

Gordon's News...

In a Flash

August kicked off with a very well-attended General Meeting. It was nice to see Luis Lagomarsino there. I suspect the attendance was so good as many people wanted to know who was going to be on our ZCCC Board for next year. Check out the October incoming slate elsewhere in this Odometer. And please think about attending our annual banquet on Saturday evening, October 2nd where you'll see the outgoing Board and the in-coming Board all together in-person.

Talking about in-person events, that in-person BBQ at the Dermans was spectacular. Great turnout and it was back to old time fun!

Then hopefully you got to participate in some way at ZCON 2021 Colorado Springs. It was a week's worth of activities and fun, from driving to the top of Pikes Peak Highway, auto cross, drag racing, High Plains and PPIR, car shows, great meals, banquets, auctions, lots of stuff to buy, fantastic awards and fun times with old and new friends. You'll see the ZCCC car show winners in this Odometer and on Facebook. But I want to give a special recognition to Kathy Minister. When she won the People's Choice award for her 350Z, it brought tears to my eyes. I knew she wanted to win that in remembrance of her husband Fred. One thing Colorado ZCON will be remembered for is the establishment of Drifting. Credit goes to our very own Travis Scott. Drifting will now be at ZCONs for many years into the future.

One last thing about ZCON...I have to say our members are the best! Dozens of our members stepped up and volunteered like crazy all week long (and some for over a year planning the event) to make this ZCON one of the best ever! Did you see those hand-painted "Z" rock paper weights and the mountain scene table center pieces? All hand-crafted by Diana Inberg. Our ZCCC Team made ZCON 2021 a huge success!!!

If that wasn't enough for one month, we also had 2 great car shows at the end of the month...at Murphy Creek Golf Course and Empire Nissan.

I have to say, I love my Z.

Regardz, Don Gordon - President

MISTAKEN IDENTITY

A Case of Mistaken Identity

By Andy Mortenson

We have two new members, Leonard Klein and his son Weston, who joined our club this month. They actually live in a small town in Wisconsin and they connected with our club due to a case of mistaken identity. Back in early April, I got a text from Leonard indicating that he had sent a gauge cluster to someone named Andy Mortenson and asking if I was the same person. I responded that I was not. He texted back thanking me for letting him know and added that he and his son were restoring a 1972 240Z and that a picture was attached. I responded that I had one also and that I'd send some pictures if he would text me his email address.

(I need to point out here that I only have a flip phone that isn't very smart and has a really small screen so I wasn't seeing the full texts or the pictures that Leonard had sent me. Also, texting is a chore for me regardless of the circumstances. To make matters worse, my internet was down due to problems with my modem.)

Once I got my new modem, email contact was established. I was able to see all the pictures that Leonard had sent and learned that he and his teenaged son were in the process of doing a full blown restoration of a 1972 240Z using donor parts from a second car with a rusted out body. Although Leonard is a car guy, he had never owned a 240Z before so I mentioned that there were several companies that were good sources for Z car parts and told him that most give discounts to our club. I then hooked him up with a couple of our members who are also restoring 240Z's for technical advice. We've exchanged emails over the last couple months and he's been updating me on his project including pictures. A couple weeks ago Leonard and Weston finally decided to join our club in order to take advantage of the parts discounts and the technical advice available from our members.

As Paul Harvey used to say, ".....and now for the rest of the story." It turns out that Leonard's initial text to me wasn't quite as much of a coincidence as I had thought. He has since given me some more background information that fills a lot of gaps in the story.

Here's Leonard's side of the story.

He had sent the gauge cluster for his wife's BMW Z3 out for repair to a shop located in the Denver area that specializes in the repair of automotive gauges. His contact there was a guy named Andy Mortenson. He sent him the gauge cluster in early March and was promised a two day turnaround. After a week or so he reached out for an update, but didn't receive a response. He kept trying to contact the guy for a month, but to no avail.

As a last resort, Leonard tried searching for "Andy Mortenson Denver" on Google which produced a list including a link to the Odometer. That link produced a PDF copy of the June 2011 edition that had my name and phone number as the membership contact for the club. Having exhausted his other options he sent me a text asking if I was the "Andy Mortenson" who had his gauge cluster along with some additional explanation which I didn't see. That's when I responded that I was the wrong "Andy Mortenson". He then sent a text thanking me for responding and mentioned that he and his son were restoring a 1972 240Z and sent me a picture of their project. At that point my internet was restored and we began communicating regularly via email.

By the way, Leonard finally got his gauges back.

