension. She is doing well and was been moved to the rehab floor and hopefully will be coming home before the end of Aug. Prognosis is very good that she will no longer need supplemental oxygen.

*Mary's* cancer and pain have steadily gotten worse this summer. Her pain management treatments are no longer helping and Mary's mobility is declining. They have made the decision to suspend chemotherapy and seek home hospice care.

*Patty* is recovering after being hit by a vehicle while riding her bike. She is pretty banged up. She has a fractured wrist bruising and is at home recovering. We hope she will be back on her bike for more adventures as quick as possible.

*Eldon*, on behalf of Z Car Club of Colorado, we are saddened to hear of the recent loss of your father.

Please spread the love and well wishes to our members recovering form illness and going through these difficult times. A simple note to say "Hi, you are in our thoughts" goes a long way.

## ZCCC Board Elections for the 2020-2021,

### Voting Procedures

Voting for Board position will be done virtually at the September meeting. Members can only vote at September meeting or by absentee ballot. At the beginning of the September meeting an email will be sent to members in attendance who have not voted by absentee ballot. The email will be from [cmckenney1921@gmail.com](mailto:cmckenney1921@gmail.com) with a subject of ZCCC Board Ballot 20 – 21.

When the email is opened the recipient will be invited to fill out the form and can do so by clicking the “Fill out Form” box.

This will direct you to the Ballot where you enter your name (this is a required field), choose one candidate for President and one candidate for Interclub Liaison. Once all information has been entered and candidates have been selected you may click the “Submit” box and your vote will be cast.

The screen will indicate that your response has been received and will then allow for an additional person to submit a ballot. The same procedures will be followed for any additional ballots cast.

There are only 2 options for voting, if you are attending the virtual meeting via Zoom or request an absentee ballot as instructed here-in. Votes without a name will not be counted. Multiple votes by the same person will not be counted at all.

Voting will be open for approximately 20 minutes to allow for members to access their email and cast their vote.

Absentee ballots will be added to the candidate totals after voting has closed and the winners will be announced.

### Absentee Ballots:

If a member of the ZCCC cannot attend the virtual meeting on September 2, 2020 they may request an absentee ballot. The request for an absentee ballot needs to be made to the Secretary, Cheryl McKenney via email at [bcjbmcken@aol.com](mailto:bcjbmcken@aol.com). Absentee ballots are sent via USPS and need to be returned via USPS by September 2, 2020.

## 2020 Colorado Concours d'Elegance Canceled Due to Ongoing COVID-19 Concerns

Denver, CO. (August 18, 2020) - Knowing that entrants, judges, volunteers and guests face ongoing health concerns related to the COVID-19 pandemic, officials of the Colorado Concours d'Elegance have decided to cancel the 2020 show, which was postponed in June.

"We thank all of the enthusiasts who have gathered time and again to celebrate great cars, renew long-standing friendships, and give so generously to Ability Connection Colorado," said Concours Founder & Co Chairman Tom Scott. "The purpose of this event has always been to raise necessary funds for the community's at-risk children and families. Ultimately, the continued health and safety of everyone associated with the Concours is our number one priority, which led us to this difficult decision. We recognize that cancelling the 2020 Event will result in a devastating loss of critically needed funds to help continue the life-changing programs and services of Ability Connection Colorado, although we are confident it is appropriate under these unique circumstances."

**CONCOURS is a CRITICAL FUNDRAISER that brings in over \$100,000 each year for ACCO's five Creative Options for Early Childhood Education Centers. These centers RELY on the goodness of the Concours community to HELP FUND VITAL SERVICES for AT-RISK CHILDREN.**

Even though the event has been cancelled, the need is ongoing and becoming dire. We know that we cannot make up the loss of funds raised through public spectators, but **we hope those who have planned to attend will consider making a 100% tax-deductible donation in the amount of your normal registration / sponsorship.**

Every dollar donated goes towards supporting Ability Connection Colorado's mission to provide SAFE, critical early childhood education for children with disabilities and other life challenges, WHILE IMPLEMENTING NEW SAFETY practices and procedures as required by the State of Colorado.

Want to help? PLEASE DONATE TODAY at <https://bit.ly/ACCODonate> to take advantage of \*tax credits/write-offs!

**Federal CARES (Coronavirus Aid, Relief and Economic Security) Act Includes Charitable Giving Tax Break for Donors**

**COLORADO CHILD CARE CONTRIBUTION TAX CREDIT:** When you give to Ability Connection Colorado and designate your gift in support of our Creative Options program, you can take advantage of tax credit programs that enable you to give more, receive something in return and possibly multiply your gift in the process!

## 33rd Annual ZCON “The 50th Anniversary of the Z Celebration”

**When:** September 14-19, 2020, Travel 12-13 and 20-21

**Where:** Nashville, TN

**Host:** Diana Inberg and Alex Millward

<http://zcon.org/conventions/2020/event-schedule/>

There will be two versions of the drive to Nashville and back. Alex Millward is trailering his Z, so this drive will be a bit slower and more gas stops. Alex will lead, this group, if you choose to drive with him even if you are not trailering you are more than welcome to join him.

Diana Inberg will lead the Z car Driving group. This drive will be a little faster and with less gas stops.

We are planning on spending the night in Kansas City, MO on Sept 12th. We will follow I-70 all the way into Kansas City. The next morning we are still on I-70 until St. Louis. Then we take I-64 to Mount Vernon, Illinois. The highway changes there to I-57 then to I-24. The rest of the way to Nashville. It is about 1200 miles, 16 hours and 39 minutes without stops. So plan on more like 17 and half to 18 hours over the two days. There is a small toll required on this route in Kansas.

The return trip will be just the opposite of the trip to Nashville. Spending the night at the same hotel in Kansas City, MO on September 20th.

If you are joining us for this trip to ZCON 2020, please email me or Alex to let us know you are going so we can meet you at the starting place: Murphy's Express, 3470 Tower Road, Aurora, CO 80011.

Rolling out of Murphy's Express at 8am sharp.

Diana Inberg email: (can be found in Members Directory), phone or text 402-580-3956

Alex Millward email: [club@zccc.org](mailto:club@zccc.org), phone or text (can be found in Members Directory)

This is the quintessential Z Car Event of every year. So I hope some of the club or anyone with a Z car will join us. The week long activities and Z car camaraderie is not to be missed.

## Zaturday Drive

**When:** Saturday, September 19 9:30 am

**Where:** [Ken Caryl Park-N-Ride](#)

**Host:** Andy Mortenson please log into [zccc.org](#) to view organizer's contact info under the Upcoming [Event section](#)

**Cost:** \$0.00

I've recently learned that the big car show at my church on September 19<sup>th</sup> has been cancelled due to the Corona virus. Rather than let that date go to waste, I've decided to host a Zaturday drive instead. Some of you may remember a drive we took back in 2013 where we met at Ken Caryl Ranch and drove up to the Brook Forest Inn in Evergreen for lunch. It was a very scenic drive on a lot of fun twisty roads so we're going to do it again.

We'll meet at 9:30 AM at the Park-n-Ride lot on Ken Caryl Parkway located just east of C-470. From there, we'll take a leisurely cruise to Evergreen via a circuitous, but scenic route. The drive covers about 35 miles of paved country roads and should take about 1.5 hours to complete. Detailed route instructions will be provided at the Park-n-Ride prior to departure. Unfortunately, the Brook Forest Inn is closed so the drive will end at an alternate location which will be provided in the instructions. Due to the uncertainties surrounding the virus at this point, I would *not* plan to have lunch at a restaurant on this drive.

## Z Drive Fall Colors

**When:** Saturday, September 26, 8:30 am

**Where:** [East Tin Cup Market \(17881 W. Colfax Ave, Golden, CO 80401\)](#)

**Host:** Sanders please log into [zccc.org](#) to view organizer's contact info under the Upcoming [Event section](#)

**Cost:** \$0.00

September is a time when Colorado show's off its colors. We will meet in Golden and make our way west. Our highlights will be driving past beautiful Echo Lake and Mount Evans, Georgetown, Guanella Pass, and 285.

Due to Colorado's Severe Fire Season we may need to alter our route as we go.

Today's drive is a ½ day (3.5 to 4 hrs. long). With social distancing guidelines being mandatory because of Covid 19 I'm not comfortable stopping somewhere to eat so lunch is not planned for. Please bring drink and snacks. Also bring radios (channel 5.30) so we can communicate. For additional info and/or to let us know you are going, please contact us. Tammy

## Nissan's Finest

**When:** Sunday, September 27, 10:30 am-1:30 pm

**Where:** [Andy's Frozen Custard, 3505 River Point Pkwy, Englewood, 80110](#)

**Host:** Travis Scott please log into [zccc.org](#) to view organizer's contact info under the Upcoming [Event section](#)

**Cost:** \$0.00

Nissan celebrates this year a half a century of history and heritage with the 50th anniversary edition models of the GTR and 370z while also releasing a teaser commercial for a new Z car. These variations and other older Nissan sporty vehicles are becoming desirable and more commonly imported now and have their own enthusiast community. I want to do a collaborative event with all Nissan enthusiast and their sports cars to enjoy the end of summer. Please invite anyone with any Nissan make or model. There will be awards based on voting for each model. The third and fourth generation Nissan Skyline known as R32 & R33 can be imported to the USA and has a huge following, their group has confirmed they will attend hopefully about 15 or more of them. I have contacted a few of 1990's 240sx owners that will attempt to get 10 cars or so. I'm hoping we can get all of our Z cars down there, a lot of them have Z cars as well or are into Z cars. Vehicles will be spaced out to accommodate social distancing and please bring mask, Andy's frozen custard is excited to have us.