Group buy for ZCON High Plains Raceway T-Shirts

By Jason Spegal

\$25.00 each

For those who are interested in purchasing the ZCON High Plains T-Shirt and may have missed out, we are working on a second chance as a group buy. Please let Jason Spegal know along with the sizes and quantity desired. Also please include your email/contact information. This is to figure out if there is enough interest to meet the minimum order requirement. The expectation would be if we meet the minimum number of shirts required to place an order this will turn into a purchase and payment would be expected. If you know others who may be interested outside of the club, they are welcome to also put forth their interest. We're working on confirming the price and minimum order size for the group buy. ZCON pricing was \$25, and the hope is that it will be similar for us. If there is enough interest everyone will be contacted to confirm their order and receive prepayment for their shirts. The group buy will be placed once everyone has paid. Stating interest does not guarantee that a purchase will be made. jspegal@spegalnetworks.net

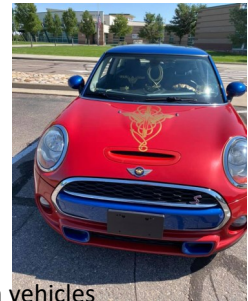

Murphy Creek Car Classic Recap

August 28, 2021

BY Host: Don Gordon

There was a great showing of Z Cars at the Murphy Creek Car Show. We had a lot of fun under the canopy sporting our club banner. Thanks to Tiffany for supplying the drinks and snacks. We even had a surprise visit from Tom Ziegelbauer (former president, webmaster and member) and Stacey Ziegelbauer (former Odometer Editor and member) in their new versions of Batmobile and Wonder Woman vehicles. A live band played for our enjoyment. Thanks to all for coming!!!

EMPIRE NISSAN LAKEWOOD SHINE N SHOW

AUGUST 28, 2021

BY HOST TRAVIS SCOTT

Our club sponsor Empire Nissan had their monthly event E.N.E. (Empire Nissan Enthusiasts), hosting an array of various Nissans, tuner cars, and rare imported vehicles. Many Z club members were able to attend and possible new members learned about the club and it's discounts. Future events at Empire will be in the westside parking lot from now on as a designated area for our shine and shows. Hope to see everyone next month for our People's Choice car show. Thank you for those that attended. Jacob was happy with the turnout so close to ZCON. Jacob estimated about 60 cars attended.

Concours d'Elegance & Exotic Sports Car Show

SEPTEMBER 12, 2021

HOST: ROY DAVIS

Concours d'Elegance & Exotic Sports Car Show is back for 2021

Hey fellow Z Car Club Members. Our favorite car show is back this year at Arapahoe Community College. This year they are featuring electric cars. This does not mean a good Datsun/Nissan won't catch the eye of a car enthusiast. Come out and support a worthy cause with your entry into the car show. Here is the link for the Registration Form. It includes instructions, form & map for moving forward.

<https://bit.ly/21CDEDayReg>

On line registration is closed. Please complete the registration form on the link and pay at the gate.

We will meet at Aspen Groove Shopping Center near Starbucks (7301 S Santa Fe Dr, Littleton, CO 80120) then proceed to the college campus at 7:30am. Please arrive at Aspen Grove at **7:00 a.m.** for a **7:30 departure**, arriving on the show field about 8am with the show starting at 9am. Andy Mortenson will be the ZCCC lead from Aspen Grove to the college campus. We will be parked in our normal location on the field, so bring a chair. This year we have the following classes in the car show S30 (240, 260, 280Z), S130 (280ZX), Z31 (300ZX 1984-1989), Z32 (1990-1996), Z33 (2002-2008), and Z34 (2008-2020). Please show your show your car to support our Club and this worthy cause. Ribbons will be awarded.

Kathy Minister is asking all our members to attend the event and show their vehicles. Let's see how many cars we can get there to honor Fred with this event. He always felt this was a special event and supported it with many hours of work and dedication. Members are also invited to walk in and visit our booth. You may still receive a point for attending and supporting our Club.

EMPIRE LAKEWOOD NISSAN AND Z CAR CLUB OF COLORADO PRESENT

"Z GREATEST CAR SHOW OF ALL TIME"

When: Saturday, September 25, 2021 (Rescheduled from July 31, 2021 rain out)

Time: 4:00 to 8:00 p.m.

Where: Empire Lakewood Nissan

14707 W. Colfax Ave, Lakewood, CO 80401

Host: Nate Derman

Come one come all to the Z Greatest Car Show Of All Time! Empire Lakewood Nissan and Z Car Club Of Colorado are joining forces to present one of the largest People's Choice Car Shows in a long time. There will be music, food and lots of spectators. This is one of the regularly scheduled car shows that Empire Nissan enthusiasts puts on the last Saturday of each month.

This show will be totally different. Members that wish to display their vehicles if they want to participate in the People's Choice voting will receive an entry sheet with an assigned number to be placed on the inside of the windshield with vehicle information on it so everyone attending may vote. Hopefully we will have a separate area to display these vehicles. All spectators and members may vote. The categories are: 240Z; 260Z; 280Z; 300ZX-300Z; 350Z; 370Z and Z Greatest in show. Only our Club may enter. We need to have a count for the vehicles that are entering the contest so we can hopefully reserve private parking spaces. If you want to enter, please let Nate know at publicrelations@zccc.org by September 23, 2021 so that Empire knows how many spaces to reserve.

Please come out to either enter you car, show your car without entering, or merely see what a great event this will be. Whatever your choice, we look forward to "Zeeing" you there.

The MABC Car Show is that morning so shine up your car and attend both shows.