## Picnic Drive

**When:** Saturday, October 10, 10:00 am (5+ hrs.)

**Where:** [Northwest corner of W. Eisenhower Blvd, and Wilson Ave](#)  
Loveland, CO

**Host:** Ira Sanders please log into [zccc.org](#) to view organizer's contact info under the Upcoming [Event section](#)

**Cost:** Bring Picnic Lunch

Pack a Picnic basket and head out for the day with us. We will meet in Loveland at the Northwest corner of Eisenhower and Wilson in what used to be the K-Mart parking lot. Access the lot by turning North on Wilson Ave. We will leave Loveland heading west and then be driving up into the foothills. We will continue northwestward where we will stop for lunch along the way. The drive will include the towns of Masonville, Stove Prairie and Rustic as well as the very scenic Poudre Canyon. This drive is a long one and we will make stops for restroom breaks. Due to Colorado's Severe Fire Season we may be altering the route if Cameron Pass fires are burning.

Colorado's weather can be unpredictable. If the weather has been nice, feel free to bring your Z. Otherwise, drive what you feel comfortable considering the weather.

Mandatory social distancing guidelines are to be followed. Please bring drink, lunch, snacks and radios (channel 5.30) so we can communicate. For additional info and/or to let me know you are going, please contact us.

## Pack A Backpack School Supply Drive at Larry H. Miller

I want to thank every member who donated to help support children across Colorado get the school supplies they need. This upcoming 20-21 school year will definitely be unlike any other. Many students across the state cannot afford to buy school supplies for the year. Our sponsor's branch company, Larry H. Miller, teamed up with Denver 7 and other organizations to host a School Supply Donation Drive. I am so proud of our club for helping fill the cars at Larry H. Miller with supplies. You could have donated one thing but everyone donated multiple items. As a teacher, my heart is flooded with joy at your generosity. You all get an A+ in my book. Thank you! -Tiffany Gordon

## Z Drive Southeast

Thank you to everyone who came together Saturday, Aug. 15, for a drive through Douglas, Elbert and El Paso counties. We had a total of 10 cars and 15 participants driving the country roads. The first half as always a wonderful drive along the front range down Hwy. 105. The second half was more adventurous as a few paved roads on the maps turned into dirt or simply were not there any longer. We eventually made our way into Elizabeth stopping to use the gas station on the outskirts of town. From here those of us that remained headed north and west towards Parker. Thank you to everyone who joined on the drive. It was fun. Tammy

The 2020 MotorTrend Power List – 50 key players in the auto industry, includes 2 Nissan executives:

**2020 Rank : #46 – Alfonso Albaisa**

**Senior Vice President For Global Design, Nissan Motor Co.**

Albaisa continues to redefine the look of the Nissan and Infiniti brands as they embrace a focus on electric vehicles. He poached former Lincoln designer David Woodhouse to help create distinctive Japanese designs. For Infiniti, the Inspiration concepts represent the future of the brand. At Nissan, an overhaul of the lineup is foreshadowed by the IMQ crossover concept.

**2020 Rank : #5 - Designer: David Woodhouse**

**Vice President, Nissan Design America**

The former Lincoln design chief hopes to replicate his magic for transforming overlooked vehicles into head turners for the aging Nissan and Infiniti portfolios. Woodhouse's work has been exceptional and thrust Lincoln back into the spotlight as America's luxury brand. Can lightning strike twice?

FYI...2020 Person of the Year is Peter Schreyer-President & Head of Design, Hyundai

## Land this car before the market gets wise

### 1974 Datsun 260Z

Mecum

Although the Datsun 260Z's prices are, for the moment, tracking evenly with the overall market, we think it's due for a bump. Owners are getting the sense their cars are worth more, as indicated by high insurance quote activity (up 23 percent over the last year) and quoted values that are up 14 percent over the last three years. Plus, it's always a good sign of future collectibility when 46 percent of quotes come from millennials.

What's behind this jump in interest for the one-year-only 260Z? Well, a #3-condition (Good) two-seater is worth \$11,000 and a #2 (Excellent) one is worth \$25,600, compared to \$18,200 and \$38,300, respectively, for a 1971–73 240Z. That's a big premium for the 240, which is an extremely similar car. The 260Z was a bridge between the original Z car and the fuel-injected 280Z, with a slightly less-powerful engine.

Thank you to Andy Mortenson for the submission of these articles from MotorTrend and Mecum
